DISCUSSION:

The Betty Kwan Chinn Homeless Foundation (BKCHF) provides emergency day shelter for homeless adults and children, transitional housing for adult residents who obtain work experience assisting with Day Center operations, and comprehensive support services for people who are homeless or at risk of homelessness. Services BKCHF administer include case management, housing search assistance, employment readiness training, life skills coaching, benefit enrollment assistance, after school and summer youth program to support safety and academic achievement, phones and computers for client use, and mail services. BKCHF has partnered with DHHS on CalFresh Outreach over the past 5 years by integrating CalFresh Outreach and application assistance into all BKCHF programs and client contacts. The mission of BKCHF is to honor all of humanity by providing direct responses to immediate needs and helping the destitute achieve the dignity needed to return to society as contributing members.

Individuals who are homeless face some of the most significant barriers to accessing and using public benefits. BKCHF focuses primarily on reaching individuals who are homeless or at great risk of homelessness and helping overcome barriers in understanding and obtaining benefits. In late 2016, the California Food Policy Advocates released its annual publication, *Lost Dollars, Empty Plates*. According to most recent data (Nov 2016) an estimated 12,691 individuals in Humboldt are eligible for CalFresh benefits but are not enrolled. This translates to approximately \$28,624,612 worth of CalFresh benefits going unclaimed.

With the execution of this agreement, The Betty Kwan Chinn Homeless Foundation will assist DHHS in increasing CalFresh utilization by eligible households and thereby promote a safe, healthy, economically vibrant community. Outreach and enrollment raises awareness of the nutrition benefits of the CalFresh program; promotes healthy food choices; reduces hunger in seniors and children; and helps to dispel program myths and misperceptions.

The California Department of Social Services (CDSS) administers all United States Department of Agriculture (USDA) Supplemental Nutrition Assistance Program (SNAP) funds. Focusing on the important role SNAP plays in access to nutrition and the relation of nutrition to overall wellness, CDSS renamed and re-branded food stamps as CalFresh in California. Beyond the name and image changes, CDSS also made significant program changes to increase CalFresh use by reducing enrollment and retention barriers. Many low-income individuals and families are not aware of and do not apply for CalFresh benefits, and many others are not aware of the program changes that could make it easier for them to receive and continue CalFresh benefits.

USDA and CDSS continue to encourage counties to work with community partners to help reach and inform community members who might be eligible for CalFresh benefits. Partnering with community based organizations is not only consistent with DHHSs general approach and strategic plan; it is key to DHHSs goal of providing integrated, place-based, and holistic services.

Program changes and the economic downturn have increased the number of Humboldt County residents now eligible for nutrition assistance. These factors, internal changes, and outreach partnerships with community-based organizations have led to a significant increase in CalFresh enrollment within the county and throughout the state and nation.

Therefore, DHHS recommends that the Board approves and authorizes the Chair to execute this Agreement and directs the Clerk of the Board to return two executed originals of the agreement to the DHHS-Social Services Administration.

Upon execution of this contract, the existing contract with term dates 04/1/17 to 03/31/18 will be terminated as the services will be part of this contract.

This Agreement has a start date of October 1, 2017 for continuity of services provided by The Betty Kwan Chinn Homeless Foundation. This comes late to the Board due to unexpected delays during final review process.

FINANCIAL IMPACT:

The costs associated with this agreement have been budgeted in the approved fiscal year 2017-18 budget in fund 1160, Budget Unit 511 in the amount of \$86,661.00 and the remainder of \$28,887.00 will be included in the 2018-2019 fiscal year county budget. There will be no impact to the County General Fund.

Approving this agreement supports the Boards Strategic Framework by creating opportunities for improved health and safety, and protecting vulnerable populations.

OTHER AGENCY INVOLVEMENT:

None.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board can choose not to approve the agreement for CalFresh Outreach and Support activities with The Betty Kwan Chinn Homeless Foundation. This is not recommended as the Department of Health and Human Services asserts this funding is important to the goal of increasing CalFresh participation and thereby improving the health and economic stability of children, families and other individuals in Humboldt County.

CONTRACTOR agrees to notify COUNTY immediately if it becomes a Nuclear Weapons Contractor as defined above. COUNTY may immediately terminate this Agreement if it determines that the foregoing certification is false or if CONTRACTOR subsequently becomes a Nuclear Weapons Contractor.

