DISCUSSION:

The Drug Task Force is comprised of representatives from Humboldt County Sheriff's office, District Attorney's office, Arcata Police Department, Eureka Police Department, and California Highway Patrol. The task force integrates federal, state and local law enforcement agencies for the purpose of enhancing interagency coordination, and facilitates multi-jurisdictional investigations. The Sheriff's Office continues to implement and enhance the programs built in cooperation with Humboldt County Drug Task Force and Justice Assistance Grant (JAG) Steering Committee members.

The JAG grant funds are used to fund one Sheriff Deputy position, and partial support of District Attorney Prosecutor and Investigator positions, as well as assistance to other local law enforcement jurisdictions when overtime hours for drug enforcement impact their assigned staff. Victim Services have been contracted through North Coast Rape Council, and are intended to mitigate the impact to victims of crimes related to the drug industry. An additional requirement of the JAG program is data collection, reporting and an evaluation plan. The Sheriff's Office has enlisted the Humboldt State University (HSU) Center for Rural Policies to develop the plan. Funds have been included in the grant budget to support the work performed by HSU.

On February 24, 2014 your Board approved Resolution No. 15-28 for the period ending December 31, 2015, the first year of a three-year grant from the JAG grant for marijuana eradication within Humboldt County, in conjunction with members of the Humboldt County Drug Task Force. Resolution 16-05 was approved by your Board on January 5, 2016 authorizing the Sheriff's Office to continue with year two of the three-year program.

A draft resolution (Attachment 1) is again required to initiate the final year of the three-year program. By adopting the resolution, the county agrees to abide by the statutes and regulations governing the federal Formula Grants Program as well as the terms and conditions of the Grant Agreement (Attachment 2) as set forth by the Board of State and Community Corrections (BSCC) and grants signatory authorization to the Humboldt County Sheriff.

The California BSCC Edward Byrne Memorial Justice Assistance Grant Agreement (Attachment 2) for year three allocates \$206,445 for the period January 1, 2017 to December 31, 2017. Staff recommends approval of the supplemental budget and Sheriff's signatory authorization for the grant funding agreement and all accompanying amendments and certifications required for participation in the Edward Byrne Memorial Justice Assistance Grant program

FINANCIAL IMPACT:

JAG grant funds are part of the marijuana eradication program operated by the Sheriff's Office. Grant reports and requests for reimbursements are submitted quarterly and all revenue and expenses are tracked in budget unit 228 Marijuana Eradication. Reimbursement for salaries and benefits pays for one of the two deputies assigned to this budget. Professional and contracted services are paid to participating agencies as described in the budget summary below:

Budget Unit	First Year Jan 1, 2017 – Dec 31, 2017	Rate	Amount
1100-228-2100	Salaries & Benefits		\$95,445
	Sheriff Deputy at 1.0 FTE	\$68,500	
	Fringe Benefits	\$26,945	
1100-228-2118	Professional and Special Services		\$85,000
	District Attorney Prosecutor at .25 FTE	\$30,000	
	District Attorney Investigator – overtime	\$15,000	
	Arcata Police Department – overtime	\$15,000	
	Eureka Police Department – overtime	\$15,000	
	California Highway Patrol – overtime	\$10,000	
1100-228-2118	Community-Based Organization Contract		\$15,000
	Drug Industry Victim Services		\$11,000
1100-228-2118	Humboldt State University Center for Rural Policies		\$11,000
	Total 3 rd Year Grant Budget		\$206,445

The JAG grant funds enable county and municipal law enforcement agencies to continue Anti-Drug Abuse and Marijuana Suppression Programs, and meets the Board of Supervisors' Strategic Framework goal of enforcing laws and regulations to protect residents of our county. These programs provide community-appropriate levels of service and encourage multi-jurisdictional participation in dealing with drug issues in Humboldt County.

OTHER AGENCY INVOLVEMENT:

California Board of State and Community Corrections

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could deny the request to accept the grant funds, however, this is not recommended as these grant funds are integral to continuation of the County's marijuana control programs. In order to continue these programs without JAG grant funding the department would have to seek funding elsewhere or request additional monies from the General Fund.

This Grant Agreement is between the State of California Board of State and Community Corrections, hereafter referred to as BSCC and Humboldt County hereafter referred to as Grantee or Contractor.

