Humboldt County Purchasing Team
Humboldt County Courthouse
825 Fifth Street, Room 112
Eureka, CA 95501

Dear Sir/Madam

In response to the County of Humboldt's RFP DPW2017-200, Nick Barbieri Trucking, LLC (dba Redwood Coast Fuels) is pleased to submit the attached bid for your consideration

Redwood Coast Fuels (RCF) is a third-generation family owned business with a long tradition of service in the Redwood Empire. Based in Ukiah, RCF entered the Eureka market in 2013 to offer bulk petroleum customers a choice for the first time since 1999. As a Chevron Elite Marketer, we have the assurance and confidence of one of America's premier lubricant manufacturers, and our team is committed to leverage this assurance to fulfilling the needs of our customers. Since 2013, RCF has proudly and steadily grown in in the Humboldt County market, serving many of the commercial and agricultural businesses. With current fuel deliveries of 60 million gallons annually, and lubricant deliveries of 1.4 million gallons annually, we are capable of fulfilling your needs, and as a family owned business, we have the customer service you deserve.

Thank you for this opportunity to bid on the County of Humboldt's fuel and lubricant needs.

Best Regards,

Jeff Mee

Company History

In 1951 Pete Barbieri started his oil and lubrication business in Healdsburg, CA, servicing Sonoma and Marin counties with Mobil Oil products. From early on, Pete's son, Bob Barbieri worked in his father's business with dreams of expansion. Years later, Pete turned the reins over to Bob. The business continued to grow at an expedient rate, with Bob in control.

In 1978 Bob joined forces with a partner, Peter VanAlyea. Bob brought expertise in bulk lubes and fuel deliveries to the partnership, while Peter's specialty was work with gas stations. Together they created Redwood Oil Company. Over the next 20 years Redwood Oil became one

of the largest fuel and lubricant distributors in the United States R A Knapp was purchased by Redwood Oil Co in Humboldt County and was operated under the name of Redwood Coast Petroleum In 1996 Redwood Coast Petroleum was sold to Renner Petroleum

During these years, Bob's son, Nick, followed in his father's footsteps and from a young age worked in his dad's company, learning all aspects of the business Nick's worked ranged in everything from warehouse cleanup to driving delivery trucks Truck driving is where Nick found his passion

In 1994 Nick founded Nick Barbieri Trucking Over the next 14 years Nick continued to grow his fleet into a very successful business, which included not only transporting bulk fuel, but expanding to the wine transport market as well

Due to health reasons, Bob Barbieri and Peter VanAlyea decided go back to their roots and split their businesses in 2006, with Bob maintaining the bulk fuel, oil, and propane business, while Peter kept all 26 of their gas stations an Aztec Grills Peter would keep the Redwood Oil Company name, and Bob would now assume the name Redwood Coast Petroleum for his company

In 2008 Bob retired and sold Redwood Coast Petroleum to Poma Group However, in that sale he removed the Ukiah plant, and sold this business to his son Nick, who now runs the business as Redwood Coast Fuels Within a few years of this new venture, Nick and his team grew the business tremendously which resulted in a contract with Chevron on lubricants From that the fuel and propane business continue to grow at amazing rates

In 2011 Nick Barbieri Trucking started North Bay Petroleum to service Sonoma, Marin, and Napa counties In 2012 Nick was approached by Chevron to reenter the Humboldt County market, to service, Humboldt, Trinity, and Del Norte counties With much hard work, we've made that expansion and have been very successful in these counties

In September 2014, we purchased our largest competitor in Sonoma County, Royal Petroleum This was a huge accomplishment for Nick Barbieri Trucking, making us the largest fuel and lubricants marketer in our area Now, Nick took on business partners, Jeff Mee, Randy Parker, and Scott Kelleher into Nick Barbieri Trucking, dba Redwood Coast Fuels, North Bay Petroleum, and North Coast Wine Transportation This new partnership combines a total of 128 years of experience and we are all very dedicated to the success of our business, which makes us an excellent team We all strive to continue our growth and to be leaders in the market All four of us were fortunate to work under Bob Barbieri's leadership, for which we have much admiration and appreciation for He instilled in us the importance and value of excellent customer service, as well as admiration for your customers, as well as employees Service is what sets our company apart from other marketers We believe in instilling these same values within our

company The ethical way we continue to do business has provided us great success, and will continue to do so for generations to come

We have supplied fuel and petroleum products to more than 25 government agencies, such as, Cal Fire, U S Forrest Service, branches of the U S Military including the Coast Guard, as well as many county and city municipalities Please see list below

Eureka Branch of Redwood Coast Fuels

Located at 3134 Jacobs Ave Unit C Eureka, CA 95501, Redwood Coast Fuels has 6 employees that may service the County of Humboldt. Redwood Coast Fuels may also use our Ukiah location as a supplement as needed. The Ukiah plant is located at 50 West Lake Mendocino Drive Ukiah, CA 95482. There, four employees would augment service for your sites. Our management team that will be working on the Humboldt County bid, if awarded, will be all owners as well as our Eureka Operations Manager, Jonathan Farley.

Jonathan Farley started with the company in 2012. Jonathan started as a lube delivery driver and has earned the position of Operations Manager of our Eureka plant. Jonathan has learned all aspects of the business, has a great work ethic, and shows great leadership skills. Jonathan has adopted our company beliefs that the customers come first and without the best service in the marketplace we can't continue to grow. Before coming to Redwood Coast Fuels, he had worked for a local beverage distributor. The two businesses mirror each other in the service aspect of how to treat the customer. Jonathan was born and raised in the Humboldt County, he is married to Jessica Farley and they have two children, Jaxson and Jacie.

Jeff Mee started with Redwood Oil Company in Ukiah in February 1994 as a salesman. Jeff worked for Redwood Oil Company until Redwood Oil Company became Redwood Coast Petroleum. When Redwood Coast Petroleum was sold, Nick Barbieri bought the Ukiah plant and Jeff went to work for him at Redwood Coast Fuels. As the company started to aspire to grow, Nick started to put together a team to reach those goals. Jeff played a key role in growing the business that has subsequently led to our current success. In 2014 Nick made Jeff one of the managing partners in the company. His primary responsibility is running the sales team and overseeing the lubricants departments of the company. Jeff started our business in the Eureka market by bringing on several large customers such as Bettendorf Trucking, Humboldt Redwood Company, Customer Trucks Service/ Eureka Redi-Mix, Arcata Forest Products/Figas Construction, Redwood Coast Trucking, and Mercer-Fraser Company just to name a few. Before starting in the petroleum industry, he worked for his father-in-law at B&B Industrial Supply, Bill Daniel. Jeff married Tamí Daniel 23 years ago. They are still married today with two wonderful children, both in college.

