ORDINANCE NO. 2523

THE BOARD OF SUPERVISORS OF THE COUNTY OF HUMBOLDT HEREBY ORDAINS AS FOLLOWS:

**SECTION 1. Section 313-55.1 of Chapter 3 of Division 1 of Title III is amended to read as follows:**

**313-55- MEDICAL MARIJUANA LAND USES: COASTAL**

55.1 Indoor Residential Cultivation of Medical Marijuana for Personal Use

55.1.1 Authority and Title

Pursuant to the authority granted by Article XI, section 7 of the California Constitution, California Government Code sections 65850, 25845, and 53069.4 and California Health and Safety Code sections 11362.83 and 11362.768(f), the Board of Supervisors does hereby enact this Code, which shall be known and may be cited as the "Medical Marijuana Land Use Code for Indoor Cultivation".

55.1.2 Purpose and Intent

The purpose and intent of the Medical Marijuana Land Use Code for Indoor Cultivation ("MMLUCIC" or "this Code") is to regulate the cultivation of medical marijuana for personal use in a residence or detached accessory building in a manner that is consistent with State law and which promotes the health, safety, comfort, convenience, and general welfare of the residents and businesses within the unincorporated area of Humboldt County by balancing three primary needs: the needs of patients and their caregivers to have access to medical marijuana; the needs of residents, businesses, and communities to be protected from public health, safety, and nuisance impacts that can accompany the residential cultivation and processing of medical marijuana for an individual patient's use; and the need to eliminate, or at least limit to the extent possible, the harmful environmental impacts that can accompany marijuana cultivation.

Despite the three needs identified above, nothing in this Code shall be construed to: allow persons to engage in conduct that endangers themselves or others, or causes a public nuisance as defined herein; allow the use or diversion of medical marijuana for non-medical purposes; or allow any activity relating to the cultivation, processing, distribution, or consumption of marijuana that is otherwise illegal under the laws of the State of California. This Code is not intended to criminalize any activity which is otherwise permitted under state law and it is not intended to authorize conduct that is otherwise prohibited by state law.

### 55.1.3 Applicability and Interpretation

55.1.3.1 The indoor cultivation and processing of medical marijuana for personal use in a residence or detached accessory building within the jurisdiction of the County of Humboldt shall be controlled by the provisions of this Code, regardless of whether the cultivation or processing existed or occurred prior to the adoption of this Code.

55.1.3.2 Nothing in this Code is intended, nor shall it be construed, to exempt any indoor residential cultivation of medical marijuana for personal use, from compliance with the Humboldt County zoning and land use regulations, or all applicable local and state construction, electrical, plumbing, land use, or any other building or land use standards or permitting requirements, or any other applicable provisions of the County Code, or compliance with the Coastal Act, or any other applicable state or federal laws.

55.1.3.3 Nothing in this Code is intended, nor shall it be construed, to preclude a landlord from limiting or prohibiting marijuana cultivation, smoking, or other related activities by tenants.

55.1.3.4 The definitions in this Code are intended to apply to the MMLUCIC. Applicable definitions in Humboldt County Code sections 313-136 et seq. and 111-1 et seq. may also apply to this Code.

### 55.1.4 Compliance with Other Laws.

No provision of this Section shall be constructed to authorize, legalize, allow, approve, or condone any activity that violates any provision of State or federal law or this Code. Nothing in this Section shall be construed to allow the use of marijuana for non-medical purposes, or allow any activity relating to the cultivation, distribution, or consumption of marijuana that is otherwise illegal under State or federal law. No provision of this Section may be deemed a defense or immunity to any action brought against any person by the Humboldt County District Attorney, the Attorney General of the State of California, or the Attorney General of the United States of America.

### 55.1.5 Severability

If any section, subsection, sentence, clause, portion, or phrase of this Code or the application thereof, is held invalid, illegal, or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of any other portions of this Code. The County hereby declares that it would have passed this Code and each section, subsection, sentence, clause, portion, or phrase hereof, regardless of the fact that any one or more section, subsection, sentence, clause or phrase has been declared illegal, invalid, or unconstitutional.

### 55.1.6 Penalties

All of the remedies provided for in this section shall be cumulative and not exclusive for violations of this Code.

