RE: Humboldt County Resource Conservation District Board of Directors: Letter of Support for the Reappointment of Daniel Cohoon and James Renner & Resignation of Hugo Klopper

Dear Chairman Sundberg and Honorable Members of the Board:

The Humboldt County Resource Conservation District (HCRCD) is a Special District established under Division 9 of the California Resources Code to work with private landowners to conserve and protect natural resources on private lands in the county. Under Division 9, Section 9317, members of the HCRCD Board of Directors are appointed by the Board of Supervisors to serve a four-year term.

The purpose of this letter is to notify you that the terms of three current HCRCD Directors will expire at the end of November. Two directors, Directors Cohoon and Renner, have indicated their willingness to serve another term. Director Klopper has submitted his resignation from the Board of Directors, effective October 22, 2018, and therefore this letter is to also advise you of a vacancy on the Humboldt County Resource Conservation District (HCRCD) Board. Each of these Directors has brought valuable knowledge, leadership, experience, and a commitment to serving landowners in Humboldt County through the work of the District and their service is greatly appreciated.

This letter, written by action of the HCRCD Board, transmits the unanimous support of the Board for the re-appointment of Directors Cohoon and Renner. A letter of recommendation for a new appointment to replace Director Kloppers seat on the HCRCD Board is provided under separate cover.

Director Cohoon is a long-time resident of Humboldt County with expertise private forest management. Director Renner is one of the founding Directors of the Humboldt County Resource Conservation and has over 40 years of experience operating a dairy in Loleta. Both directors meet the qualifications to serve on the HCRCD Board. They are local landowners who clearly understand local resource issues and have strong leadership abilities.

We encourage your favorable consideration and ask that the Board of Supervisors take action to reappoint Directors Cohoon and Renner to another four-year term. If you wish any additional information, please don't hesitate to contact Jill Demers, Executive Director at 442-6058 x 5.

Sincerely,

Mark Moore, Secretary

Board of Directors, Humboldt County Resource Conservation District