Scott Kelleher started with Redwood Oil Company in 1997 as their Corporate Controller and held that position for seven years. Under that position Scott was responsible for all financial reporting aspects of the company, including preparing all reports for various regulatory agencies as well as taxing authorities. Scott supervised a staff of twelve. In 2004 Scott became the General Manager for Redwood Coast Petroleum, a position that he held for six years. In this role Scott was responsible for management of 100 employees and operation of the petroleum distributorship. Scott also maintained the responsibility of all financial reporting, annual budgets, etc. Scott's experience, along with his Bachelor's Degree in Business

Accounting proved him to be a valuable employee. In 2010 Scott became the Chief Financial Officer, and later a partner of Nick Barbieri Trucking, LLC. In this position, Scott continues to oversee all financial aspects of the company, while also taking on duties and functions in the Human Resources arena. Scott is the financial face of the company, managing relationships with our bankers, CPA's, and insurance agencies as well as acting as liaison between the company and Federal, State, and local taxing authorities. Scott and his wife Missy reside in Santa Rosa, CA and are raising two daughters.

In 1994 Nick Barbieri founded Nick Barbieri Trucking. Over the next 14 years Nick continued to grow his fleet into a very successful business, which included not only transporting bulk fuel, but expanding to the wine transport market as well. In 2008 Nick Barbieri Trucking purchased the Ukiah plant of Redwood Coast Petroleum. Nick renamed the business Redwood Coast Fuels. As Nick grew the business rapidly, Chevron offered him a Chevron lubricants contract south of Humboldt County. In 2011 as business continued to prosper into the southern part of our service area, Nick decided to open a Sonoma County location, North Bay Petroleum in Santa Rosa. North Bay Petroleum is another huge success, in a short period of time. One year later Chevron asked Nick to look at moving into the Humboldt County area. The opportunity was there and he opened the Eureka site, which has shown great growth. In September of 2014 Nick made the largest deal of his career with the purchase of Royal Petroleum. Royal Petroleum had about 40 percent of the market share. With this acquisition, Nick Barbieri Trucking picked up 80 plus percent share in that market. Prior to Nick starting his own company he worked for many years in his dad's company doing every part of the business from cleaning floors to becoming a manager of a department. Nick married Kim Geimer in 1993. They are still married to day with two sons Cole and Chase.

Randy Parker began working in the petroleum business in 1966 as a driver in his father's distribution company, R H Parker. In 1976, Gerry Ayers purchased the business, and in 1978 Randy became a salesperson for the company. In 1983, the company was purchased by Redwood Oil Company, where Randy became an employee of Nick's father, Robert Barbieri.

Over Randy's years in the petroleum distribution business, he has built an extensive following due to his dedication to the service and support of his customers. More than a salesman, Randy managed the bobtail division at Redwood Oil, having five drivers as his direct reports. Randy's extensive knowledge and contacts in the Sonoma County agriculture industry have contributed greatly to his success as a salesman. In 2011 when Nick Barbieri Trucking decided to set up shop in Sonoma County he knew that Randy was the guy to help with that. Nick and Randy partnered up and started North Bay Petroleum. September of 2014 Randy finally prevailed over his largest competitor for much of his career when Nick Barbieri Trucking purchased Royal Petroleum. With Randy's great leadership skills, ethical ways in which he does business, and his long relationships, thankfully Royal employees and Royal customers were very happy about the acquisition. Randy can't even remember if there was anything before the

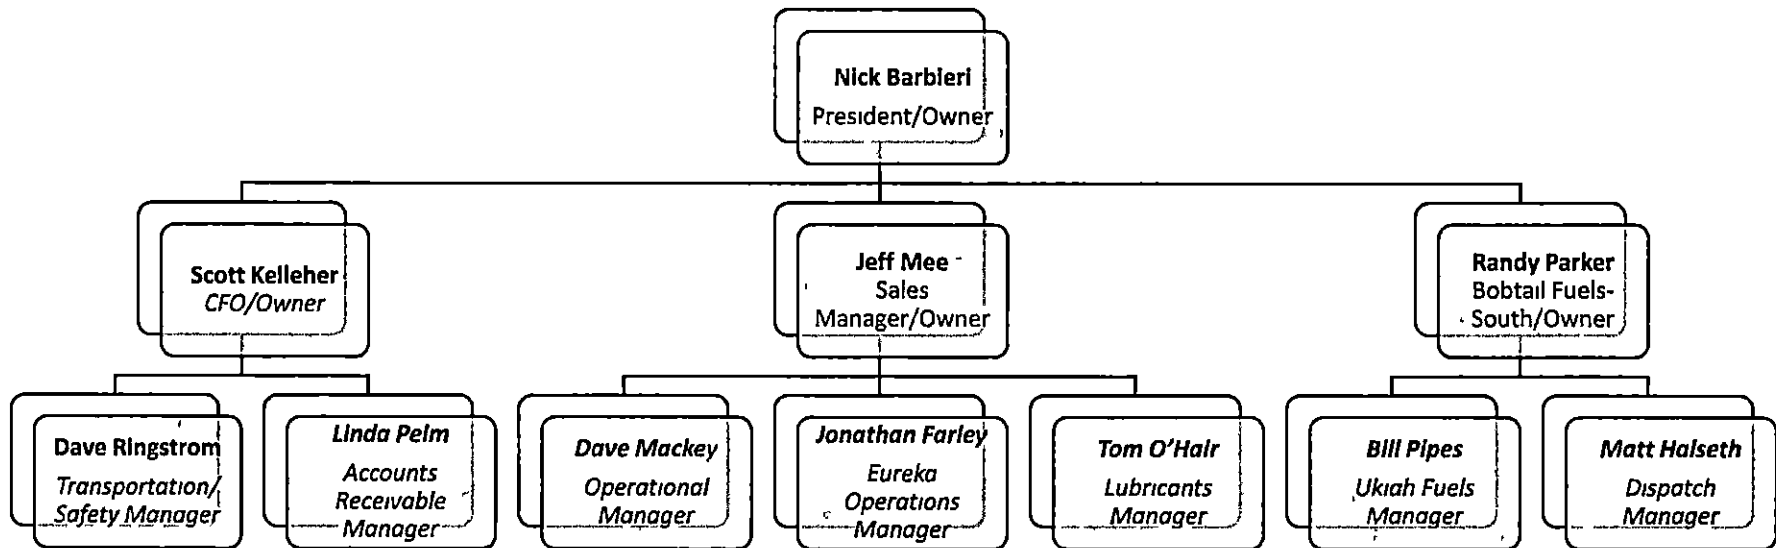

petroleum business, it's all he knows. He's been happily married to his wife Caroline for the past 20 years. He has two adult sons, both successful in their own careers.