Any violation of this Code shall be, and the same hereby is declared to be, unlawful and a public nuisance and shall be subject to injunction, abatement or any other remedy available to the County under the applicable state and county laws, including the County's medical marijuana abatement procedures as put forth in Section 313-55.2.

The County shall not interfere with a qualified patient's indoor residential cultivation of medical marijuana for that patient's personal use in the coastal zone, so long as the cultivation is in conformance with this Code and state law, including the California Coastal Act.

In order to eliminate the potential nuisance and health and safety impacts to the greatest extent possible, indoor residential medical marijuana cultivation and processing for personal use shall be in conformance with the following standards:

- 55.1.8.1 Medical marijuana cultivation in a residence shall not exceed fifty (50) square feet or exceed ten (10) feet in height per residence on a parcel; and

In no case shall a residence or a detached accessory building have a total of more than fifty (50) square feet or more than ten (10) feet in height of medical marijuana cultivation area per residence on the parcel, regardless of the number of qualified patients or primary caregivers residing at the residence or participating directly or indirectly in the cultivation; and

On parcels that contain only one residence, no odor of medical marijuana shall be detectable from the property boundaries by a person of ordinary senses. To achieve this, the medical marijuana cultivation area shall be, at a minimum, mechanically ventilated with a carbon filter or other superior method to prevent the odor of marijuana from escaping the indoor cultivation area and negatively impacting neighbors and the surrounding community. - 55.1.8.15 No effluent, including but not limited to waste products, chemical fertilizers or pesticides shall be discharged into drains, septic systems, community sewer systems, water systems or other drainage systems including those that lead to rivers, streams and bays as a result of indoor residential cultivation of medical marijuana; and
- 55.1.8.16 The indoor residential cultivation of medical marijuana shall not adversely affect the health or safety of residents, neighbors, or nearby businesses by creating dust, glare, heat, noise, noxious gasses, odor, smoke, traffic, vibration, or other impacts, or be hazardous due to use or storage of materials, processes, products or wastes associated with the cultivation of medical marijuana; and
- 55.1.8.17 The indoor residential cultivation of medical marijuana must comply with all applicable state and county laws, including fire and building codes.
- 55.1.8.18 A waterproof membrane or other waterproof barrier shall be installed in the cultivation area or beneath individual plants to protect the floor of the indoor cultivation area from water damage.
- 55.1.8.19 Outdoor cultivation, as described in Section 313-55.2, may not occur on any parcel in addition to the indoor cultivation provisions described herein.

Any such administrative review shall be commenced by filing a written request for a hearing with the Clerk of the Board of Supervisors within ten (10) calendar days after the date that said Notice and Order was served. The written request shall include a statement of all facts supporting the appeal. The time requirement for filing such a written request shall be deemed jurisdictional and may not be waived. In the absence of a timely filed written request that complies fully with the requirements of this Section, the findings of the Enforcing Officer contained in the Notice and Order shall become final and conclusive on the eleventh day following service of the Notice and Order.

55.2.8.4.2 Upon timely receipt of a written request for hearing which complies with the requirements of this Section, the Clerk of the Board of Supervisors shall set a hearing date not less than seven (7) days or more than thirty (30) days from the date the request was filed. The Clerk shall send written notice of the hearing date to the requesting party,

to any other parties upon whom the Notice and Order was served, and to the Enforcing Officer.

55.2.8.4.3 Any hearing conducted pursuant to this Section need not be conducted according to technical rules relating to evidence, witnesses and hearsay. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs regardless of the existence of any common law or statutory rule which might make improper the admission of the evidence over objection in civil actions. The Board of Supervisors has discretion to exclude evidence if its probative value is substantially outweighed by the probability that its admission will necessitate undue consumption of time.

55.2.8.4.4 The Board of Supervisors may continue the administrative hearing from time to time.

55.2.8.4.5 The Board of Supervisors shall consider the matter de novo, and may affirm, reverse, or modify the determinations contained in the Notice and Order. The Board of Supervisors shall issue a written decision in the form of a resolution, which shall include findings relating to the existence or nonexistence of the nuisance, as well as findings concerning the propriety and means of abatement of the nuisance conditions set forth in the Notice and Order. Such decision shall be mailed to the party requesting the hearing, any other parties upon whom the Notice and Order was served, and the Enforcing Officer.