13. DRUG-FREE WORKPLACE:

By executing this Agreement, CONTRACTOR certifies that it will comply with the requirements of the Drug-Free Workplace Act of 1990 (California Government Code Sections 8350, et seq.) and will

 - 2. Agree to abide by the terms of CONTRACTOR's Drug-Free Policy as a condition of employment.
- D. Effect of Noncompliance. Failure to comply with the above-referenced requirements may result in suspension of payments under this Agreement and/or termination thereof, and CONTRACTOR may be ineligible for award of future contracts if COUNTY determines that the foregoing certification is false or if CONTRACTOR violates the certification by failing to carry out the above-referenced requirements.

14. INDEMNIFICATION:

- A. Hold Harmless, Defense and Indemnification. CONTRACTOR shall hold harmless, defend and indemnify COUNTY and its agents, officers, officials, employees and volunteers from and against any and all claims, demands, losses, damages, and liabilities of any kind or nature, including, without limitation, attorney fees and other costs of litigation, arising out of, or in connection with, CONTRACTOR's negligent performance of, or failure to comply with, any of the duties and/or obligations contained herein, except such loss or damage which was caused by the sole negligence or willful misconduct of COUNTY.
- B. Effect of Insurance. Acceptance of insurance, if required by this Agreement, does not relieve CONTRACTOR from liability under this provision. This provision shall apply to all claims for damages related to the services performed by CONTRACTOR pursuant to the terms and conditions of this Agreement regardless if any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided by CONTRACTOR hereunder.

15. INSURANCE REQUIREMENTS:

This Agreement shall not be executed by COUNTY, and CONTRACTOR is not entitled to any rights hereunder, unless certificates of insurance or other sufficient proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

A. General Insurance Requirements. Without limiting CONTRACTOR's indemnification obligations provided for herein, CONTRACTOR shall, and shall require that all subcontractors hereunder, take out and maintain, throughout the entire period of this Agreement, and any extended term thereof, the following policies of insurance, placed with insurers authorized to do business in the State of California with a current A.M. Best's rating of no less than A: VII or its equivalent against personal injury, death and property damage which may arise from, or in connection with, the activities of CONTRACTOR, its agents, officers, directors, employees, licensees, invitees, assignees or subcontractors:

1. Comprehensive or Commercial General Liability Insurance at least as broad as Insurance Services Office Commercial General Liability Coverage (occurrence form CG 0001), in an amount of Two Million Dollars (\$2,000,000.00) per occurrence for any one incident, including, but not limited to, personal injury, death and property damage. If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.
2. Automobile/Motor Liability Insurance with a limit of liability not less than One Million Dollars (\$1,000,000.00) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles. Said coverage shall be at least as broad as Insurance Service Offices Form Code 1 (any auto).
3. Workers' Compensation Insurance, as required by the Labor Code of the State of California, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY, its agents, officers, officials, employees and volunteers.

B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:

1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by or on behalf of CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY, its agents, officers, officials, employees and volunteers. Said policy shall also contain a provision stating that such coverage:
 - a. Includes contractual liability.
 - b. Does not contain exclusions as to loss or damage to property caused by explosion or resulting from collapse of buildings or structures or damage to property underground, commonly referred to as "XCU Hazards."

- c. Is the primary insurance with regard to COUNTY.
 - d. Does not contain a pro-rata, excess only and/or escape clause.

2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice provisions set forth herein. It is further understood that CONTRACTOR shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
 3. The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the insurer's liability.
 4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.
 5. Any failure to comply with the provisions of this Agreement, including breach of warranties, shall not affect coverage provided to COUNTY, its agents, officers, officials, employees and volunteers.
 6. CONTRACTOR shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by the Humboldt County Risk Manager or County Counsel. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY. If CONTRACTOR does not keep all required policies in full force and effect, COUNTY may, in addition to other remedies under this Agreement, take out the necessary insurance, and CONTRACTOR agrees to pay the cost thereof. COUNTY is also hereby authorized with the discretion to deduct the cost of said insurance from the monies owed to CONTRACTOR under this Agreement.
 7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CONTRACTOR shall be required to purchase additional coverage to meet the above-referenced aggregate limits.
- C. Insurance Notices. Any and all insurance notices required to be given pursuant to the terms of this Agreement shall be sent to the addresses set forth below in accordance with the notice provisions described herein.

In no event shall any payment by COUNTY constitute a waiver of any breach of this Agreement or any default which may then exist on the part of CONTRACTOR. Nor shall such payment impair or prejudice any remedy available to COUNTY with respect to any breach or default. CalFresh Outreach Guidelines for Fiscal Year 2017-18

Federal and State funding for CalFresh Outreach has created an opportunity for community-based organizations and the Humboldt County Department of Health & Human Services (DHHS) to partner in improving the health of our community. Funding is available again this year to community-based organizations for outreach, education and application assistance.