All drivers possess a Class A or B license, depending upon type of vehicle driven. Additionally, all fuel drivers have Hazardous Materials Endorsement, Tanker Endorsement, TWIC card (Coast Guard Credential), and TSA Clearance for transporting Hazardous Materials (from the Department of Homeland Security). Drivers also have completed Department of Transportation Hazardous Materials Training as well as the Department of Transportation Security Awareness Training. All fuel drivers have refinery specific safety training conducted by the refinery, notably Chevron, for the primary pull in Humboldt County. However, our drivers are also capable of pulling fuel out of the San Francisco Bay area refineries including Tesoro, Valero, Kinder Morgan, Chevron, Phillips 66 and Selby. Also, our drivers are certified to pull fuel out of Kinder Morgan at the Sacramento and Chico locations. All fuel drivers have hands on training, at minimum 4 weeks up to 10 weeks, as necessary based on individual's learning and retention capabilities. All drivers are also enrolled in random drug testing, as well as the Department of Motor Vehicles Pull Notice program. All drivers are aware that all tanks they fill must be compliant with all applicable local, state and federal laws, regulations, standards and permits.

Lubricants are not considered to be a Hazardous Material by the Department of Transportation, thus, the laws pertaining to these drivers are less stringent. Our Lubes Only drivers do not meet the same qualifications as a Hazardous Materials driver, but we do have our Lubes Only drivers in progression to become Hazardous Materials drivers, so they do share many of the same qualifications even though not required by law.

All drivers have been trained, and periodically reviewed in their knowledge of the Department of Transportation's requirements regarding the compliance of their vehicle, the pre-trip and post-trip requirements, reporting requirements, and cooperation with state and local authorities regarding the inspection of their vehicle while on road.

Redwood Coast Fuels

5.0 Quality Assurance Capabilities

Redwood Coast Fuels will provide a "Keep Full" service on all tanks, which entails tanks being filled weekly or as needed. Drivers keep a route card on all tanks that record each tank's usage per week. Redwood Coast Fuels will be the sole provider of all petroleum products delivered to Humboldt County; we will not use a subcontractor. Redwood Coast Fuels requests a minimum of an eight-hour notice on call-in orders, particularly if there are special circumstances where we need to add a location or make special trips, so that we have time to accommodate the request. Your current locations are within our normal service areas, so timely deliveries will not be a problem, as we are already in the area. If there were any kind of any natural disaster in Humboldt County, we have availability at fuel terminals in Richmond, Sacramento, and Chico, providing us a solid supply source. We also have 100,000 gallons of storage in Ukiah that can be called into use, as well as another 50,000 gallons of storage in Santa Rosa. We have a tanker truck stationed in Corning, CA that can make deliveries fast and efficiently, if needed. With our fleet of 14 tankers and 18 bobtails, we are able to provide product in any kind of emergency. We have a 24-hour/7-day-a-week answering service that will notify the appropriate employees of the call. The first point of contact is Jonathan Farley, Eureka Manager, who may be reached at Cell (707) 616-8568, Office (707) 442-5823, Email Jonathan@Barbieritrucking.com

You may also contact Jeff Mee, who may be reached at Cell (707) 272-0781, Office (707) 463-3100; Home (707) 463-2170; Email Jeff@Barbieritrucking.com

24-hour answering service (707) 463-3100

On the petroleum side of our business, we would have weekly customer service representatives stop by each of your shop locations to take orders and/or check tanks. For any on-maned locations that have cell service, we could provide a tank monitoring system that would show a gallons hourly.

6.0 Cost Proposal

Fuel price will use the daily report **OPIS Wholesale Racks With CAR**, specifically the **Eureka OPIS RACK AVG**, plus a differential for each Humboldt County location. In the event fuel is unavailable at the Eureka terminal, we will pull out of the San Francisco Bay, using the same daily report, and specifically the San Francisco OPIS RACK AVG, with an added differential for the freight cost difference from Richmond to Eureka, which is \$0.1260 for Gasoline, and \$0.1442 for Diesel, plus fuel surcharge, as dictated from the **US Energy Information Administration, Gasoline and Diesel Fuel Update**, specifically the **US On-Highway Diesel Fuel Prices for California**, which can be found at: <http://www.eia.gov/petroleum/gasdiesel/>.

Taxes listed are based on current tax rates, however, the Internal Revenue Service, the California Board Of Equalization, and the California Air Resources Board periodically adjust tax rates which will be reflected on our invoice. Every effort will be made to adequately notify the County of Humboldt to any tax change in a timely manner. Current Taxes are as follows:

	Gasoline	Diesel
Federal Oil Spill	.00214	.00214
CARBOB	.00367	.00302
Federal Excise Tax (exempt)	.18300	.24300
State Excise Tax	.27800	.16000
LUST	.00100	.00100
Sales Tax (State)	2.25%	7.25%
Sales Tax (Humboldt County)	0.5%	0.5%
Sales Tax (Eureka City Limits)	0.75%	0.75%

Because sales taxes are percentages, it is not possible to accurately provide a “total tax” as asked for in Attachment A, as the fuel price fluctuates, so will the percentage tax. For these purposes, we will use \$1.75 per Gallon for Gasoline, and \$2.00 per Gallon for Diesel. Additionally, in the RFP, 7.7.B.2 it states to only include “applicable taxes, with sales tax shown separately.” There is no column provided to show the sales tax separately, so I put the sales tax rate adjacent to the Total Column, the actual tax adjacent to that, and then totaled at the bottom of that column.

In any event the County would need our services on an hourly rate it would be \$90.00 per hour.