55.2.8.4.6 The decision of the Board of Supervisors shall be final and conclusive on the date it is made.

#### 55.2.8.5 Liability for Costs.

55.2.8.5.1 In any enforcement action brought pursuant to this Section, whether by administrative or judicial proceedings, each person who causes, permits, suffers, or maintains the unlawful marijuana cultivation to exist shall be liable for all costs incurred by the County, including, but not limited to, administrative costs, and any and all costs incurred to undertake, or to cause or compel any responsible party to undertake, any abatement action in compliance with the requirements of this Section, whether those costs are incurred prior to, during, or following enactment of this Section.

55.2.8.5.2 In any action by the Enforcing Officer to abate unlawful marijuana cultivation under this Section, whether by administrative proceedings or judicial proceedings, the prevailing party shall be entitled to a recovery of the reasonable attorney's fees incurred. Recovery of attorneys' fees under this Code shall be limited to those actions or proceedings in which the County elects, at the initiation of that action or proceeding, to seek recovery of its own attorney's fees. In no action, administrative proceeding, or special proceeding shall an award of attorneys' fees to a prevailing party exceed the amount of reasonable attorneys' fees incurred by the County in the action or proceeding.

55.2.8.6 Abatement by Owner or Occupant. Any owner or occupant may abate the unlawful marijuana cultivation or cause it to be abated at any time prior to commencement of abatement by the enforcing officer.

55.2.8.7 Enforcement. Whenever the Enforcing Officer becomes aware that an owner or occupant has failed to abate any unlawful marijuana cultivation within fourteen (14) days of the date of service of the Notice and Order, unless timely appealed, or of the date of the decision of the Board of Supervisors requiring such abatement, the Enforcing Officer may take one or more of the following actions:

55.2.8.7.1 Enter upon the property and abate the nuisance. The Enforcing Officer may apply to a court of competent jurisdiction for a warrant authorizing entry upon the property for purposes of undertaking the abatement work, if necessary; and/or

55.2.8.7.2 Request that the County Counsel commence a civil action to redress, enjoin, and abate the public nuisance.

55.2.8.8 Accounting. The Enforcing Officer shall keep an account of the cost of every abatement carried out and shall render a report in writing, itemized by parcel, to the Board of Supervisors showing the cost of abatement and the administrative costs for each parcel.

55.2.8.9 Notice of Hearing on Accounting; Waiver by Payment. Upon receipt of the account of the Enforcing Officer, the Clerk of the Board of Supervisors shall deposit a copy of the account pertaining to the property of each owner in the mail addressed to the owner and include therewith a notice informing the owner that, at a date and time not less than five (5) business days after the date of mailing of the notice, the Board of Supervisors will meet to review the account and that the owner may appear at said time and be heard. The owner may waive the hearing on the accounting by paying the cost of abatement and the cost of administration to the Enforcing Officer prior to the time set for the hearing by the Board of Supervisors. Unless otherwise expressly stated by the owner, payment of the cost of abatement and the cost of administration prior to said hearing shall be deemed a waiver of the right thereto and an admission that said accounting is accurate and reasonable.

55.2.8.10 Hearing on Accounting.

55.2.8.10.1 At the time fixed, the Board of Supervisors shall meet to review the report on the accounting by the Enforcing Officer. An owner may appear at said time and be heard on whether the accounting, so far as it pertains to the cost of abating a nuisance upon the land of the owner, is accurate and the amounts reported reasonable. The cost of administration shall also be reviewed.

55.2.8.10.2 The report and the accounting of the Enforcing Officer shall be admitted into evidence. The owner shall bear the burden of proving that the accounting is not accurate and reasonable.

55.2.8.10.3 Modifications. The Board of Supervisors shall make such modifications in the accounting as it deems necessary and thereafter shall confirm the report by resolution.

55.2.8.10.4 Special Assessment and Lien. The Board of Supervisors may order that the cost of abating nuisances pursuant to this Section and the administrative costs as confirmed by the Board be placed upon the County tax roll by the County Auditor as special assessments against the respective parcels of land, or placed on the unsecured roll, pursuant to section 25845 of the Government Code; provided, however, that the cost of

abatement and the cost of administration as finally determined shall not be placed on the tax roll if paid in full prior to entry of said costs on the tax roll. The Board of Supervisors may also cause notices of abatement lien to be recorded against the respective parcels of real property pursuant to section 25845 of the Government Code.

