This MASTER LAND USE PERMIT Agreement (hereinafter "PERMIT") is made and entered into this _____ day of _____, 2019 between GREEN DIAMOND RESOURCE COMPANY, a Washington corporation (hereinafter "GREEN DIAMOND") and the COUNTY OF HUMBOLDT, a political subdivision of the State of California (hereinafter "COUNTY").

1. GRANT OF PERMISSION AND PERMIT AREA

In consideration of COUNTY'S promises contained in this PERMIT, GREEN DIAMOND hereby grants to COUNTY the non-exclusive permission to enter and use, subject to the terms and conditions hereof, GREEN DIAMOND'S property located in the southwest quarter of the Southwest quarter of Section 5 and the Northwest quarter of the Northwest quarter of Section 8, Township 7 North, Range 3 East, Humboldt Base and Meridian, also identified at this point in time by Assessor's Parcel Numbers 521-102-004 and 521-105-001, including permitted access routes to and from such property, more specifically shown in Exhibit A, attached hereto and incorporated herein by this reference (the "PERMIT AREA"). COUNTY shall acquaint itself with and confine the Activities within the PERMIT AREA boundaries, and shall be responsible and liable for any trespass outside such boundaries that occurs as a result of the Activities.

2. PERMITTED USE

The PERMIT AREA and any existing improvements in the PERMIT AREA may be used by COUNTY solely for the purpose(s) described in Exhibit B; Section II (the "Activities") attached hereto and incorporated herein. COUNTY is solely responsible for the cost of the Activities including the maintenance, removal, and (when permitted) installation of improvements in the PERMIT AREA. Unless otherwise authorized herein, before installing new improvements to the PERMIT AREA, COUNTY shall obtain GREEN DIAMOND'S written approval of a written proposal to install such improvements in the PERMIT AREA.

3. PERMIT TERM

The term of this PERMIT shall commence upon date of execution and shall expire on December 31, 2019 unless the PERMIT is extended or earlier terminated in accordance with the terms hereof.

Subject to right of either party to terminate this PERMIT with written notice effective after thirty (30) days, this PERMIT will be automatically extended for up to four (4) additional one (1)-year terms, provided that (i) COUNTY remits the appropriate payments, including (if appropriate) a pro-rated share of an annual payment for additional terms of less than one year, and (ii) either party may provide the other party with written notice of termination effective after thirty (30) days.

4. RESERVATION OF RIGHTS

A. This PERMIT and COUNTY'S privileges hereunder are personal and shall not be assigned, in whole or in part, without the express written consent of GREEN DIAMOND, which may grant or deny such consent within its sole discretion.

B. COUNTY will never assail or resist GREEN DIAMOND'S title or claim any interest or estate whatever in the PERMIT AREA by virtue of this PERMIT or the exercise of privileges given hereunder.

C. By acceptance of this PERMIT, COUNTY acknowledges that the PERMIT AREA and GREEN DIAMOND'S property surrounding the PERMIT AREA are commercial timberland, and GREEN DIAMOND manages its property for timber production including, but not limited to, harvesting, slash burning, and herbicide application. COUNTY shall exercise its privileges under this PERMIT so as to avoid any interference with GREEN DIAMOND'S use of its own property as commercial timberland or with the exercise by other counties of privileges that GREEN DIAMOND may give them in the PERMIT AREA. COUNTY further agrees that COUNTY will not object to any lawfully conducted timber harvesting, management activities and/or development of property carried out by GREEN DIAMOND or its agents, other counties, lessees, contractors, successors, or assigns.

D. GREEN DIAMOND warrants that it is the owner of the PERMIT AREA. The privileges granted herein to COUNTY are given expressly subject to existing encumbrances, regulatory requirements, and other matters of record affecting the privileges in any manner whatsoever. GREEN DIAMOND shall not be liable for defects in title to the PERMIT AREA. GREEN DIAMOND does not warrant that it has authority to permit the Activities on behalf of any third party and COUNTY shall secure all other permits, privileges, or rights required for the lawful conduct of the Activities.

