**RE: PROPOSED VACATION OF A PORTION OF KNOX COVE DRIVE (County Road No. 3M060) LOCATED AT THE EAST END OF KNOX COVE DRIVE AND THE INTERSECTION OF KELLY AVENUE IN MCKINLEYVILLE**

The Department of Public Works is preparing documents for the proposed vacation on a portion of Knox Cove Drive (County Road No. 3M060) in McKinleyville at the intersection of Kelly Avenue and Knox Cove Drive between APN 510-371-036 and APN 510-371-057. The dedicated easement portion of Knox Cove Drive was not built. The original intent was to connect Knox Cove Drive to Bolier Avenue; however, that is no longer a possibility. The adjacent parcel (APN 510-371-055) needed to connect Knox Cove Drive to Bolier Avenue has been developed. The easement to be vacated is shown on the attached "Exhibit A".

Please review the attached map and advise the Department if Arcata Fire District/McKinleyville Station has any facilities that would be affected by the proposed vacation. Please note that there are existing overhead utility lines in the area of the proposed vacation.

- If Arcata Fire District/McKinleyville Station has facilities that need a public utility easement to be reserved, please advise me of location and the width of the easement necessary. I will then have the easement prepared. I will then follow up with you to ensure that the proposed public utility easement will be acceptable to you.
- If Arcata Fire District/McKinleyville Station has *no facilities* that would be affected by the proposed vacation then please execute the acknowledgment above indicating that Arcata Fire District/McKinleyville Station does not object to the proposed vacation. You may return the acknowledgement by mail to address below; by fax to 707.445.7388; or by e-mail to [cshanahan@co.humboldt.ca.us](mailto:cshanahan@co.humboldt.ca.us).

If you need additional information or if you have any questions, please feel free to call me at 707-268-3774.

Sincerely,
