2. Dane Valadao Subdivision Extension
Assessor Parcel Numbers (APN) 510-381-021-000
Record No.: PLN-2026-19475
McKinleyville area

A two-year extension to a previously approved Major Subdivision, Conditional Use Permit, Design Review and Planned Development Permit (PLN-2021-17560) of an approximately 2.47-acre parcel into 17 parcels to be developed with a total of 58 residential units. The site will be served with community water and sewer provided by the McKinleyville Community Services District.

The Planning Commission adopted Resolution 26-020 which finds the Planning Commission has reviewed Board of Supervisors Resolution 24-14, which found the project not subject to environmental review pursuant to Section 15183 of State CEQA Guidelines. As no new changes to the project are proposed, further environmental review is unnecessary, and finds the proposed project complies with the General Plan and Zoning Ordinance; and approves the Subdivision Extension as recommended by staff, subject to the original conditions of approval (Attachment 1A).

Record No.: PLN-2026-19467
APN: 510-371-010
McKinleyville Area

A Parcel Map Subdivision of APN 510-371-010, a 2.01-acre (87,406 square feet gross) parcel, into four (4) parcels with sizes of 19,854 square feet net (0.46-acres), 10,755 square feet net (0.25-acres), 25,730 square feet net (0.59-acres) and 15,846 square feet net (0.36-acres). The project requires a Coastal Development Permit (CDP) for the subdivision as well as to allow in

total the construction of two primary residences, two accessory dwelling units (ADUs), and the conversion of an art studio into an ADU. A Special Permit (SP) is also requested to accommodate a Lot Size Modification below the minimum parcel size of 20,000 square feet pursuant to 313-99.1.1.2. Proposed parcels will be provided with gas and electric services by PG&E and MCSD for sewer and water. The subject property has access via Bolier Avenue, a privately maintained gravel road of variable width (14'-16' average) within a 40-foot-wide access easement. The site is located within the Alquist-Priolo Fault Hazard Zone and a Fault Evaluation has been prepared and approved for the project.

The Planning Commission adopted Resolution 26-021 which finds the Planning Commission has determined that the project is exempt from further environmental review pursuant to Section 15183 (Projects Consistent with a Community Plan or Zoning) of the State CEQA Guidelines, and as a Responsible Agency, agrees with the lead agency's findings; and makes all of the required findings for approval of the Pele Minor Subdivision, Coastal Development Permit and Special Permit; and approves the Pele Minor Subdivision, Coastal Development Permit and Special Permit as recommended by staff, and subject to the conditions of approval (Attachment 1A).

5. Westfall Agricultural Preserve General Plan Amendment and Zone Reclassification

Assessor Parcel Numbers: 311-041-034 and 311-041-036

Record Number: PLN-2025-19187

Elk River Area

A General Plan Amendment (GPA) and Zone Reclassification (ZR) on a 4.36-acre portion of the approximately 77-acre Westfall Agricultural Preserve property, to change the General Plan Land Use Designation from Residential Agriculture (RA10) to Residential Agriculture (RA4) and to change the zoning from Agriculture Exclusive (AE) to Agriculture General (AG-B-5(4)). The 4.36-acre proposed parcel is developed with an existing 1,200 square foot single-family residence and barn, which would be retained as housing stock and subsequently sold to a private buyer. The remaining approximately 73-acres would be dedicated to the Bureau of Land Management (BLM) to be added to public lands adjacent to the Headwaters Forest Reserve for conservation and public access purposes.

The Planning Commission adopted Resolution 26-022 which makes all of the required findings for approval based on evidence in the staff report and public testimony; and recommends the Board of Supervisors approve the General Plan Amendment and Zone Reclassification.

Aye: 5 - Commissioner Iver Skavdal, Commissioner Peggy O'Neill, Commissioner Sarah West, Commissioner Lorna McFarlane and Commissioner Todd Fulton