2. PROJECT SUMMARY AND ADMINISTRATION

- A. The Edward Byrne Memorial Justice Assistance Grant (JAG) Program (42 U.S. Code §3751(a)) is the primary provider of federal criminal justice funding to state and local jurisdictions. The JAG Program provides critical funding necessary to support state and local initiatives, to include: technical assistance, strategic planning, research and evaluation (including forensics), data collection, training, personnel, equipment, forensic laboratories, supplies, contractual support, and criminal justice information systems. The JAG Program in California supports three Program Purpose Areas designated by federal statute: 1) Law enforcement programs, 2) Courts, prosecution and defense programs, including indigent defense, and 3) Prevention and education programs.
- B. Grantee agrees to administer the project in accordance with Attachment 1: Application for Funding/Grant Proposal, Attachment 2: JAG Year-Two Application for Funding, and 3: JAG Year-Three Application for Funding, which is attached and hereto made part of this agreement.

3. PROJECT OFFICIALS

- A. The BSCC's Executive Director or designee shall be the BSCC's representative for administration of the Grant Agreement and shall have authority to make determinations relating to any controversies that may arise under or in connection with the interpretation, performance, or payment for work performed under this Grant Agreement.
- B. The Grantee's project officials shall be those identified as follows:

Authorized Officer with legal authority to sign:

Name: Michael T. Downey

4. DATA COLLECTION

Grantees will be required to comply with all of the data collection and reporting requirements as described in the JAG Request for Proposal/Application.

5. PROGRESS REPORTS AND EVALUATIONS

- A. Grantee will submit quarterly progress reports, including results for the Federal performance indicators, in a format prescribed by the BSCC. These reports, which will describe progress made on program objectives and include required data, shall be submitted according to the following schedule:

**EXHIBIT A
SCOPE OF WORK**

Progress Report Periods

Due Date

- | | |
|--|------------------|
| 1) January 1 through March 31, 2017 | April 15, 2017 |
| 2) April 1 through June 30, 2017 | July 15, 2017 |
| 3) July 1 through September 30, 2017 | October 15, 2017 |
| 4) October 1 through December 31, 2017 | January 15, 2018 |

- B. Grantees shall submit all other reports and data as required by the BSCC.
- C. The Final Local Evaluation report will be due March 31, 2018.

6. PROJECT RECORDS

- A. The Grantee shall establish an official file for the project. The file shall contain adequate documentation of all actions taken with respect to the project, including copies of this Grant Agreement, approved program/budget modifications, financial records, and required reports.
- B. The Grantee shall establish separate accounting records and maintain documents and other evidence sufficient to properly reflect the amount, receipt, and disposition of all project funds, including grant funds, any matching funds by the Grantee, and the total cost of the project. Source documentation includes copies of all awards, applications, approved modifications, financial records, and narrative reports.
- C. Personnel and payroll records shall include the time and attendance reports for all individuals reimbursed under the grant, whether they are employed full-time or part-time. Time and effort reports are required for consultants (subcontractors).
- D. The grantee shall maintain documentation of donated goods and/or services, including the basis for valuation.
- E. Grantee agrees to protect records adequately from fire or other damage. When records are stored away from the Grantee's principal office, a written index of the location of records stored must be on hand and ready access must be assured.
- F. All Grantee records relevant to the project must be preserved a minimum of three (3) years after closeout of the grant project and shall be subject at all reasonable times to inspection, examination, monitoring, copying, excerpting, transcribing, and auditing by the BSCC or designees. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records must be retained until the completion of the action and resolution of all issues which arise from it or until the end of the regular three-year period, whichever is later.

7. CONFLICT OF INTEREST

- A. Existing law prohibits any applicant entity, sub-grantee, partner or like party who participated on the JAG Executive Steering Committee ((ESC) See Appendix A) from receiving funds from the grant for which the ESC was established. Government Code 1090 prohibits participation of financially interested individuals in the ESC process. A person who is "financially interested" includes employees of any governmental, nongovernmental entity or service provider that might receive funding through the applicable grant project. Additionally, a member could be "financially interested" if he or she serves with an organization that might make a contribution to the applicable grant project.
- B. These conflict of interest rules do not apply to public employees that served on the ESC tasked with developing and scoring the Requests for Proposals for Edward Byrne Memorial Justice Assistance Grant funding. Employees of governmental entities are deemed not to have a financial interest in this program. (See Pen. Code, § 6025.1, subd. (a).)
- C. In cases of an actual conflict of interest with an ESC member, the Board may revoke the grant award and legal consequences could exist for the parties involved, including, but not limited to, repayment of the grant award.

