Dear Ms. Lamattina:

The Humboldt County Board of Supervisors recently learned that you will be leaving county employment to pursue an opportunity helping homeless and foster care students in the local school system.

On behalf of the Board, we would like to thank you for serving as Lead Youth Organizer for the Humboldt County Transition Age Youth Collaboration and for your contribution to the county's Behavioral Health Board. Your dedication to empowering young people to improve county systems has been greatly appreciated and the results will endure long after your tenure as a county employee.

We wish you success in your future endeavors.

Sincerely,

Ryan Sundberg, Chair
Humboldt County Board of Supervisors
