difficulties recruiting and retaining qualified psychiatrists for mandated and entitlement services.

This shortage in specialty behavioral health care providers is not endemic to Humboldt County nor limited to the northern region of the state. The U.S. Department of Health & Human Services, Health Resources and Services Administration (HRSA) defines Humboldt County as a federally designated Mental Health Care Health Professional Shortage Area (HPSA). Mental Health HPSAs are based on a psychiatrist to population ratio of 1:30,000. The Substance Abuse and Mental Health Services Administration (SAMSA) HRSA Center for Integrated Health Solutions states that, "Rural communities have a chronic shortage of behavioral health providers and limited access to services."

Due to the current shortage, DHHS wishes to continue its relationship with Traditions Behavioral Health (TBH) to provide psychiatrists during this difficult staffing period. With this agreement TBH will recruit, hire and place approximately 6.4 FTE psychiatrists.

FINANCIAL IMPACT:

The contract maximum amount of the TBH agreement before the Board for the period April 10, 2016 through June 30, 2017 is Four Million, Three Hundred Thousand Dollars (\$4,300,000) and will provide psychiatrists assigned to DHHS-Mental Health Inpatient, Crisis Stabilization Unit and Outpatient operations. This contract amount represents no monthly increase from the prior agreement approved on March 17, 2015; only the term of the agreement has been extended, from 12 months to 14-2/3 months.

It is important to note that many of the direct services that will be provided are reimbursable by federal fund sources which include Medi-Cal, Drug Medi-Cal and Medicare, state fund sources include Behavioral Health Realignment for Managed Care and Early Periodic Screening, Diagnostic, and Treatment (EPSDT) and Public Safety Realignment. Other fund sources may include private insurance and Mental Health Services Act.

The expenditures related to this agreement have been included in approved DHHS-MH Sempervirens / Psychiatric Emergency Services budget unit 1170-495 and Medication Support budget unit 1170-498 for FY 2015-16. Expenditures and revenues related to this agreement for FY 2016-17 will be included in DHHS-MH budget proposal.

There is no additional cost to the county General Fund.

Approving this agreement will support the Board's Strategic Framework by providing and maintaining infrastructure and by creating opportunities for improved safety and health.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

There are no current viable alternatives. In order for DHHS-MH to continue to implement the entitlement services currently provided and operate the Psychiatric Health Facility (PHF), the Crisis Stabilization Unit (CSU) and to provide essential medication services and support to its existing clients, the county requires the psychiatrists and scope of work contained within this contract.

There is currently no actual or threatened claim by any such third-party based on an alleged violation of any such right by CONTRACTOR.
 4. Neither CONTRACTOR's performance of this Agreement, nor any part of its performance thereof, will violate the right of privacy of, or constitute a libel or slander against, any person or entity.
 5. It has secured and will secure all rights and licenses necessary for Intellectual Property, including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown.
 6. It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber or interfere with any of the rights granted to DHCS in this Agreement.
 7. It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
 8. It has no knowledge of any outstanding claims, licenses or other charges, liens or encumbrances of any kind or nature whatsoever that could affect in any way CONTRACTOR's performance of this Agreement.
 9. DHCS makes no warranty that the Intellectual Property resulting from this Agreement does not infringe upon any patent, trademark, copyright or the like, now existing or subsequently issued.
- G. Intellectual Property Indemnity. By executing this Agreement, CONTRACTOR, for itself, and its assignees and successors in interest, agrees as follows:
1. CONTRACTOR shall indemnify, defend and hold harmless DHCS, its licensees, assignees, officers, directors, employees, agents, representatives, successors and users of its products ("Indemnitees"), from and against all claims, actions, damages, losses or liabilities, or actions or proceedings with respect to any thereof, whether or not rightful, arising from any and all actions or claims by any third-party or expenses related thereto, including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim,

action or proceeding, whether commenced or threatened, to which any of the Indemnitees may be subject, whether or not CONTRACTOR is a party to any pending or threatened litigation, which arise out of or are related to: (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of CONTRACTOR pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by CONTRACTOR or DHCS and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in and/or control, at CONTRACTOR's expense, any such infringement action brought against DHCS.