**EXHIBIT A
SCOPE OF WORK**

8. AUDIT

Grantee must submit an audit of expenditures within 120 days following the end of the grant period. Grantees may choose either a program-specific audit or a single federal audit. Federal guidelines allow grantees receiving \$750,000 or more in federal funds in a fiscal year to use their federal justice assistance grant funds to pay for the cost of the audit. Grantees falling below the \$750,000 threshold must use non-federal funds (i.e., match funds) to pay for audit costs. For purposes of this grant award, please check one of the boxes below to indicate the grantee's choice for meeting the audit requirement.

- In conformance with Federal Office of Management and Budget (OMB) CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the California State Controller's Accounting Standards and Procedures, Chapter 23, Grant Accounting Index, the identified grant will be included in the City/County Single Federal Audit Report, which will be submitted to the BSCC within the required timeframe of 120 days from the end of the grant period. NOTE: Should an extension be needed, please provide in advance of the deadline a written justification that indicates the reason(s) for the extension and the timeframe needed.

OR

- In conformance with Federal Office of Management and Budget (OMB) CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the California State Controller's Accounting Standards and Procedures Chapter 23, Grant Accounting Index, the grantee will provide a Program-Specific Final Audit Report to the BSCC within the required timeframe of 120 days from the end of the grant period.

OR

- In conformance with Federal Office of Management and Budget (OMB) CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, the non-governmental entity grantee **does not expend \$750,000 or more** in total federal awards during the fiscal year and is therefore, exempt from Federal audit requirements for this grant contract period. However, the entity understands that it must keep and maintain the grant records and make them available for review or audit by appropriate officials of the Federal agency, pass-through agency (i.e., the Board of State and Community Corrections) and Governmental Accountability Office.

9. DATA UNIVERSAL NUMBERS SYSTEM (DUNS)

The Contractor/grantee (entity entering into contract with the BSCC) must maintain active registration of their Data Universal Numbers System (DUNS) number, used for this Grant Agreement, throughout the term of the contract. An active DUNS number is also required to remain in compliance with the Federal Funding Accountability and Transparency Act (FFATA), a reporting tool Federal prime awardees (i.e. prime contractors and prime grants recipients) use to capture and report subaward and executive compensation

EXHIBIT B
BUDGET DETAIL AND PAYMENT PROVISIONS

1. INVOICING AND PAYMENTS

- A. The Grantee shall be paid quarterly in arrears by submitting an invoice (Form 201) to the BSCC that outlines actual expenditures claimed for the invoicing period.

Invoicing Periods	Invoice Due Date
5) January 1 through March 31, 2017	May 15, 2017
6) April 1 through June 30, 2017	August 15, 2017
7) July 1 through September 30, 2017	November 15, 2017
8) October 1 through December 31, 2017	February 15, 2018

- B. The Grantee shall submit an invoice to the BSCC each invoicing period, even if grant funds are not expended or requested during the invoicing period. Supporting documentation must be included for any expenditures.

2. GRANT AMOUNT AND LIMITATION

- A. In no event shall the BSCC be obligated to pay any amount in excess of the grant award. Grantee waives any and all claims against the BSCC and the State of California and the Federal Government on account of project costs that may exceed the sum of the grant award.
- B. Under no circumstance will a budget item change be authorized that would cause the project to exceed the amount of the grant award identified in this Grant Agreement.

3. BUDGET CONTINGENCY CLAUSE

- A. It is mutually agreed that if the Budget Act of the current year and/or any subsequent year covered under this Grant Agreement does not appropriate funds for the purposes of this program, this Grant Agreement shall be of no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement.
- B. This Grant Agreement is valid and enforceable only if sufficient funds are made available by the U.S. Department of Justice, Office of Justice Programs. Grantee agrees that the BSCC's obligation to pay any sum to the Grantee under any provision of this agreement is contingent upon the availability of sufficient funds.

4. PROJECT COSTS

- A. Grantee is responsible for ensuring that actual expenditures are for eligible project costs. "Eligible" and "ineligible" project costs are set forth in the most current version of the BSCC Grant Administration Guide, which can be found under Quick Links, here:

http://www.bscc.ca.gov/s_correctionsplanningandprograms.php

The provisions of the BSCC Grant Administration Guide are incorporated by reference into this agreement and Grantee shall be responsible for adhering to the requirements set forth therein. To the extent any of the provisions of the BSCC Grant Administration Guide and this agreement conflict, the language in this agreement shall prevail.

- B. Grantee shall, upon demand, remit to the BSCC any grant funds not expended for eligible project costs or an amount equal to any grant funds expended by the Grantee in violation of the terms, provisions, conditions or commitments of this Grant Agreement.
- C. Grant funds must be used to supplement existing funds for program activities and may not replace (supplant) non-state/state grant funds that have been appropriated for the same purpose. Potential supplanting will be the subject of grant monitoring. Violations can result in a range of penalties (e.g., recoupment of monies provided under this grant, suspension of future program funding through BSCC grants, and civil/criminal penalties).