Fuel pricing changes daily, lubricants, aka petroleum products change with the market. Redwood Coast Fuels petroleum prices have accounted for the March 2017 increase in

finished lubricants and will hold lubricants pricing for 180 days or until the next increase in the market. In the case of a petroleum products increase Redwood Coast Fuels would provide the County with a written letter from our lubricants supply stating the increase and the effective date. On the petroleum products, we are quoting re refined oils as well as the SN and CK-4 specifications on diesel and gasoline engine oils. Re refined oils do have a tax decrease.

ATTACHMENT B - LOCATION, SERVICE AND PRICE LIST - PETROLEUM PRODUCTS

REVISED
5-17-17

Products shall meet or exceed the current 2017 California Air Resource Board (CARB) regulations and, at minimum, match the minimum, match the specification as listed below throughout the contract period

The volumes are annual purchase estimates and are not to construed as a commitment to purchase

County prefers to receive re-refined products, pricing for virgin items are considered the back-up products in the event that re-refined is not available. Therefore the estimated volume is listed for the re-refined product and pricing will be evaluated by this product Please move quantity and list price for virgin when refined is not available or is a contingent product

Proposers shall complete and include this ATTACHMENT B as part of your proposal

All or part of listed items below are stocked at all County locations with the exception of the mobile rock crusher Contractor shall work with County to develop stock items and amounts required per location.

Price all items in GALLON unit of measure except the two items listed as pound unit of measure

Price quotes shall exclude taxes. Include applicable fees which may consist of drum fee, environmental fee, etc.

Provide a schedule of fees at the bottom of this pricing schedule Pricing formula is in this spreadsheet see example below in red on how to calculate

Items within this ATTACHMENT B shall not be divided and will be awarded to one proposer

Policy No. US01BH161421104C09
Insurance Company: NATIONAL LIABILITY & FIRE INSURANCE COMPANY

Endorsement No.

Countersigned By

From the Nick Barbieri Trucking employee handbook

Drug and Alcohol Abuse

Nick Barbieri Trucking is concerned about the use of alcohol, illegal drugs, or controlled substances as it affects the workplace. Use of these substances, whether on or off the job can detract from an employee's work performance, efficiency, safety, and health, and therefore seriously impair the employee's value to NBT. In addition, the use or possession of these substances on the job constitutes a potential danger to the welfare and safety of other employees and exposes NBT to the risks of property loss or damage, or injury to other persons.

Furthermore, the use of prescription drugs and/or over-the-counter drugs also may affect an employee's job performance and may seriously impair the employee's value to NBT.

The following rules and standards of conduct apply to all employees either on NBT property or during the workday (including meals and rest periods). Behavior that violates NBT policy includes:

- Possession or use of an illegal or controlled substance, or being under the influence of an illegal or controlled substance while on the job,
- Driving a NBT vehicle while under the influence of alcohol, and
- Distribution, sale, or purchase of an illegal or controlled substance while on the job.

Violation of these rules and standards of conduct will not be tolerated. Nick Barbieri Trucking also may bring the matter to the attention of appropriate law enforcement authorities.

In order to enforce this policy, Nick Barbieri Trucking reserves the right to conduct searches of NBT property or employees and/or their personal property, and to implement other measures necessary to deter and detect abuse of this policy.

An employee's conviction on a charge of illegal sale or possession of any controlled substance while off NBT property will not be tolerated because such conduct, even though off duty, reflects adversely on Nick Barbieri Trucking. In addition, NBT must keep people who sell or possess controlled substances off NBT premises in order to keep the controlled substances themselves off the premises.

Any employee who is using prescription or over-the-counter drugs that may impair the employee's ability to safely perform the job, or affect the safety or well-being of others, must notify a supervisor of such use immediately before starting or resuming work.

Nick Barbieri Trucking will encourage and reasonably accommodate employees with alcohol or drug dependencies to seek treatment and/or rehabilitation. Employees desiring such assistance should request a treatment or rehabilitation leave. NBT is not obligated, however, to continue to employ any person whose performance of essential job duties is impaired because of drug or alcohol use, nor is NBT obligated to re-employ any person who has participated in treatment and/or rehabilitation if that person's job performance remains impaired as a result of dependency. Additionally, employees who are given the opportunity to seek treatment and/or rehabilitation, but fail to successfully overcome their dependency or problem, will not automatically be given a second opportunity to seek treatment and/or rehabilitation. This policy on treatment and rehabilitation is not intended to affect NBT's treatment of employees who violate the regulations described previously. Rather, rehabilitation is an option for an employee who acknowledges a chemical dependency and voluntarily seeks treatment to end that dependency.

California Environmental Protection Agency
Air Resources Board

Certificate of Reported Compliance
Truck and Bus Regulation
Issued to:

Nick Barbieri Trucking, Inc.
Motor Carrier: CA 52624 USDOT 96 987
52 Vehicles Reported

This certificate confirms that the fleet owner has attested under penalty of perjury that the statements and information they provided to the Air Resources Board (ARB) are true, accurate, and complete regarding all relevant vehicles in the fleet required to show compliance. ARB hereby finds that the fleet listed above has reported compliance with title 13, California Code of Regulations, section 2025 of the Truck and Bus Regulation. If ARB subsequently finds that the statements and information that have been provided are not true, accurate, and complete, this certificate shall be effectively revoked and the fleet subject to noncompliance penalties.

This certificate is valid until **December 31, 2017**

USDOT Number 967857
CT Number 13239
Cargo Tank PIN 0F21HW9Y

REDWOOD COAST FUELS
c/o GAYDEN HALL
50 W LAKE MENDOCINO DR
UKIAH, CA 95482

Dear Sir

Your registration statement to engage in the manufacture, assembly, inspection and testing, certification or repair of a cargo tank or a cargo tank motor vehicle manufactured in accordance with a USDOT specification under subchapter C of 49 C F R. or under the terms of an exemption issued under 49 C F R 107 502(b) has been accepted Your USDOT Number, CT (Cargo Tank) Number and Cargo Tank PIN (personal identification Number) can be found in the upper right-hand corner of this letter Although you will be issued only one USDOT Number, you will be issued a separate CT Number and separate Cargo Tank PIN for each cargo tank facility you have identified.

