DISCUSSION:

The purpose of this Agreement is to strengthen the McKinleyville Community Collaborative (Family Resource Center (FRC) in order to meet the following three objectives:

1. Prepare the McKinleyville Community Collaborative (FRC) to partner with the county around decentralization of services and co-location of FRC and DHHS services;
2. Prepare the FRC to engage in regional planning and coordination of family strengthening services; and
3. Develop a stable infrastructure (board, staff, systems, and programs) to ensure the long term stability of family strengthening services provided by McKinleyville FRC to better serve the Northern region of Humboldt County.

In June 2012, county leaders and community partners came together to form a planning team for the McKinleyville Regional Service Center project now known as the Center at McKinleyville. The planning team has completed the exploration stage of the project and is now in the planning stage. The planning stage has included creating a project plan, and timeline, developing The Center at McKinleyville mission and vision, determining programs, services and DHHS staff to be collocated with Family Resource Center staff ensuring ongoing stakeholder communication and engagement.

Therefore, DHHS recommends that the Board approves the Agreement with McKinleyville Community Collaborative to enhance building administrative capacity for fiscal year 2015-16.

FINANCIAL IMPACT:

The expense associated with the McKinleyville Community Collaborative Agreement has been included in the proposed fiscal year 2015-16 Budget in the amount of One Hundred–Ten Thousand Dollars (\$110,000) in Fund 1160, Budget Unit 508. There no impact to the county General Fund.

Approving this Agreement will support the Board’s Strategic Framework by providing for and maintaining infrastructure and create opportunities for improved safety and health of our clients while supporting business and workforce development.

OTHER AGENCY INVOLVEMENT:

McKinleyville Municipal Advisory, McKinleyville Community Service District, and Cowell Foundation

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could choose not to approve the Agreement; however this alternative is not recommended because this demonstration project is essential in the development of decentralized services in close cooperation with the community it will serve. Lessons learned will be essential for the development of other decentralized Regional Service Centers in Eastern and Southern geographic locations in Humboldt County.
