DISCUSSION:

The Humboldt County Department of Health and Human Services - Behavioral Health (“DHHS - Behavioral Health”), in conjunction with the Humboldt County Public Guardian’s Office, utilizes a variety of placement options to provide long-term mental health treatment services to mentally ill clients who require assistance in locked and unlocked facilities. It is important for the placement team to have a variety of treatment options because vacancies and client needs fluctuate.

Community Care on Palm, LLC operates a locked skilled nursing facility located in Riverside,

California. Community Care on Palm, LLC’s skilled nursing facility provides medical and mental health treatment services to individuals over eighteen (18) years of age who require twenty-four (24) hour monitoring in a residential setting due to the severity of their physical and mental illnesses. All of the medical and mental health treatment services provided at Community Care on Palm, LLC’s skilled nursing facilities are designed to transition clients to independent living within their communities, and are delivered with a wellness focus, which includes, without limitation, concepts of recovery and resilience.

Clients placed at Community Care on Palm, LLC’s skilled nursing facilities are monitored by the County of Humboldt’s multi-disciplinary Strategic Assistance for Adult Recovery Interventions (“SAFARI”) committee. The SAFARI committee authorizes services, determines the appropriate level of care and monitors client needs in the community upon discharge. When an initial placement at either of Community Care on Palm, LLC’s skilled nursing facilities occurs, transitional plans for less restrictive placement are put in place, and reviewed monthly, in order to transition the client to community living as soon as may be appropriate.

Accordingly, DHHS - Behavioral Health recommends that the Board approve, and authorize the Chair of the Board to execute, the attached professional services agreement with Community Care on Palm, LLC regarding the provision of long-term skilled nursing and mental health treatment services to adults with chronic physical and mental illnesses. It is also recommended that the Board authorize the DHHS - Behavioral Health Director, or a designee thereof, to execute any future amendments to the attached professional services agreement with Community Care on Palm, LLC, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary delays in the provision of needed skilled nursing and mental health treatment services.