Based on the information provided in your registration statement the facility located at 50 W LAKE MENDOCINO DR, UKIAH, CA 95482 with CT Number 13239 is registered with the Department to perform the following functions on the following cargo tanks

Function	Exemption	Cargo Tank Specification
EXTERNAL VISUAL INSPECTION		MC331, DOT406
INTERNAL VISUAL INSPECTION		MC331, DOT406
LEAKAGE TEST		MC331, DOT406
PRESSURE TEST		MC331, DOT406
LINING INSPECTION		MC331, DOT406
ASSEMBLY		MC331, DOT406
REPAIR (NON-ASME)		MC331, DOT406

You are required to update your Cargo Tank registration statement every six years, within thirty days of the re-issuance of an American Society of Mechanical Engineers (ASME) or National Board of Boiler and Pressure Vessel Inspectors (NBBI) Certificate of Authorization, whichever occurs first, or any change in the registration information submitted under 49 C F R 107.503 including the replacement of the person responsible for compliance with the requirements of 49 C.F.R. 107.503(a)(3). Your registration statement must be updated if any of the following events occur Loss or re-issuance of ASME or NBBI Certificate of Authorization; A change in function such as, from assembly to manufacture; An addition of a function, or a change to the types of inspections, tests or certifications of cargo tanks or cargo tank motor vehicles

You can update your CT (Cargo Tank) registration statement in one of two ways

1. Internet online updating process.

Update electronically on the FMCSA Registration Website at [http://safer.fmcsa dot gov](http://safer.fmcsa.dot.gov)
You will need your CT Number, Cargo Tank PIN and a valid credit card to file online
The processing of your credit card will simply serve to provide the cardholder's digital signature as a proactive measure to ensure greater security in maintaining your company's information There will be no charge assessed to your credit card This option is not available for companies domiciled in Mexico

Your PIN is your personal identifier and should not be shared with anyone

2. Paper copy updating process

Send a registration statement containing the information required by 49 C F R 107.503 of the regulations to USDOT/FMCSA IT Operations Division, MC-RIO, Cargo Tank Group, 1200 New Jersey Ave., S E , Washington, DC 20590 Due to the high volume of motor carriers filing paper copies, we strongly encourage you to update your CT registration

FOR REGISTRATION YEAR(S) 2016-2017**

Registrant: NICK BARBIERI TRUCKING
Attn: DAVID RINGSTROM
50 W LAKE MENDOCINO DR
UKIAH, CA 95482

This certifies that the registrant is registered with the U.S. Department of Transportation as required by 49 CFR Part 107, Subpart G.

This certificate is issued under the authority of 49 U.S.C. 5108. It is unlawful to alter or falsify this document.

Reg. No: 060216 552 025Y Effective: 07/01/2016 Expires: 06/30/2017

HM Company ID: 062278

Record Keeping Requirements for the Registration Program

The following must be maintained at the principal place of business for a period of three years from the date of issuance of this Certificate of Registration.

- (1) A copy of the registration statement filed with PHMSA; and
- (2) This Certificate of Registration

Each person subject to the registration requirement must furnish that person's Certificate of Registration (or a copy) and all other records and information pertaining to the information contained in the registration statement to an authorized representative or special agent of the U. S. Department of Transportation upon request.

Each motor carrier (private or for-hire) and each vessel operator subject to the registration requirement must keep a copy of the current Certificate of Registration or another document bearing the registration number identified as the "U S DOT Hazmat Reg. No " in each truck and truck tractor or vessel (trailers and semi-trailers not included) used to transport hazardous materials subject to the registration requirement. The Certificate of Registration or document bearing the registration number must be made available, upon request, to enforcement personnel.

For information, contact the Hazardous Materials Registration Manager, PHH-52, Pipeline and Hazardous Materials Safety Administration, U S Department of Transportation, 1200 New Jersey Avenue, SE, Washington, DC 20590, telephone (202) 366-4109

STATE OF CALIFORNIA
 DEPARTMENT OF CALIFORNIA HIGHWAY PATROL
REQUEST FOR OWNER'S RESPONSIBILITY
 CHP 279 (Rev. 9-07) OPI,062

Completion and presentation of this form is an indication that you desire the company to be charged under "owner's responsibility" for certain violations of the California Vehicle Code.

The California Highway Patrol does not maintain a centralized owner's responsibility database. Therefore, it will be necessary to complete the CHP 279 form in its entirety and place several copies of the completed form in each of your vehicles that you desire to be considered under owner's responsibility. Upon contact by CHP enforcement personnel, your drivers should be instructed to present the form to the officer. If a citation is to be issued, the officer may retain a copy of the CHP 279 form and attach it to the citation for court purposes.

The CHP 279 should be renewed annually at the beginning of the calendar year, or immediately if the responsible person has terminated employment or moved to another position.

10 0 Exceptions, Objections and Requested Changes

In 3 1, Paragraph C of the original RFP, there is reference to Fuel Station Testing and Other Environmental Services. Fuel station testing and other environmental services is certainly not within the normal scope of business duties we perform, however, it most definitely is part of our business as we have 7 cardlocks and 3 bulk plants that we keep compliant with all federal, state, and local laws and regulations. We have contractors that specialize in these services, rely heavily on them for the expertise, and have never had a compliance issue. We have spoken with our contractors, they are more than willing to provide services for Humboldt County, but without visiting each site, it is not possible to determine the scope of monthly inspections and annual testing costs.

In 3.2, Paragraph B of the original RFP, there is reference to Environmental Testing. This is similar to the previous statement we have for 3 1, Paragraph C, we are certainly capable of managing these duties, but without a thorough inspection of each site, it is difficult to assign a cost to this item.

Government Code Sections 6250, *et seq.*, the “Public Records Act,” define a public record as any writing containing information relating to the conduct of public business. The Public Records Act provides that public records shall be disclosed upon written request, and that any citizen has a right to inspect any public record, unless the document is exempted from disclosure.

In signing this Proposal, I certify that this company has not, either directly or indirectly, entered into any agreement or participated in any collusion or otherwise taken any action in restraint of free competition, that no attempt has been made to induce any other person or company to submit, or not submit, a Proposal; that this Proposal has been independently arrived at without collusion with any other Proposer, competitor or potential competitor, that this Proposal has not been knowingly disclosed prior to the opening of Proposals to any other Proposer or competitor, that the above statement is accurate under penalty of perjury.

