

Attachment 7

We have some additional clarifying questions.

The budget documents included with RCS response include the following:

Attachment B – Cost Proposal

TFS services daily rate	\$638,020
Other required costs	\$2,315,302
	<hr/>
	\$ 2,953,322

The supporting documentation does not reconcile to Attachment B – Cost Proposal

Attachment B-1	\$ 696,252
Attachment B-2	\$1,102,651
	<hr/>
	\$ 1,798,903

You have provided an additional document 1-b in the amount of \$611,520, but that does not assist with the reconciliation of above. Will RCS please provide budget and budget narrative which clarifies the expenditure budget associated with the submitted proposal?

Thank you