**EXHIBIT B
 BUDGET DETAIL AND PAYMENT PROVISIONS**

5. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

6. WITHHOLDING OF GRANT DISBURSEMENTS

- A. The BSCC may withhold all or any portion of the grant funds provided by this Grant Agreement in the event the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.
- B. At such time as the balance of federal funds allocated to the Grantee reaches five percent (5%), the BSCC may withhold that amount as security, to be released to the Grantee upon compliance with all grant provisions, including:
 - 1) submittal and approval of the final invoice;
 - 2) submittal and approval of the final progress report;
 - 3) submittal and approval of any additional required reports; and
 - 4) submittal and approval of the final audit of expenditures.
- C. The BSCC will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently deemed ineligible, the BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the State by the Grantee.
- D. In the event that grant funds are withheld from the Grantee, the BSCC's Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

 - 2) "Public purchasing body" means the State or the subdivision or agency making a public purchase. Government Code Section 4550.
 - B. In submitting a bid to a public purchasing body, the bidder offers and agrees that if the bid is accepted, it will assign to the purchasing body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act [Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code], arising from purchases of goods, materials, or services by the bidder for sale to the purchasing body pursuant to the bid. Such assignment shall be made and become effective at the time the purchasing body tenders final payment to the bidder. Government Code Section 4552.
 - C. If an awarding body or public purchasing body receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this chapter, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the public body any portion of the recovery, including treble damages, attributable to overcharges that were paid by the assignor but were not paid by the public body as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Government Code Section 4553.
 - D. Upon demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under this part if the assignor has been or may have been injured by the violation of law for which the cause of action arose and (a) the assignee has not been injured thereby, or (b) the assignee declines to file a court action for the cause of action. See Government Code Section 4554.

EXHIBIT D
SPECIAL TERMS AND CONDITIONS

1. GRANTEE'S GENERAL RESPONSIBILITY

- A. Grantee agrees to comply with all terms and conditions of this Grant Agreement. Review and approval by the BSCC is solely for the purpose of proper administration of grant funds, and shall not be deemed to relieve or restrict the Grantee's responsibility.
- B. Grantee is responsible for the performance of all project activities identified in Attachment 1: Application for Funding/Grant Proposal, and Attachment 2: JAG Year-Two Application for Funding, and Attachment 3: JAG Year-Three Application for Funding.
- C. Grantee shall immediately advise the BSCC of any significant problems or changes that arise during the course of the project.

2. GRANTEE ASSURANCES AND COMMITMENTS

- A. Compliance with State Laws and Regulations
This Grant Agreement is governed by and shall be interpreted in accordance with the laws of the State of California. Grantee shall at all times comply with all applicable state laws, rules and regulations, and all applicable local ordinances.
- B. Compliance with Federal Laws and Regulations
The Grantee hereby assures and certifies compliance with all federal statutes, regulations, policies, guidelines and requirements, including the 2016 JAG Federal Award Special Conditions, which are included in this Grant Agreement as Exhibit E.
- C. Fulfillment of Assurances and Declarations
Grantee shall fulfill all assurances, declarations, representations, and statements made by the Grantee in Attachment 1: Application for Funding/Grant Proposal, Attachment 2: JAG Year-Two Application for Funding, Attachment 3: JAG Year-Three Application for Funding, documents, amendments, approved modifications, and communications filed in support of its request for grant funds.
- D. Permits and Licenses
Grantee agrees to procure all permits and licenses necessary to complete the project, pay all charges and fees, and give all notices necessary or incidental to the due and lawful proceeding of the project work.

3. POTENTIAL SUBCONTRACTORS

- A. In accordance with the provisions of this Grant Agreement, the Grantee may subcontract with providers for services needed to implement and/or support program activities. Grantee agrees that in the event of any inconsistency between this Grant Agreement and Grantee's agreement with a subcontractor, the language of this Grant Agreement will prevail.
- B. Nothing contained in this Grant Agreement, or otherwise, shall create any contractual relation between the BSCC and any subcontractors, and no subcontract shall relieve the Grantee of its responsibilities and obligations hereunder. The Grantee agrees to be as fully responsible to the BSCC for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from the BSCC's obligation to make payments to the Grantee. As a result, the BSCC shall have no obligation to pay or to enforce the payment of any monies to any subcontractor.
- C. Grantee shall ensure that all subcontractors comply with all requirements of this Grant Agreement.
- D. Grantee assures that for any subcontract awarded by the Grantee, such as insurance and fidelity bonds, as is customary and appropriate, will be obtained.

