**STRATEGIC PLAN:**

This action supports the following areas of your Board's Strategic Plan.

Area of Focus: Safe & Healthy Communities

Strategic Plan Category: 1003 - Achieve community connectivity with bicycle/pedestrian trails

**DISCUSSION:**

On Oct. 5, 2021, the Board of Supervisors adopted Resolution No. 21-102, authorizing the County of Humboldt DHHS - Public Health Branch to apply for, and accept, funding made available through the State Department of Parks and Recreation's Outdoor Equity Grants Program.

The California Department of Parks and Recreation's Outdoor Equity Grant Agreement with DHHS - Public Health was executed on Jan. 12, 2023, for FYs 2021-22 through 2026-27. The purpose of the grant is to increase the ability of residents in underserved communities to participate in outdoor experiences at state parks and other public lands, with an emphasis on students eligible for free or reduced-price meals, foster youth and students of limited English proficiency.

DHHS - Public Health developed a work plan for the execution of the grant that prioritizes engaging with youth in the Eureka City

School system, while partnering with local non-profit businesses to collaboratively achieve grant deliverables. The Boys and Girls Club of the Redwoods (BGCR) is in a unique position where they can support the Outdoor Equity Grant goals because they are an organization that focuses on the same population of youth and has the staffing and access to transportation necessary to take youth on outdoor trips throughout Humboldt County. Without BGCR’s collaboration, DHHS-Public Health might not complete the total number of Outdoor Equity trips required by the grant deliverables due to reduced DHHS - Public Health staff availability for these trips.
