FULL TEXT BALLOT PROPOSITION
OF THE EUREKA CITY SCHOOLS
BOND MEASURE ELECTION MARCH 3, 2020

The following is the full proposition presented to the voters by the Eureka City Schools.

“EUREKA CITY SCHOOLS HIGH SCHOOL EMERGENCY REPAIR/STUDENT SAFETY MEASURE. To repair unsafe school buildings, storm drains, fields and facilities; improve campus, student and teacher safety/disabled accessibility; acquire, construct, repair sites, equipment/high school/continuing education facilities; qualify for emergency State matching funds, shall Eureka City Schools’ measure authorizing \$18,000,000 in bonds at legal rates, levying \$17/\$100,000 assessed value (\$1,100,000 annually) while bonds are outstanding, be adopted, requiring annual independent audits, citizens’ oversight and all funds spent locally?”

PROJECT LIST

The Board of Education of the Eureka City Schools is committed to retaining and attracting quality teachers in local schools by providing safe, secure, upgraded facilities. To that end, the Board evaluated the **imminent danger to students’ health and safety caused by the failure of a storm drain system and its consequential facility damages**, as well as safety issues, class size reduction, basic repairs, computer and information technology in developing the types of projects to be funded by this measure as described below. The District conducted an **independent structural engineering study** as well as had an assessment performed by the Public Works Department of the City of Eureka of the repairs required by the failure of the storm drainage pipelines. The Board has prioritized key health and safety needs so that the most critical repairs are addressed.

In approving this Project List, the Board of Education determines that the District **must**:

- (i) **Repair sections of Eureka High School which present life/hazard and imminent health and safety risks to teachers, students and staff, families and members of the public; and**
- (ii) **Improve accessibility to the Eureka High School campus for disabled persons; and**
- (iii) **Prevent dangerous sinkholes which create imminent health and safety risks to students and high school teachers and staff; and**
- (iv) **Upgrade facilities to meet current seismic safety standards; and**
- (v) **Apply for emergency State matching funds to offset the costs of stadium repairs; and**
- (vi) **Adhere to specific fiscal accountability safeguards:**
 - (a) **All expenditures subject to annual independent financial audits.**
 - (b) **No money taken by the State. All funds stay local.**

- (c) **All expenditures reviewed by an independent citizen oversight committee to ensure that funds are spent only as authorized.**

The Project List includes the following types of upgrades and improvements at District schools, facilities and sites:

IMPROVE STUDENT HEALTH AND SAFETY

Emergency School Repair Projects Funded By Money That Cannot Be Taken By Sacramento

Goals and Purposes: Portions of the Eureka High School campus have been compromised by the failure of the District's storm drainage infrastructure, creating dangerous sink holes, denying safe access to facilities by persons with disabilities, and undermining the safety of hillside and adjacent facilities. This measure will correct present life/hazard and imminent health and safety risks to students and staff.

This measure will restore certain fields for student use, allowing Eureka High School to provide physical education programs which help students stay out of trouble, focus, perform well in school, and stay away from gangs and drugs.

This measure will permit Eureka High School to be used effectively as an emergency evacuation site as California experiences more volatile wildfires and unpredictable PG&E outages.

- Repair and upgrade failed storm drainage system.
- Fill sinkholes for student safety and prevent future sinkholes from developing.
- Improve access to school facilities for students with disabilities.
- Install new lighting for student safety.
- Repair fields, track and ancillary buildings damaged by the storm drain failure.
- Replace deteriorating pipes.
- Restore and upgrade career technical training facilities.
- Improve facilities to meet current seismic safety standards.

In addition to the projects listed above, the repair and renovation of existing school facilities may include, but not be limited to, some or all of the following: add or renovate restrooms; repair and replace electrical, plumbing, heating, ventilation and air conditioning systems; upgrade of facilities for energy efficiencies; repair and replace worn-out and deteriorated roofs, windows, walls, floors, doors and drinking fountains; upgrade wiring and electrical systems; upgrade or construct classroom and support facilities including physical education, career technical training facilities, buildings, swing space; repair and replace fire alarms, emergency communications and security systems; improve facilities to satisfy ADA requirements; resurface or replace asphalt, broken concrete, concrete flatwork, and improve hard courts, turf, track and fields, and storm water collection, irrigation and drainage systems and campus landscaping; install signage, improve pathways and fencing; expand parking and drop-off areas; improve all site utilities; acquire land; upgrade or replace interior and exterior painting,

floor covering (including carpets), portable classrooms and school facades; demolition; upgrade food service areas, and school cafeterias; construct various forms of storage and support spaces; repair, upgrade and install interior and exterior lighting systems; construct, acquire or improve playgrounds, play structures, athletic fields, stadiums, bleachers, concession areas, tracks and facilities to support student health, fitness and safety, lockers, and other facilities serving District students; replace outdated security fences and security systems (including access control systems), add or upgrade parking lots, including accessible stalls. In addition to the listed projects stated above, the Project List also includes the acquisition of a variety of instructional, maintenance and operational equipment, including and interim funding incurred to advance fund projects from the Project List; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects. The upgrading of technology infrastructure includes, but is not limited to, network rewiring, cabling, computers, mobile interface devices, data centers, switches, routers, modules, and sound projection systems, wireless technology systems, acquire miscellaneous IT and instructional equipment. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of portable classrooms and existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary on-site and off-site improvements, site preparation and restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation or drainage systems, traffic signals, sewer or utility lines, trees and landscaping, relocating fire access roads, road widening, and acquiring any necessary easements, licenses, permits or rights of way to the property. The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, legal fees and similar planning costs, connection fees, permit fees, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the types of projects and purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

FISCAL ACCOUNTABILITY: THIS MEASURE REQUIRES A CLEAR SYSTEM OF ACCOUNTABILITY, INCLUDING A PROJECT LIST DETAILING HOW THE MONEY WILL BE USED, A CITIZEN'S OVERSIGHT COMMITTEE, AND INDEPENDENT AUDITS TO ENSURE MONEY IS SPENT PROPERLY.

IN ACCORDANCE WITH EDUCATION CODE SECTION 15272, THE BOARD OF EDUCATION WILL APPOINT A CITIZENS' OVERSIGHT COMMITTEE AND CONDUCT ANNUAL INDEPENDENT AUDITS TO ASSURE THAT FUNDS ARE SPENT ONLY ON DISTRICT PROJECTS AND FOR NO OTHER PURPOSE.