The undersigned is an authorized representative of the above named company and hereby agrees to all the terms, conditions, and specifications required by the County in this Request for Proposals and declares that the attached proposal and pricing are in conformity therewith.

Addendum # Addendum # Addendum # Addendum #

Attachment 2 – Cost Proposal

6 0 Cost Proposal

Fuel price will use the daily report **OPIS Wholesale Racks With CAR**, specifically the ***Eureka OPIS RACK AVG***, plus a differential for each Humboldt County location. In the event fuel is unavailable at the Eureka terminal, we will pull out of the San Francisco Bay, using the same daily report, and specifically the San Francisco OPIS RACK AVG, with an added differential for the freight cost difference from Richmond to Eureka, which is \$0.1260 for Gasoline, and \$0.1442 for Diesel, plus fuel surcharge, as dictated from the **US Energy Information Administration, Gasoline and Diesel Fuel Update**, specifically the ***US On-Highway Diesel Fuel Prices for California***, which can be found at: <http://www.eia.gov/petroleum/gasdiesel/>.

Taxes listed are based on current tax rates, however, the Internal Revenue Service, the California Board Of Equalization, and the California Air Resources Board periodically adjust tax rates which will be reflected on our invoice. Every effort will be made to adequately notify the County of Humboldt to any tax change in a timely manner. Current Taxes are as follows:

	Gasoline	Diesel
Federal Oil Spill	00214	00214
CARBOB	00367	00302
Federal Excise Tax (exempt)	.18300	24300
State Excise Tax	27800	.16000
LUST	00100	00100
Sales Tax (State)	2.25%	7.25%
Sales Tax (Humboldt County)	0.5%	0.5%
Sales Tax (Eureka City Limits)	0.75%	0.75%

Because sales taxes are percentages, it is not possible to accurately provide a "total tax" as asked for in Attachment A, as the fuel price fluctuates, so will the percentage tax. For these purposes, we will use \$1.75 per Gallon for Gasoline, and \$2.00 per Gallon for Diesel. Additionally, in the RFP, 7.7 B.2 it states to only include "applicable taxes, with sales tax shown separately." There is no column provided to show the sales tax separately, so I put the sales tax rate adjacent to the Total Column, the actual tax adjacent to that, and then totaled at the bottom of that column.

In any event the County would need our services on an hourly rate it would be \$90.00 per hour.

Fuel pricing changes daily, lubricants, aka petroleum products change with the market. Redwood Coast Fuels petroleum prices have accounted for the March 2017 increase in

finished lubricants and will hold lubricants pricing for 180 days or until the next increase in the market. In the case of a petroleum products increase, Redwood Coast Fuels would provide the County with a written letter from our lubricants supply stating the increase and the effective date. On the petroleum products, we are quoting re-refined oils as well as the SN and CK-4 specifications on diesel and gasoline engine oils. Re-refined oils do have a tax decrease.

Attachment 4 – Sample Documentation

Redwood Coast Fuels delivery documentation on petroleum products is a BOL, bill of lading, when the driver delivers and he receives a signature and leaves a copy. That BOL with the correct bulk gallons is then made into an invoice. Fuel deliveries the drives use a hand tag and writes in the correct gallons gets a signature leaves a copy and then it's made into an invoice.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**ADDITIONAL INSURED - DESIGNATED
PERSON OR ORGANIZATION**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

<p>Name Of Additional Person(s) Or Organization(s): COUNTY OF HUMBOLDT ATTN RISK MANAGEMENT 825 5TH ST RM 131 EUREKA CA 95501</p>	<p>DESCRIPTION OF INTEREST IF APPLICABLE: ANY COVERAGE PROVIDED BY THIS ENDORSEMENT APPLIES ONLY TO DELIVERY OF FUEL AND LUBRICANTS BY THE NAMED INSURED. ADDITIONAL INSUREDS ALSO INCLUDE: COUNTY OF HUMBOLDT, ITS AGENTS, OFFICERS, OFFICIALS, EMPLOYEES AND VOLUNTEERS.</p>
---	---

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. Section II - Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:
1. in the performance of your ongoing operations, or
 2. in connection with your premises owned by or rented to you.
- However:
1. The insurance afforded to such additional insured only applies to the extent permitted by law, and
 2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.
- B. With respect to the insurance afforded to the additional insureds, the following is added Section III - Limits Of Insurance:**
- If coverage provided to the additional insured required by a contract or agreement, the most it will pay on behalf of the additional insured is the amount of insurance
1. Required by the contract or agreement, or
 2. Available under the applicable Limits Insurance shown in the Declarations,
- whichever is less.
- This endorsement shall not increase the applicable Limits of insurance shown in the Declarations

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**PRIMARY AND NONCONTRIBUTORY -
OTHER INSURANCE CONDITION**

This endorsement modifies insurance provided under the following

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

The following is added to the Other Insurance Condition and supersedes any provision to the contrary:

Primary And Noncontributory Insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured under your policy provided that:

(1) The additional insured is a Named Insured under such other insurance; and

(2) You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

FEDERATED INSURANCE COMPANIES

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

PRIMARY AND NON-CONTRIBUTORY CLAUSE ENDORSEMENT

This endorsement modifies insurance provided under the following:

AUTO DEALERS COVERAGE FORM
BUSINESS AUTO COVERAGE PART

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

It is agreed that the insurance provided by any additional insured endorsement is primary when primary coverage is required in a written contract. We will not seek contribution from any insurer when insurance on a non-contributing basis is required in a written contract. For coverage to apply, the written contract must have been executed prior to the occurrence of "loss".

From the Nick Barbieri Trucking employee handbook

Drug and Alcohol Abuse

Nick Barbieri Trucking is concerned about the use of alcohol, illegal drugs, or controlled substances as it affects the workplace. Use of these substances, whether on or off the job can detract from an employee's work performance, efficiency, safety, and health, and therefore seriously impair the employee's value to NBT. In addition, the use or possession of these substances on the job constitutes a potential danger to the welfare and safety of other employees and exposes NBT to the risks of property loss or damage, or injury to other persons.

Furthermore, the use of prescription drugs and/or over-the-counter drugs also may affect an employee's job performance and may seriously impair the employee's value to NBT.

The following rules and standards of conduct apply to all employees either on NBT property or during the workday (including meals and rest periods). Behavior that violates NBT policy includes:

- Possession or use of an illegal or controlled substance, or being under the influence of an illegal or controlled substance while on the job;
- Driving a NBT vehicle while under the influence of alcohol; and
- Distribution, sale, or purchase of an illegal or controlled substance while on the job.

