PREVIOUS ACTION/REFERRAL:

Board Order No. _____

Meeting of: _____

and carried by those members present, the Board hereby approves the recommended action contained in this Board report.

Dated: June 6, 2017
By: Kathy Hayes
Kathy Hayes, Clerk of the Board

DISCUSSION:

The waiver from the provision of the Nuclear Free Ordinance is requested since the State of California will not modify its cooperative agreements to accommodate local ordinances. The Agricultural Commissioner's Office receives annual subventions from CDFA to offset the local cost of enforcing certain state-mandated programs. CDFA's Direct Marketing Program provides opportunities for California farmers to market their products directly to consumers with standardization program exemptions for minimum size, labeling, standard pack, and container requirements. The direct marketing program is intended to provide a viable channel for California farmers to market their agricultural products directly to the consumer, thereby providing a significant source of revenue for participating farmers and access to local fresh produce for county residents.

Cooperative Agreement No. 17-0114-000-SA will provide funding for the enforcement of state requirements for the direct marketing of agricultural products at certified farmer's markets (CFM). Under the agreement Humboldt County will be reimbursed for local costs associated with inspections and investigations of CFMs and participating certified producer's production sites. Inspections will include but are not limited to growing ground and storage site inspections, verification of acreages and crops consistent with producer's certificates, and inventory inspections of commodities offered for sale. In 2017, there are 9 certified farmer's markets and 74 certified producers participating at Humboldt County farmer's markets.

Approval of this agreement is consistent with your Board's Strategic Priority Framework's core roles of encouraging local enterprise, creation of private sector jobs and opportunities for improved health by supporting greater access to locally produced fruits, vegetables and livestock products.

FINANCIAL IMPACT:

Cooperative Agreement No. 17-0114-000 -SA provides \$5,000 for the certified farmer's market inspection program in FY 2017-18. Humboldt County will be reimbursed on the basis of monthly invoices for actual costs incurred for inspections or investigations including: inspection tasks, hours of enforcement work, mileage and travel time. No supplemental budget accompanies this agreement as revenue and expenditure accounts for FY 2017-18 were previously funded in anticipation of this agreement.
