DISCUSSION:

The California Department of Public Health, designated in statute as the State Registrar, pursuant to Division 102 of the Health and Safety Code, is charged with the duties of registering, maintaining, indexing and issuing certified copies of all California birth, death, fetal death and marriage records. DHHS - Public Health's Vital Statistics program acts as the administrator for registering local home births and producing certified birth certificates for children ages 0-2 born in local hospitals. CDPH has utilized AVSS as their birth record registration database since 1981. Local hospitals enter birth information into AVSS when a child is born, and DHHS - Public Health enters home birth information into AVSS. Parents are directed to come to Public Health to obtain a certified copy of the birth certificate. The system is maintained by the UC Regents.

Prior to these agreements, both technical assistance and software licensing were provided through an invoice. The UC Regents began requiring agreements for these services in 2014. The contract system of the UC Regents does not allow these agreements to be combined into one, despite the low dollar value.

As part of the UC system that has administrative responsibility for a facility involved in nuclear research, the UC Regents are unable to include the Nuclear Free Humboldt Ordinance in any contract. Therefore, Public Health is requesting that the Board approve a waiver to exclude the language from both agreements.

The agreements also do not contain the county's standard jurisdiction and venue language as the UC Regents were not agreeable to any modifications to their agreements. The language within the agreements does not specify a county of venue, but does not preclude the venue from being Humboldt County.

FINANCIAL IMPACT:

Approval of the AVSS technical assistance agreement and software license agreement will allow Public Health to continue to provide the service of issuing birth certificates. These agreements will be in effect for one fiscal year (FY) beginning July 1, 2018. The total cost of both agreements before your Board today is \$1,525; \$625 for the technical services agreement, and \$900 for the software license agreement.

The cost for both agreements was anticipated and included in the proposed FY 2018-19 county budget in Fund 1175, budget unit 400 - Public Health Administration. Approval of these agreements will not impact the General Fund.

The agreements with the UC Regents support your Board's Strategic Framework by protecting vulnerable populations and creating opportunities for improved safety and health.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your Board could choose not to approve and execute the technical assistance agreement and software license agreement with the UC Regents. However this is not recommended as Public Health would no longer be able to provide the service of issuing birth certificates.

5.2 To the extent permitted by law, Licensee shall indemnify, defend with counsel acceptable to the University, and hold harmless the University and the developers of the Program, their successors, agents, officers, and employees against any and all claims, liability, cost, damage, deficiency, loss, or obligation, of any kind or nature (including, without limitation, reasonable attorney's fees and other costs and expenses of defense) to the extent arising out of the Licensee's use of the Program or other exercise of its rights under this Agreement. This provision shall survive termination of this Agreement.

6. DISCLAIMER OF WARRANTIES AND LIMITATION OF LIABILITY

6.1 The University represents and warrants that the University owns the Program and that the University has the right to grant the license provided herein. Except as provided in the foregoing express warranty, the University makes no warranties, either express or implied, as to any matter whatsoever including, but not limited to, the condition of the Program and warranties of merchantability or fitness for a particular purpose. 11.2 In the event that this Agreement is terminated pursuant to Article 9, and the Licensee has not yet paid the University for services that the University has provided, the Licensee shall pay the University for such services. The payment due from the Licensee will equal the sum obtained by multiplying the percentage of the then current term of this Agreement that has elapsed on the effective date of termination by the total dollar amount set forth in Article 10.1 of this Agreement and then subtracting from this total any amount that the Licensee has paid the University for said services. The Licensee shall remit such payment to the University within thirty (30) calendar days of the effective date of termination.

11.3 In the event that this Agreement is terminated pursuant to Article 9, and the Licensee has paid the University for services that the University has not yet provided, the University shall refund such payments. The refund due from the University will equal the sum obtained by multiplying the percentage of the then current term of this Agreement still remaining on the effective date of termination by the total dollar amount set forth in Article 10.1 of this Agreement. The University shall be required to refund this sum only to the extent that the University has actually received payment from the Licensee for services that the University has not yet provided. The University shall remit such payment to the Licensee within thirty (30) calendar days of the effective date of termination.

12. GOVERNING LAW, JURISDICTION, AND FORUM

12.1 This Agreement shall be governed by and interpreted in accordance with the laws of the State of California as applied to contracts made and performed in California but excluding any laws that might direct the application of the laws of any other jurisdiction.

12.2 Each party hereby consents to the jurisdiction of the courts in the state of California for the purpose of all actions arising under or in connection with this Agreement and each party hereby agrees that the courts of the state of California will be the exclusive forum for all such actions.

13.1 Should any provision of this Agreement be held unenforceable or in conflict with the laws of any jurisdiction, the validity of the remaining provisions shall not be affected by such a holding.

14. NON-WAIVER

14.1 Waiver or non-enforcement by either party of a term or condition of this Agreement shall not constitute a waiver or non-enforcement of any other term or condition or of any subsequent breach of the same or similar term or condition.

15. NO THIRD PARTY RIGHTS

15.1 Nothing in this Agreement is intended to make any person or entity who is not a signatory to this Agreement a third-party beneficiary of any right created by this Agreement or by operation of law.