E. GREEN DIAMOND makes no representation as to the present or future conditions of the PERMIT AREA and its fitness for the Activities under this PERMIT. COUNTY accepts this PERMIT subject to all danger or injury to persons and damages or destruction to property while COUNTY is on or about the PERMIT AREA. In this regard, COUNTY assumes all risk of injury or death to individuals who are on the PERMIT AREA pursuant to this PERMIT and all risk of damage to property upon or in proximity to the PERMIT AREA with COUNTY'S knowledge or consent, without regard to whether such injury or damage is occasioned by known or unknown, hidden or disclosed defects in the PERMIT AREA or by the negligence of GREEN DIAMOND or any person in the employ or service of GREEN DIAMOND.

F. GREEN DIAMOND reserves the right to enter and inspect the PERMIT AREA at any time.

5. GENERAL CONDITIONS FOR USE OF THE PERMIT AREA

A. COUNTY shall not perform any disorderly conduct or commit any nuisance on the PERMIT AREA, and shall maintain the PERMIT AREA in an orderly, clean and sanitary manner as required by GREEN DIAMOND. COUNTY shall carry on all Activities in the PERMIT AREA in a careful manner and shall comply, at COUNTY'S expense, with all laws, regulations and permits of any municipal, state, or federal authority that are applicable to COUNTY'S activities. COUNTY'S agreement to comply shall include any programmatic or generally applicable local, state or federal government regulatory permits held by GREEN DIAMOND and applicable to the PERMIT AREA, including, without limitation, incidental take permits held by GREEN DIAMOND.

GREEN DIAMOND reserves the right to require COUNTY to take affirmative steps to review and comply with permits noticed by GREEN DIAMOND and to promptly comply when GREEN DIAMOND requests specific action to conform the Activities with the requirements of a permit noticed to COUNTY.

B. COUNTY shall keep the PERMIT AREA free from any liens or encumbrances arising out of any work performed by COUNTY, materials furnished by COUNTY, or obligations incurred by COUNTY. GREEN DIAMOND shall have the right to pay and discharge any lien imposed against GREEN DIAMOND'S property due to COUNTY'S breach of the aforesaid covenant. COUNTY shall reimburse GREEN DIAMOND for the amount so paid, including the reasonable expenses of GREEN DIAMOND in connection therewith, within thirty (30) days of receiving notice from GREEN DIAMOND of any such payment with interest thereon at the rate of seven (7) percent per annum from the date of payment thereof by GREEN DIAMOND until the repayment thereof by COUNTY. If GREEN DIAMOND shall exercise the option to make such payments, it shall not be obligatory on GREEN DIAMOND to inquire into the validity of any such lien unless COUNTY shall have given notice to GREEN DIAMOND that said lien was being challenged and shall have furnished to GREEN DIAMOND the bond of a surety company or other security satisfactory to GREEN DIAMOND, in an amount satisfactory to GREEN DIAMOND, securing GREEN DIAMOND against the payment of the lien so contested and against any loss, damage, or penalty arising from COUNTY'S failure to pay it.

C. COUNTY shall promptly report to GREEN DIAMOND any violations of any laws, regulations, or permits relating to the Activities of which COUNTY has knowledge and shall promptly send to GREEN DIAMOND a copy of any notice of violation received by COUNTY that relates to the Activities. A copy of all citations or other written documents COUNTY receives from any agency shall accompany the notice of violation.

D. COUNTY shall take reasonable care to prevent wildfires from igniting on or spreading onto the PERMIT AREA. If a wildfire should occur on or near the PERMIT AREA, COUNTY shall immediately notify GREEN DIAMOND and appropriate government agencies and shall make any on-site equipment available to help suppress or contain the fire. COUNTY shall comply with all fire prevention and suppression measures that GREEN DIAMOND may specify from time to time relating to COUNTY'S use of the PERMIT AREA. COUNTY shall comply with all applicable state fire safety standards including requirements (if any) to maintain special equipment in vehicles. COUNTY shall reimburse GREEN DIAMOND for all damages (including loss or damage to timber, and fire suppression costs) resulting from wildfires caused by COUNTY'S activities, even if not attributable to negligence by COUNTY or its agents.

E. In the event of dangerous fire weather, possible damage to roads, or potential or actual interference with GREEN DIAMOND'S operations, GREEN DIAMOND shall notify COUNTY'S representative and COUNTY shall immediately suspend the Activities or take steps to remedy the situation as GREEN DIAMOND may direct.

