Hello,

I submitted written comments today on the subject item on today's Agenda. I wanted to make a public comment at the meeting through Zoom, but it is now almost 8:30 p.m., and there is still one more item on the agenda. I'm sorry, it's just too late.

I'd like to suggest that item H, the Short-term Rental Ordinance, is too important to address at such a late time in the evening. I request that the Commission continue the meeting to another date at an earlier time.

Thank you very much for your consideration.