EXHIBIT D
SPECIAL TERMS AND CONDITIONS

E. Grantee agrees to place appropriate language in all subcontracts for work on the project requiring the Grantee's subcontractors to:

1) **Books and Records**

Maintain adequate fiscal and project books, records, documents, and other evidence pertinent to the subcontractor's work on the project in accordance with generally accepted accounting principles. Adequate supporting documentation shall be maintained in such detail so as to permit tracing transactions from the invoices, to the accounting records, to the supporting documentation. These records shall be maintained for a minimum of three (3) years after the acceptance of the project's final audit of expenditures under the Grant Agreement, and shall be subject to examination and/or audit by the BSCC or designees, state government auditors or designees.

2) **Access to Books and Records**

Make such books, records, supporting documentations, and other evidence available to the BSCC or designee, the Department of General Services, the Department of Finance, the California State Auditor and their designated representatives during the course of the project and for a minimum of three (3) years after acceptance of the project's final audit of expenditures. The Subcontractor shall provide suitable facilities for access, monitoring, inspection, and copying of books and records related to the grant-funded project.

4. PROJECT ACCESS

Grantee shall ensure that the BSCC, or any authorized representative, will have suitable access to project activities, sites, staff and documents at all reasonable times during the grant period including those maintained by subcontractors. Access to program records will be made available by both the grantee and the subcontractors for a period of three (3) years following the end of the project period.

5. ACCOUNTING AND AUDIT REQUIREMENTS

All funds received by the Grantee shall be deposited into separate fund accounts which identify the funds and clearly show the manner of their disposition. Grantee agrees that the audit and accounting procedures shall be in accordance with generally accepted government accounting principles and practices (see Accounting Standards and Procedures for Counties, California State Controller, Division of Local Government Fiscal Affairs) and adequate supporting documentation shall be maintained in such detail so as to provide an audit trail which will permit tracing transactions from support documentation to the accounting records to the financial reports and invoices. The Grantee further agrees to the following audit requirements:

A. **Federal Single Audit Act**

If the Grantee expends \$750,000 or more in a year in federal funds, Grantee agrees to comply with the provisions pursuant to the Federal Office of Management and Budget (OMB) CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. CFR Part 200 requires non-federal entities that meet the expenditure criteria to have either a single or program-specific audit conducted for that expenditure year.

B. **Interim Audit**

The BSCC reserves the right to call for a program audit or a system audit at any time between the execution of this Grant Agreement and the completion or termination of the project. At any time, the BSCC may disallow all or part of the cost of the activity or action determined to not be in compliance with the terms and conditions of this Grant Agreement, or take other remedies legally available.

C. **Annual Audit**

1) Within 120 calendar days of this Grant Agreement end date, all Grantees must obtain and submit an annual program audit to the BSCC. Only Grantees expending \$750,000 or more in a year are

EXHIBIT D
SPECIAL TERMS AND CONDITIONS

authorized to use federal funds to pay the costs associated with performing the audit. Should the federal single audit report include this grant project, the Grantee may submit the federal single audit to satisfy the annual audit requirement. The audit shall be prepared in accordance with generally accepted auditing standards and government auditing standards for financial and compliance audits.

- 2) Since the audit function must maintain organizational independence, the Grantee's financial officer for this project shall not perform the annual audit. If the Grantee's internal auditor performs the audit, the auditor must be organizationally independent from the Grantee's accounting and project management functions. Additionally, Grantee's internal auditors who report to the financial officer, or to whom the financial officer reports, shall not perform the audit. The person conducting the audit shall be a certified public accountant, unless a Grantee auditor completes the audit.

6. MODIFICATIONS

No change or modification in the project will be permitted without prior written approval from the BSCC. Changes may include modification to project scope, changes to performance measures, compliance with collection of data elements, and other significant changes in the budget or program components contained in the Application for Funding/Grant Proposal, the JAG Year-Two Application for Funding, and the JAG Year-Three Application for Funding. Changes shall not be implemented by the project until authorized by the BSCC.

