RE: COUNTY OF SERVICE / COUNTY OF RESPONSIBILITY - DMC SERVICES PROVIDED BY AEGIS TREATMENT CENTERS TO COUNTY DMC ELIGIBLE PATIENTS IN FY16-17 AND FY17-18

Dear Connie,

Following Aegis' recent discussion with Humboldt County related to the County of Service / County of Responsibility (COS / COR), this letter serves to let the County know the value of the services Aegis has provided in FY16/17 and FY17/18 to Medi-Cal beneficiaries who are residents of the County, and remain unpaid as of the date of this letter.

- FY16/17 - \$838
- FY17/18 - \$7,798 through April. Estimate for full year - \$11,500

Several Counties that Aegis has been working with on COS / COR have asked that this information be provided in order that they may accrue these amounts, so that payment may be made to Aegis in FY18/19, in the event that payment is not made in FY17/18.

Please note that we have copied this letter to Tom Renfree at CBHDA and to Don Braeger at DHCS for their records.

Please contact me for any clarification at alex@aegistreatmentcenters.com or on 415-205-9005. We look forward to continuing working with you as the move from County of Service to County of Responsibility is implemented.

Kind regards,

Alex Dodd