55.2.8.11 **Enforcement by Civil Action.** As an alternative to the procedures set forth in this Section the County may abate the violation of this Section by the prosecution of a civil action through the Office of the County Counsel, including an action for injunctive relief. The remedy of injunctive relief may take the form of a court order, enforceable through civil contempt proceedings, prohibiting the maintenance of the violation of this Section or requiring compliance with other terms.

55.2.8.12 **No Duty to Enforce.** Nothing in this Section shall be construed as imposing on the enforcing officer or the County of Humboldt any duty to issue an Notice and Order, nor to abate any unlawful marijuana cultivation, nor to take any other action with regard to any unlawful marijuana cultivation, and neither the enforcing officer nor the County of Humboldt shall be held liable for failure to issue an order to abate any unlawful marijuana cultivation, nor for failure to abate any unlawful marijuana cultivation, nor for failure to take any other action with regard to any unlawful marijuana cultivation.

55.2.8.13 **Remedies Cumulative.** All remedies provided for herein are cumulative and not exclusive, and are in addition to any other remedy or penalty provided by law. Nothing in this Section shall be deemed to authorize or permit any activity that violates any provision of state or federal law.

55.2.8.14 **Other Nuisance.** Nothing in this Section shall be construed as a limitation on the County's authority to abate any nuisance which may otherwise exist from the planting, growing, harvesting, drying, processing or storage of marijuana plants or any part thereof from any location, indoor or outdoor, including from within a fully enclosed and secure building.

#### 55.2.9 Best Practices

The following guidelines are advisory and represent "good neighbor" cultivation practice recommendations designed to insure compatibility with adjacent land uses, medicine safety, and responsible environmental stewardship.

55.2.9.1 **Low Odor Strains.** To alleviate the potential the potential for unwelcome odors escaping beyond the property and affecting neighboring residents during the flowering period, cultivation of low odor strains is recommended.

55.2.9.2 **Greenhouses.** If cultivating within a greenhouse, invest in a permanent greenhouse with a poured concrete or similar foundation, walls and roof made using tempered glass or other similarly durable solid material, and a filtration system to minimize odors.

55.2.9.3 **Water Supply.** To reduce potential impacts on neighboring rivers and streams and the fish and wildlife that depend on these ecosystems, cultivating using water from a municipal source or rain catchment system. If a private water system must be used, maintain sufficient

water storage capacity to satisfy or supplement watering needs during the driest months, July 15<sup>th</sup> through November 1<sup>st</sup>.

**55.2.9.4 Potential Toxics.** Avoid use of chemicals and other potentially harmful substances on or near medical marijuana or the area where medical marijuana is being cultivated. Grow, process, and store medical marijuana in as “organic” and safe a fashion as possible to reduce potential adverse effects during use by medical patients who are ill and may have compromised immune systems.

**55.2.9.5 Best Practices.** Review and consider implementing the recommendations contained in Best Management Practices –Northern California Farmer’s Guide.

**SECTION 3. Section 314-55.1 of Chapter 4 of Division 1 of Title III is amended to read as follows:**

**314-55 MEDICAL MARIJUANA LAND USES: INLAND**

**55.1 Indoor Residential Cultivation of Medical Marijuana for Personal Use**

**55.1.1 Authority and Title**

Pursuant to the authority granted by Article XI, section 7 of the California Constitution, California Government Code sections 65850, 25845, and 53069.4 and California Health and Safety Code sections 11362.83 and 11362.768(f), the Board of Supervisors does hereby enact this Code, which shall be known and may be cited as the “Medical Marijuana Land Use Code for Indoor Cultivation”.

**55.1.2 Purpose and Intent**

The purpose and intent of the Medical Marijuana Land Use Code for Indoor Cultivation (“MMLUCIC” or “this Code”) is to regulate the cultivation of medical marijuana for personal use in a residence or detached accessory building in a manner that is consistent with State law and which promotes the health, safety, comfort, convenience, and general welfare of the residents and businesses within the unincorporated area of Humboldt County by balancing three primary needs: the needs of patients and their caregivers to have access to medical marijuana; the needs of residents, businesses, and communities to be protected from public health, safety, and nuisance impacts that can accompany the residential cultivation and processing of medical marijuana for an individual patient’s use; and the need to eliminate, or at least limit to the extent possible, the harmful environmental impacts that can accompany marijuana cultivation.