F. COUNTY agrees to cease using vehicles on GREEN DIAMOND'S roads, during the period from October 15th to May 15th, when weather conditions make driving hazardous or may have a detrimental impact to the environment including, but not limited to, the occurrence of rain in sufficient quantity and duration that driving would result in rutting and deformation of the road surface, degradation of water bars, or tracking of mud onto public roadways.

G. COUNTY agrees to repair damage caused to existing onsite drainage or erosion control structures brought about by COUNTY'S use of the site or roads leading to said site. Repairs shall be made immediately and shall be conducted in a manner that minimizes the release of

fine sediment to nearby waterbodies and/or Waters of the State. Site perimeter stormwater control devices (i.e. existing earthen berms) shall be maintained in a manner that controls runoff from not less than a 25-year, one-hour intensity storm event. Site perimeter stormwater control devices shall be monitored by the COUNTY, and the COUNTY is responsible for correcting deficiencies prior to the onset of the first storm event of the season. Deficiencies found during the wet season shall be addressed by the COUNTY within 24 hours of discovery. All exposed mineral soil relative to said repairs shall be straw-mulch with 2"-4" of weed free straw at the conclusion of said repairs.

H. COUNTY shall not unnecessarily damage trees or other vegetation while conducting the Activities, and shall not cut trees.

I. Excluding emergency situations, all activities shall be confined to normal business hours.

J. COUNTY shall obey all posted traffic and speed regulations on GREEN DIAMOND'S roads.

K. If any portion of the PERMIT AREA requires access through a locked gate owned or maintained by GREEN DIAMOND, GREEN DIAMOND shall issue copies of key(s) needed to open gates for the Activities herein. COUNTY shall not copy the key(s) provided by GREEN DIAMOND unless permitted to do so in writing by GREEN DIAMOND. COUNTY shall return any key(s) that has been so issued at the termination or expiration of this PERMIT. COUNTY shall pay a one hundred dollar (\$100) fee per key for any key(s) that is not so returned. COUNTY shall keep gates closed and locked unless otherwise instructed by a GREEN DIAMOND representative.

6. INDEMNITY

COUNTY shall, to the fullest extent permitted by law, indemnify, defend, and hold harmless GREEN DIAMOND and its agents, contractors, successors, or assigns from and against any and all liability for damages, costs, losses, and expenses resulting from, arising out of, or in any way connected with the occupation or use of the PERMIT AREA by COUNTY or anyone else entering the PERMIT AREA at COUNTY'S direction or invitation, or the failure on the part of COUNTY to perform fully its promises contained herein, unless such damage, loss, injury or death is caused by the sole negligence or willful misconduct of GREEN DIAMOND.

7. HAZARDOUS MATERIALS

In the event of a spill or release of Hazardous Materials, COUNTY shall promptly comply with all federal, state, and local spill notification and response requirements and shall notify GREEN DIAMOND of the spill event. COUNTY shall be responsible for the response and restoration costs of any release of Hazardous Materials in connection with the PERMIT, and shall indemnify, defend, and hold harmless GREEN DIAMOND from any liability arising from claims or damages in connection with such release. "Hazardous Materials" shall mean any pollutant, contaminant, chemical, or hazardous, toxic or dangerous waste, substance, chemical, or material, or any other substance or material regulated or controlled pursuant to any environmental laws now or at any time hereafter in effect.

8. INSURANCE

Unless otherwise provided in Exhibit B, COUNTY, at its expense, shall procure insurance with companies satisfactory to GREEN DIAMOND covering COUNTY against risks and with minimum limits as indicated below:

- A. If applicable, Workers' Compensation (statutory amount) and Employer's Liability (\$1,000,000).

Extensions of coverage to include Contractual Liability, Products/Completed Operations, Cross Liability, and Pollution arising out of heat, smoke or fumes from Hostile Fires. Additionally, the policy shall not exclude X, C or U (Explosion, Collapse, or Underground).

Additional insured status gives the additional insured rights of indemnity under the policies that are independent of the contractual requirement to indemnify.

If necessary, the policies specified in subsections 8.A., 8.B., and 8.C. above shall include an endorsement allowing this waiver of subrogation claims.
- H. All insurance shall be in a form sufficient to protect COUNTY against the claims of third persons, and to cover claims by GREEN DIAMOND against COUNTY or other parties for which COUNTY has assumed liability under this PERMIT.