Violation of these rules and standards of conduct will not be tolerated. Nick Barbieri Trucking also may bring the matter to the attention of appropriate law enforcement authorities.

In order to enforce this policy, Nick Barbieri Trucking reserves the right to conduct searches of NBT property or employees and/or their personal property, and to implement other measures necessary to deter and detect abuse of this policy.

An employee's conviction on a charge of illegal sale or possession of any controlled substance while off NBT property will not be tolerated because such conduct, even though off duty, reflects adversely on Nick Barbieri Trucking. In addition, NBT must keep people who sell or possess controlled substances off NBT premises in order to keep the controlled substances themselves off the premises.

Any employee who is using prescription or over-the-counter drugs that may impair the employee's ability to safely perform the job, or affect the safety or well-being of others, must notify a supervisor of such use immediately before starting or resuming work.

Nick Barbieri Trucking will encourage and reasonably accommodate employees with alcohol or drug dependencies to seek treatment and/or rehabilitation. Employees desiring such assistance should request a treatment or rehabilitation leave. NBT is not obligated, however, to continue to employ any person whose performance of essential job duties is impaired because of drug or alcohol use, nor is NBT obligated to re-employ any person who has participated in treatment and/or rehabilitation if that person's job performance remains impaired as a result of dependency. Additionally, employees who are given the opportunity to seek treatment and/or rehabilitation, but fail to successfully overcome their dependency or problem, will not automatically be given a second opportunity to seek treatment and/or rehabilitation. This policy on treatment and rehabilitation is not intended to affect NBT's treatment of employees who violate the regulations described previously. Rather, rehabilitation is an option for an employee who acknowledges a chemical dependency and voluntarily seeks treatment to end that dependency.

California Environmental Protection Agency
Air Resources Board

Certificate of Reported Compliance
Truck and Bus Regulation
Issued to:

Nick Barbieri Trucking
Motor Carrier, CA 52624 USDOT 967857
52 Vehicles Reported

This certificate confirms that the fleet owner has attested under penalty of perjury that the statements and information they provided to the Air Resources Board (ARB) are true, accurate, and complete regarding all relevant vehicles in the fleet required to show compliance. ARB hereby finds that the fleet listed above has reported compliance with title 13, California Code of Regulations, section 2025 of the Truck and Bus Regulation. If ARB subsequently finds that the statements and information that have been provided are not true, accurate, and complete, this certificate shall be effectively revoked and the fleet subject to noncompliance penalties.

This certificate is valid until **December 31, 2017**

The original valid license must be kept at the licensee's place of business as indicated on the license and a legible copy must be carried in any vehicle or combination transporting hazardous materials and must be presented to any CHP officer upon request. This license is NON TRANSFERABLE and must be surrendered to the CHP upon demand or as required by law. A majority change in ownership or control of the licensed activity shall require a new license. This license may be renewed by submitting an application and appropriate fee to the CHP. Persons whose licenses have expired or are otherwise no longer valid must immediately cease the activity requiring a license. THERE IS NO GRACE PERIOD. For licensing information contact CHP, Commercial Vehicle Section at (916) 843-3400.

LICENSEE NAME AND PHYSICAL STATION ADDRESS (if different than below)

NICK BARBIERI TRUCKING, LLC
50 West Lake Mendocino Drive
UKIAH CA, US 95482

This carrier is on the special routing/safe stopping place mailing lists as indicated below:

- (HMX) Explosives subject to Division 14, California Vehicle Code (CVC).
- (HMPH) Poison Inhalation Hazard materials in bulk packages subject to Division 14.5, CVC.
- (HMRGQ) Highway Route Controlled Quantity radioactive materials subject to Division 14.5, CVC.

LICENSEE NAME AND MAILING ADDRESS

Attention: David Ringstrom
NICK BARBIERI TRUCKING, LLC
50 West Lake Mendocino Drive
UKIAH CA, US 95482

Any person who dumps, spills, or causes the release of hazardous materials or hazardous waste upon any highway shall immediately notify the CHP or the agency having jurisdiction for that highway. The minimum fine for failure to make the appropriate notification is \$2,000.00 (CVC Section 23112.6)

CERTIFICATE OF REGISTRATION
FOR REGISTRATION YEAR(S) 2016-2017**

Registrant: NICK BARBIERI TRUCKING
Attn DAVID RINGSTROM
50 W LAKE MENDOCINO DR
UKIAH, CA 95482

This certifies that the registrant is registered with the U S Department of Transportation as required by 49 CFR Part 107, Subpart G.

This certificate is issued under the authority of 49 U.S.C. 5108. It is unlawful to alter or falsify this document.

Reg. No: 060216 552 025Y Effective: 07/01/2016 Expires: 06/30/2017

HM Company ID: 062278

Record Keeping Requirements for the Registration Program

The following must be maintained at the principal place of business for a period of three years from the date of issuance of this Certificate of Registration

- (1) A copy of the registration statement filed with PHMSA; and
- (2) This Certificate of Registration

Each person subject to the registration requirement must furnish that person's Certificate of Registration (or a copy) and all other records and information pertaining to the information contained in the registration statement to an authorized representative or special agent of the U S Department of Transportation upon request.

Each motor carrier (private or for-hire) and each vessel operator subject to the registration requirement must keep a copy of the current Certificate of Registration or another document bearing the registration number identified as the "U S DOT Hazmat Reg. No " in each truck and truck tractor or vessel (trailers and semi-trailers not included) used to transport hazardous materials subject to the registration requirement. The Certificate of Registration or document bearing the registration number must be made available, upon request, to enforcement personnel

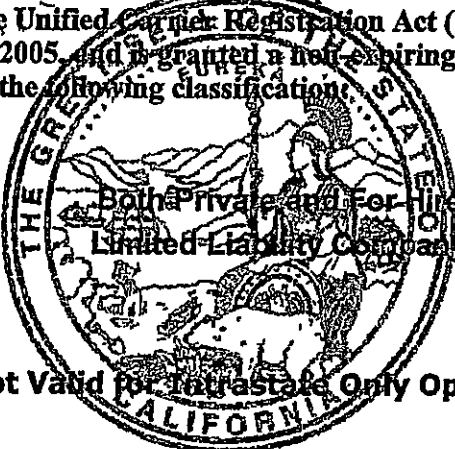

For information, contact the Hazardous Materials Registration Manager, PHH-52, Pipeline and Hazardous Materials Safety Administration, U S Department of Transportation, 1200 New Jersey Avenue, SE, Washington, DC 20590, telephone (202) 366-4109.