7. TERMINATION

- A. This Grant Agreement may be terminated by the BSCC at any time after grant award and prior to completion of project upon action or inaction by the Grantee that constitutes a material and substantial breach of this Grant Agreement. Such action or inaction includes, but is not limited to:
 - 1) substantial alteration of the scope of the grant project without prior written approval of the BSCC;
 - 2) refusal or inability to complete the grant project in a manner consistent with Attachment 1: Application for Funding/Grant Proposal, Attachment 2: JAG Year-Two Application for Funding, Attachment 3: JAG Year-Three Application for Funding or approved modifications; and
 - 3) failure to meet prescribed assurances, commitments, recording, accounting, auditing, and reporting requirements of the Grant Agreement.
- B. Prior to terminating the Grant Agreement under this provision, the BSCC shall provide the Grantee at least 30 calendar days written notice stating the reasons for termination and effective date thereof. The Grantee may appeal the termination decision in accordance with the instructions listed in Exhibit D: Special Terms and Conditions, Number 8. Settlement of Disputes.

8. SETTLEMENT OF DISPUTES

- A. The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute persists, the Grantee shall submit to the BSCC Corrections Planning and Programs Division Deputy Director a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to, or involving this Grant Agreement. Grantee's written demand shall be fully supported by factual information. The BSCC Corrections Planning and Programs Division Deputy Director shall have 30 days after receipt of Grantee's written demand invoking this Section "Disputes" to render a written decision. If a written decision is not rendered within 30 days after receipt of the Grantee's demand, it shall be deemed a decision adverse to the Grantee's contention. If the Grantee is not satisfied with the decision of the BSCC Corrections Planning and Programs Division Deputy Director, the Grantee may appeal the decision, in writing, within 15 days of its issuance (or the expiration of the 30 day period in the event no decision is rendered), to the BSCC Executive Director, who shall have 45 days to render a final decision. If the Grantee does not appeal the decision of the BSCC Corrections Planning and Programs Division Deputy Director, the decision shall be conclusive and binding regarding the dispute and the Contractor shall be barred from commencing an action in

EXHIBIT D
SPECIAL TERMS AND CONDITIONS

court, or with the Victims Compensation Government Claims Board, for failure to exhaust Grantee's administrative remedies.

- B. Pending the final resolution of any dispute arising under, related to or involving this Grant Agreement, Grantee agrees to diligently proceed with the performance of this Grant Agreement, including the providing of services in accordance with the Grant Agreement. Grantee's failure to diligently proceed in accordance with the State's instructions regarding this Grant Agreement shall be considered a material breach of this Grant Agreement.
- C. Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Executive Director, if an appeal was made. If the Executive Director fails to render a final decision within 45 days after receipt of the Grantee's appeal for a final decision, it shall be deemed a final decision adverse to the Grantee's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless the Grantee commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.
- D. The dates of decision and appeal in this section may be modified by mutual consent, as applicable, excepting the time to commence an action in a court of competent jurisdiction.

9. WAIVER

The parties hereto may waive any of their rights under this Grant Agreement unless such waiver is contrary to law, provided that any such waiver shall be in writing and signed by the party making such waiver.

EXHIBIT E
2016 JAG FEDERAL AWARD SPECIAL CONDITIONS

The Grantee hereby assures and certifies compliance with all federal statutes, regulations, policies, guidelines and requirements including the following:

1. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this 2016 award from the Office of Justice Programs (OJP).

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this 2016 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded in 2014 or earlier years), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this 2016 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the Office of Justice Programs (OJP) website at:
<http://ojp.gov/funding/UniformGuidance.htm>.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

2. Compliance with DOJ Grants Financial Guide

The Grantee agrees to comply with the Department of Justice Grants Financial Guide as posted on the OJP website (currently, the "2015 DOJ Grants Financial Guide"), including any updated version that may be posted during the period of performance.

http://ojp.gov/financialguide/DOJ/pdfs/2015_DOJ_FinancialGuide.pdf

3. Requirement to report potentially duplicative funding

If the Grantee currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient will promptly notify, in writing, the grant manager for this OJP award.

4. All subawards ("subgrants") must have specific federal authorization

The Grantee acknowledges that the BSCC, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <http://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: Award Condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

5. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$150,000

The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at:

EXHIBIT E
2016 JAG FEDERAL AWARD SPECIAL CONDITIONS

<http://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm>. (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

6. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the Grantee's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

7. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events The Grantee and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "2015 DOJ Grants Financial Guide").

8. Requirement for data on performance and effectiveness under the award

The Grantee must collect and maintain data that measure the performance and effectiveness of activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.

9. OJP Training Guiding Principles

Any training or training materials that the Grantee -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://ojp.gov/funding/ojptrainingguidingprinciples.htm>.

10. Effect of failure to address audit issues

The Grantee acknowledges and agrees to comply with any request related to the following: the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements on the BSCC, if (as determined by the DOJ awarding agency) the BSCC does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

11. The Grantee agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "highrisk" for purposes of the DOJ high-risk grantee list.

12. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

EXHIBIT E
2016 JAG FEDERAL AWARD SPECIAL CONDITIONS

13. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries. Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to Grantee and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of the regulation, now entitled "Partnerships with Faith-Based and Other Neighborhood Organizations," is available via the Electronic Code of Federal Regulations (currently accessible at <http://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

14. Restrictions on "lobbying"

Federal funds may not be used by the Grantee, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification or adoption of any law, regulation, or policy, at any level of government.

Should any question arise as to whether a particular use of Federal funds by a Grantee (or subrecipient) would or might fall within the scope of this prohibition, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

15. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2016)

The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2016, are set out at <http://ojp.gov/funding/Explore/FY2016-AppropriationsLawRestrictions.htm>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a Grantee (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

16. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The Grantee and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by-- (1) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 950 Pennsylvania Avenue, N.W. Room 4706, Washington, DC 20530; (2) e-mail to: oig.hotline@usdoj.gov; and/or (3) the DOJ OIG hotline: (contact information in English and Spanish) at (800) 869-4499 (phone) or (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <http://www.usdoj.gov/oig>.

17. Restrictions and certifications regarding non-disclosure agreements and related matters

No Grantee or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the

EXHIBIT E
2016 JAG FEDERAL AWARD SPECIAL CONDITIONS

reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

- 1) In accepting this award, the Grantee--
 - a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
- 2) If the Grantee does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--
 - a. it represents that--
 - (1) it has determined that no other entity that the Grantee's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - (2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and
 - b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

18. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The Grantee must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The Grantee also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages Grantees and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.
20. The Grantee acknowledges and agrees to comply with any request related to the BSCC's requirement to comply with OJP grant monitoring guidelines, protocols, and procedures, and to cooperate with BJA and OCFO on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The Grantee acknowledges and agrees to comply with any request related to the BSCC requirements to provide to BJA and OCFO all documentation necessary to complete monitoring tasks, including documentation related to any subawards made under this award. Further, the Grantee understands that the BSCC must abide by reasonable deadlines set by BJA and OCFO for providing the requested documents.
21. The Grantee acknowledges and agrees to comply with any request related to the BSCC's requirement to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs web site at <http://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.
22. Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly Federal Financial Report, SF 425.
23. The Grantee acknowledges and agrees to comply with any request related to the BSCC's requirement to monitor its subrecipients' compliance with applicable federal civil rights laws. The BSCC has submitted written Methods of Administration (MOA) for ensuring subrecipients' compliance to the OJP's Office for Civil Rights at CivilRightsMOA@usdoj.gov; the required elements of an MOA are set forth at http://www.ojp.usdoj.gov/funding/other_requirements.htm, under the heading, "Civil Rights Compliance Specific to State Administering Agencies."
24. In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the BSCC to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. The Grantee acknowledges and agrees to comply with any request related to the BSCC's requirement to conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: http://www.it.ojp.gov/gsp_grantcondition.
25. To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the grantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.
26. The Grantee agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 42 U.S.C. 3789g(c)-(d). Grantee may not satisfy such a fine with federal funds.

EXHIBIT E
2016 JAG FEDERAL AWARD SPECIAL CONDITIONS

27. Grantee agrees to comply with the requirements of 28 C.F.R. Part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.
28. The Grantee agrees that within 120 days of award acceptance, each current member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. Additionally, all future task force members are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (www.ctfli.org). This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the grant recipient. Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).
29. The Grantee agrees to participate in BJA-sponsored training events, technical assistance events, or conferences held by BJA or its designees, upon BJA's request.
30. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the Office of Justice Programs (OJP) program office prior to obligation or expenditure of such funds.
31. The Grantee agrees to assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the grantee or by a subgrantee. Accordingly, the Grantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the grant, the Grantee agrees to contact BJA.

The Grantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the grantee, a subgrantee, or any third party and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are:

- a. New construction;
- b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The Grantee understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <http://www.ojp.usdoj.gov/BJA/resource/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Special Condition to Grantee's Existing Programs or Activities: For any of the Grantee's or its subgrantees' existing programs or activities that will be funded by these grant funds, the grantee, upon

specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

32. JAG funds may be used to purchase vests for an agency, but they may not be used as the 50% match for purposes of the Bulletproof Vest Partnership (BVP) program.
33. Ballistic-resistant and stab-resistant body armor purchased with JAG funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and are listed on the NIJ Compliant Body Armor Model List (<http://nij.gov>). In addition, ballistic-resistant and stab-resistant body armor purchased must be American-made. The latest NIJ standard information can be found here: <http://www.nij.gov/topics/technology/body-armor/safetyinitiative.htm>.
34. The Grantee agrees to submit a signed certification that all law enforcement agencies receiving vests purchased with JAG funds have a written "mandatory wear" policy in effect. Fiscal agents and state agencies must keep signed certifications on file for any subrecipients planning to utilize JAG funds for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any JAG funding can be used by the agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.
35. The Grantee agrees to monitor subcontracts under this JAG award in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the DOJ Financial Guide, and to include the applicable conditions of this award in any subcontract. The Grantee is responsible for oversight of subcontractor spending and monitoring of specific outcomes and benefits attributable to use of JAG funds by subcontractors. The recipient agrees to submit to the BSCC, upon request, documentation of its policies and procedures for monitoring of subcontracts under this grant.
36. Grantee understands and agrees that award funds may not be used for items that are listed on the Prohibited Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time. The Prohibited Expenditure list may be accessed here: <https://www.bja.gov/funding/JAGControlledPurchaseList.pdf>.
37. Grantee understands and agrees that award funds may not be used for items that are listed on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, without explicit written prior approval from BJA. The Controlled Expenditure List, and instructions on how to request approval for purchase or acquisitions may be accessed here: <https://www.bja.gov/funding/JAGControlledPurchaseList.pdf>.
38. The Grantee understands that, pursuant to recommendation 2.1 of Executive Order 13688, law enforcement agencies that acquire controlled equipment through Federal programs must adopt robust and specific written policies and protocols governing General Policing Standards and Specific Controlled Equipment Standards. General Policing Standards includes policies on (a) Community Policing; (b) Constitutional Policing; and (c) Community Input and Impact Considerations. Specific Controlled Equipment Standards includes policies specifically related to (a) Appropriate Use of Controlled Equipment; (b) Supervision of Use; (c) Effectiveness Evaluation; (d) Auditing and Accountability; and (e) Transparency and Notice Considerations. Upon OJP's request, the Grantee agrees to provide a copy of the General Policing Standards and Specific Controlled Equipment Standards, and any related policies and protocols.
39. Grantee understands and agrees that the purchase or acquisition of any item on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, with award funds by an agency will trigger a requirement that the agency collect and retain (for at least 3 years) certain information about the use of 1) any federally-acquired Controlled Equipment in the agency's inventory, and 2) any other controlled equipment in the same category as the federally-acquired controlled equipment in the agency's inventory, regardless of source; and make that information available to BJA upon request. Details about what information must be collected and retained may be accessed here: https://www.whitehouse.gov/sites/default/files/docs/le_equipment_wq_final_report_final.pdf

2016 JAG FEDERAL AWARD SPECIAL CONDITIONS

40. Grantee understands and agrees that failure to comply with conditions related to Prohibited or Controlled Expenditures may result in a prohibition from further Controlled Expenditure approval under this or other federal awards.
41. Grantee understands and agrees that, notwithstanding 2 CFR § 200.313, no equipment listed on the Controlled Expenditure List that is purchased under this award may be transferred or sold to a third party, except as described below:
- Agencies may transfer or sell any controlled equipment, except riot helmets and riot shields, to a Law Enforcement Agency (LEA) after obtaining prior written approval from BJA. As a condition of that approval, the acquiring LEA will be required to submit information and certifications to BJA as if it was requesting approval to use award fund for the initial purchase of items on the Controlled Expenditure List.
 - Agencies may not transfer or sell any riot helmets or riot shields purchased under this award.
 - Agencies may not transfer or sell any Controlled Equipment purchased under this award to non-LEAs, with the exception of fixed wing aircraft, rotary wing aircraft, and command and control vehicles. Before any such transfer or sale is finalized, the agency must obtain prior written approval from BJA. All law enforcement-related and other sensitive or potentially dangerous components, and all law enforcement insignias and identifying markings must be removed prior to transfer or sale.

Grantee further understands and agrees to notify BJA prior to the disposal of any items on the Controlled Expenditure List purchased under this award, and to abide by any applicable laws and regulations in such disposal.

42. BJA strongly encourages the Grantee to submit annual (or more frequent) JAG success stories. 43. Any law enforcement agency receiving direct or sub-awarded JAG funding must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.
44. The Grantee agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.
45. Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The Grantee acknowledges and agrees to comply with any request related to the BSCC's requirement to with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of the BSCC's obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at <http://ojp.gov/funding/FAPIIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.