2. Should any Intellectual Property licensed by CONTRACTOR to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, CONTRACTOR will exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel, at CONTRACTOR's expense, in any such claim or action. In the defense or settlement of the claim, CONTRACTOR may obtain the right for DHCS to continue using the licensed Intellectual Property; or replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
3. CONTRACTOR agrees that damages alone would be inadequate to compensate DHCS for breach of any term of these Intellectual Property provisions by CONTRACTOR. CONTRACTOR acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including, without limitation, an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

Public Law 103-227, also known as the Pro-Children Act of 1994 (“PCA”), requires that smoking not be permitted in any portion of any indoor facility owned or leased, or contracted for, by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of eighteen (18), if the services are funded by federal programs either directly or through local or state governments by federal grant, contract, loan or loan guarantee. The PCA also applies to children’s services that are provided in indoor facilities that are constructed, operated or maintained with such federal funds. The PCA does not apply to children’s services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where Women, Infants and Children Program coupons are redeemed.
- B. Certification of Compliance. By executing this Agreement, CONTRACTOR certifies that it

will comply with the requirements of the PCA, and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined thereby.

- A. Drug-Free Policy Statement. Publish, as required by California Government Code Section 8355(a)(1), a Drug-Free Policy Statement which notifies employees that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited, and specifies the actions to be taken against employees for violations.
- B. Drug-Free Awareness Program. Establish, as required by California Government Code Section 8355(a)(2), a Drug-Free Awareness Program which informs employees about the following:

Each party hereto shall hold harmless, defend and indemnify the other party and its agents, officers, officials, employees and volunteers from and against any and all claims, demands, losses, damages, liabilities, expenses and costs of any kind or nature, including, without limitation, attorney's fees and other costs of litigation, arising out of, or in connection with, the negligent performance of, or failure to comply with, any of the duties and/or obligations contained herein, except such loss or damage which was caused by the sole negligence or willful misconduct of the other party or its agents, officers, officials, employees or volunteers.
- B. Comparative Liability. Notwithstanding paragraph A above, in the event that both parties are held to be negligently or willfully responsible, each party will bear their proportionate share of liability as determined in any such proceeding. In such cases, each party will bear their own costs and attorney's fees.
- C. Effect of Insurance. Acceptance of insurance, if required by this Agreement, does not relieve either party from liability under this provision. This provision shall apply to all claims for damages related to the services performed pursuant to the terms and conditions of this Agreement regardless if any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided by either party hereunder.

27. INSURANCE REQUIREMENTS:

This Agreement shall not be executed by COUNTY, and CONTRACTOR is not entitled to any rights hereunder, unless certificates of insurance or other sufficient proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

- A. General Insurance Requirements. Without limiting CONTRACTOR's indemnification obligations provided for herein, CONTRACTOR shall, and shall require that all subcontractors hereunder, take out and maintain, throughout the entire period of this Agreement, and any extended term thereof, the following policies of insurance, placed with insurers authorized to do business in the State of California with a current A.M. If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.
 - 2. Automobile/Motor Liability Insurance with a limit of liability not less than One Million

Dollars (\$1,000,000.00) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles. Said coverage shall be at least as broad as Insurance Service Offices Form Code 1 (any auto).

3. Workers' Compensation Insurance, as required by the Labor Code of the State of California, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY, its agents, officers, officials, employees and volunteers.
4. Professional Liability Insurance – Error and Omission Coverage including coverage in an amount no less than One Million Dollars (\$1,000,000.00) for each occurrence (Three Million Dollars (\$3,000,000.00) general aggregate). Said insurance shall be maintained for the statutory period during which CONTRACTOR may be exposed to liability. CONTRACTOR shall require that such coverage be incorporated into its professional services agreements with any other entities.

B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:

1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by or on behalf of CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY, its agents, officers, officials, employees and volunteers.  - d. Does not contain a pro-rata, excess only and/or escape clause.
 - e. Contains a cross liability, severability of interest or separation of insureds clause.
2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice provisions set forth herein. It is further understood that CONTRACTOR shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
3. The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the insurer's liability.
4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby

are excess to CONTRACTOR's insurance and will not be used to contribute therewith.

5. Any failure to comply with the provisions of this Agreement, including breach of warranties, shall not affect coverage provided to COUNTY, its agents, officers, officials, employees and volunteers.
 6. CONTRACTOR shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by the Humboldt County Risk Manager or County Counsel. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY. If CONTRACTOR does not keep all required policies in full force and effect, COUNTY may, in addition to other remedies under this Agreement, take out the necessary insurance, and CONTRACTOR agrees to pay the cost thereof. COUNTY is also hereby authorized with the discretion to deduct the cost of said insurance from the monies owed to CONTRACTOR under this Agreement.
 7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CONTRACTOR shall be required to purchase additional coverage to meet the above-referenced aggregate limits.