 DEPARTMENT OF MOTOR VEHICLES A Public Service Agency		NON-EXPIRING MOTOR CARRIER PERMIT Combined Carrier			
 DEPARTMENT OF MOTOR VEHICLES Motor Carrier Services Branch P.O. BOX 932370 Sacramento, CA. 94232-3700 NICK BARBIERI TRUCKING LLC 50 W LAKE MENDOCINO DR UKIAH, CA 95482		Valid From:	06/12/2012	Valid Through:	Non-Expiring
		CA#:	0243134		
		The carrier named on this permit is subject to the Unified Carrier Registration Act (UCRA) of 2005, and is granted a non-expiring permit of the following classification:  Both Private and For-Hire Limited Liability Company Not Valid for Intrastate Only Operations			
Pmt Date	N/A	Office #	154		
Account #:	382213	Tech ID.	##		
Sequence #	#NNN	Amt Paid	No Fee		

!!!IMPORTANT REMINDERS!!!

- 1 This non-expiring Motor Carrier Permit (MCP) will remain valid as long as you continue to conduct interstate operations. The Unified Carrier Registration Act (UCRA) of 2005 exempts combined carriers (carriers who operate both intra and interstate) from MCP requirements.
- 2 Federal Motor Carrier Safety Administration insurance requirements must be maintained.
- 3 If you commence intrastate only operations, you must renew your MCP.

STATE OF CALIFORNIA
 DEPARTMENT OF CALIFORNIA HIGHWAY PATROL
REQUEST FOR OWNER'S RESPONSIBILITY
 CHP 279 (Rev. 9-07) OPI 062

Completion and presentation of this form is an indication that you desire the company to be charged under "owner's responsibility" for certain violations of the California Vehicle Code.

The California Highway Patrol does not maintain a centralized owner's responsibility database. Therefore, it will be necessary to complete the CHP 279 form in its entirety and place several copies of the completed form in each of your vehicles that you desire to be considered under owner's responsibility. Upon contact by CHP enforcement personnel, your drivers should be instructed to present the form to the officer. If a citation is to be issued, the officer may retain a copy of the CHP 279 form and attach it to the citation for court purposes.

The CHP 279 should be renewed annually at the beginning of the calendar year, or immediately, if the responsible person has terminated employment or moved to another position.

Randy Parker
2733 Canterbury Dr
Santa Rosa, CA 95405
(707) 391-1040

Born into the industry, I've been involved in the fuel distribution business for over fifty years. I started my career working in my dad's business, R H. Parker, until he sold the business to G H Ayers in 1976. In 1984, Ayers sold to Redwood Oil Company where I worked for the next 26 years. I had never quit a job in my life until I left Redwood in 2011 to partner with Nick Barbieri to form North Bay Petroleum, now a division of Nick Barbieri Trucking, LLC.

Work Experience.

2011 – 2017 Member, Nick Barbieri Trucking, LLC, dba North Bay Petroleum, Santa Rosa, CA

- Responsible for day to day management of Santa Rosa Bobtail Fuel Division
- Participate in Sonoma and Marin Counties sales effort
- Manage customer relationships
- Manage a staff of seven drivers

1984 - 2010 Bobtail Fuels Manager, Redwood Oil Company, Santa Rosa, CA

- Responsible for Bobtail sales effort in Sonoma and Marin Counties
- Managed staff of five drivers
- Managed long-term customer relationships
- Developed Cardlock Fuel business

1976 - 1984 Bobtail Fuel Driver/Manager, G H Ayers, Santa Rosa, CA

- Responsible to fuel delivery to multiple customer locations
- Managed day to day plant operations
- Ordered daily fuel deliveries into plant and balanced inventory

1966 – 1976 Bobtail Fuel Driver, R H Parker, Santa Rosa, CA

- Responsible for fuel delivery to wide and varied customer base
- Received inbound lubricant inventory
- Delivered finished lubricants throughout Sonoma County

Education High School Diploma, Montgomery High School, 1969
Some College, Santa Rosa JC

Nicholas A Barbieri

3600 Orr Springs Road
Ukiah, CA 95482

Work History

2014-2017 **Manager of LLC/Owner, Nick Barbieri Trucking, LLC, Ukiah, CA**

Nick Barbieri Trucking purchased Royal Petroleum in 2014, brought on three new members of the LLC, this purchase allowed for expanded operations in the Sonoma County marketplace, creating the largest lubes/fuel marketer in Sonoma County

2013-2017 **Owner, Nick Barbieri Trucking, dba North Coast Wine Transport, Healdsburg**

Purchase of North Coast Wine Transport Opportunity for transport drivers in both Propane and Fuels to keep working during their respective off seasons

2012-2017 **Owner, Nick Barbieri Trucking, Redwood Coast Fuels, Eureka, CA**

Opened a branch to compete in the Humboldt County market Delivering Fuels, Lubricants and Propane

2011-2017 **Owner, Nick Barbieri Trucking, dba North Bay Petroleum, Santa Rosa, CA**

Opened in the Santa Rosa market delivering bobtail fuels and lubricants

2008-2014 **Owner, Nick Barbieri Trucking, dba Redwood Coast Fuels, Ukiah, CA**

Purchased the Ukiah Branch of Redwood Coast Petroleum, renamed it to be Redwood Coast Fuels Began to quickly gain market share in fuels, lubricants and propane

1994-2017 **Owner, Nick Barbieri Trucking, Ukiah, CA**

Founded Nick Barbieri Trucking with one truck and one trailer Over the next 23 years, Nick would expand this business to multiple dba's, four separate plants, approximately 25 transports, 30 trailers, 35 bobtails, approximately 100 employees, servicing the majority of Northern California in one fashion or another

1985-1994 **Redwood Oil Company, Santa Rosa, CA**

This would be the beginning of the story, working for his father, Nick would sweep floors, fill pails and drums, change tires, perform oil changes, deliver locally He learned the business from his father with Redwood Oil, at one time, Redwood Oil was one of the largest companies of its kind in the United States