Despite the three needs identified above, nothing in this Code shall be construed to: allow persons to engage in conduct that endangers themselves or others, or causes a public nuisance as defined herein; allow the use or diversion of medical marijuana for non-medical purposes; or allow any activity relating to the cultivation, processing, distribution, or consumption of marijuana that is otherwise illegal under the laws of the State of California. This Code is not intended to criminalize any activity which is otherwise permitted under state law and it is not intended to authorize conduct that is otherwise prohibited by state law.

Re: Notice of Request for Hearing to Appeal Determination  
Property Owner: Alex Poulos  
Property Situs: 31 Heather Court, Whitethorn (Shelter Cove), California;  
APN 109-251-009  
Our Client: Alex Poulos

Dear Clerk of the Board:

This office represents property owner Alex Poulos, with respect to the Corrected Notice and Order to Abate Unlawful Marijuana Cultivation, served July 9, 2015. Pursuant to the procedure described in Section 4, Section 314-55.2 of Chapter 4 of Division 1 of Title III of the Humboldt County Zoning Code, Subsection 55.2.8.4, property owner Alex Poulos requests a hearing for the purpose of appealing the determination by the Enforcing Officer that the conditions set forth in the Corrected Notice and Order to Abate Unlawful Marijuana Cultivation in the inland zone, dated July 9, 2015, constitutes a public nuisance, and, to show cause before the Board why those conditions should not be abated in accordance with the provisions of this Section.

Due to Mr. Poulos' availability and the availability of his counsel, and in accordance with Subsection 55.2.8.4.2, it is requested that the Clerk of the Board set this hearing for Tuesday, August 11, 2015, or continue the hearing to September 7, 2015, for the reasons set forth below:

**STATEMENT OF FACTS SUPPORTING APPEAL**

1. The ordinance in question is unlawful under the United States and the California constitutions in that it is a violation of the Equal Protection Clause. The Corrected Notice and Order to Abate is identified as based on Subsection 314-55.2.7.3 of the Humboldt County Zoning Code. Subsection 55.2.7.3 provides as follows:

"On lands within the Shelter Cove community served by the Resort Improvement District, outdoor cultivation of medical marijuana for personal use may only occur by a qualified patient who occupies a permitted residence located on the same property that is host to the cultivation activities. If the qualified patient is not the owner of

the property, the occupant must be a leaseholder or lawful occupant who has retained the authorized consent of the property owner, or their designated agent.”

Nowhere else in the restrictions imposed under the subject Medical Marijuana Land Use Zoning Ordinance are conditions imposed requiring an otherwise lawful medical marijuana cultivation to only occur on real property wherein a qualified patient ***occupies a permitted residence located thereon***, and if the qualified patient is not the owner of the property, the occupant must be a leaseholder or lawful occupant. Appellant contends that this distinction, requiring occupancy of a permitted residence on the lands used for otherwise lawful cultivation of medical marijuana is arbitrary and capricious, and is otherwise a violation of appellant’s constitutional rights under the Equal Protection Clause, Procedural Due Process and Substantive Due Process. The ordinance is unconstitutional on its face, and it unconstitutional as applied.

2. Appellant’s 2 year-old son suffers from serious health problems (Cartilage-hair hypoplasia, which is a disorder of bone growth and severe immune deficiency problems), requiring frequent treatment at the Duke University Medical Center located in the state of North Carolina. Appellant’s son is presently a candidate for a bone marrow transplant due to this condition. Appellant’s travel schedule is such that he requests a hearing on this appeal no earlier than Tuesday, August 11, 2015, or at a later date at the discretion of the Board (the Board has authority to continue the administrative hearing per section 55.2.8.4.4).
3. Appellant will voluntarily abate the alleged unlawful nuisance, in its entirety, on or before September 7, 2015. Given Appellant’s intention to seek a writ of mandamus, appealing any adverse decision on Appellant’s appeal before the Board to the Superior Court, it is submitted that the best interests of all parties, judicial economy, and the interests of justice will best be served by the Board continuing this administrative hearing, pursuant to its authority under section 55.2.8.4.4, until Tuesday, September 8, 2015, for the purpose of (1) confirmation that Appellant has fully abated the alleged nuisance; or (2) proceeding forward with Appellant’s hearing, in the manner provided in subsection 55.2.8.4.3-55.2.8.4.6, inclusive.

Respectfully, submitted,