The overarching goal of the CalFresh program is to improve the health and well-being of families and individuals in Humboldt County. Reliable access to nutritious food is essential for overall health and is important in the prevention of chronic diseases. The objectives of the outreach program and this funding are to:

- increase awareness of and enrollment in CalFresh,
- reduce barriers to CalFresh enrollment and retention, and
- increase awareness and adoption of healthy food and life choices that improve wellness and prevent chronic disease.

There are still many potentially eligible residents who have not applied for CalFresh benefits and there are many CalFresh participants who do not maintain enrollment. DHHS is focused on increasing CalFresh enrollment and retention and is interested in partnering with community-based organizations willing to join the effort.

DHHS would like to partner with community-based organizations that can help with the following efforts.

- Support enrollment and retention processes with information, pre-screening, direct application and enrollment assistance, and retention assistance.
- Educate community members about CalFresh and program changes.
- Reduce barriers to enrollment, including stigma, fear, language/literacy, and others.
- Reach populations with low CalFresh Participation Rates (such as working families, seniors, persons in recovery, persons with limited literacy or ability to speak/read English, transitional aged foster youth, and the homeless).
- Link CalFresh to access to nutritious food and provide CalFresh-related nutrition information and guidance, including how to shop for and cook with nutritious foods on a budget.

DHHS will consider a partnership request at any time during the fiscal year and the activity time frames for requests do not have to fall completely within the fiscal year. Requests can span fiscal years.

Application assistance and direct enrollment support is DHHS's highest priority. Priority will be given to proposals that focus on application assistance, intake and enrollment support and retention support.

A complete partnership request includes a completed FY 2017-18 Partnership Request Form, Outreach Estimates Form, Partnership Request Budget Form, and narrative as outlined on the request form.

If interested, please read the contractor guidelines below and complete and return the attached CalFresh Outreach Partnership Request Form, with attachments, electronically to CalFreshOutreach@co.humboldt.ca.us or paper copies to CalFresh Outreach DHHS 929 Koster St., Eureka, CA 95501.

Application process and application and outreach partner program questions can be answered by the CalFresh Outreach Analyst at (707) 268-2787.

Step 3	Once approved contracts are developed and emailed to partner organizations. The organization prints two copies for signatures or, requests two copies via mail. Three copies are necessary if the amount is over \$48,000.	Two to three weeks
Step 4	The contract is signed by the partner and returned to DHHS with proof of insurance (see insurance guidelines below).	Varies
Step 5	For contracts of \$48,000 or less, DHHS signs the contract and returns one copy of the signed contract to the partner.	One to two weeks

1. Please describe the activities and events that will be completed with CalFresh Outreach funding. Include the total number of people you will serve or reach and if your program will focus on a particular group or geographic area. Be sure to include how you will encourage and assist applications and retention.

The mission of the Betty Kwan Chinn Homeless Foundation is to honor all of humanity by providing direct responses to immediate needs and helping the destitute achieve the dignity needed to return to society as contributing members. Betty Kwan Chinn's work started over 30 years ago preparing meals for one family in need. Now, through her own efforts and ability to mobilize broad community support, she serves meals twice per day from her mobile kitchen and provides homeless children and adults with clothing, toiletries, bus tickets, medical care and hot showers.

At the core of Betty Kwan Chinn's mission to care for the poor is her daily meal distribution near the Social Services campus of Humboldt County's Department of Health and Human Services. It is there, twice per day, seven days a week, and 365 days per year that she serves approximately 400 meals. In addition, Betty delivers meals to an average of 27 home-bound seniors and individuals recently released from hospital care.

Betty and her dedicated group of volunteers prepare and package meals on a regular basis using the Day Center's commercial kitchen. Once the food is ready, it is then transported to the distribution site via Betty's Blue Angels catering truck. The requested CalFresh funding will enable Betty and her volunteers involved in outreach throughout Humboldt County to:

- Improve the nutritional content of food provided to homeless individuals. Due to generous donations, Betty is able to maintain a well-stocked pantry. However, in order for her to offer healthier balanced meals, she must purchase perishable items such as meats, fresh vegetables and fruit.
- Use the meal service as an opportunity to educate recipients about CalFresh. CalFresh outreach materials such as flyers and business cards are regularly distributed during meal services and Betty teaches people how to apply for their own CalFresh benefits. Betty is trusted and respected by those she serves which makes her effective at encouraging clients to enroll.

According to the latest Point in Time Count conducted in January 2017, it is estimated that the number of homeless individuals in Humboldt County is 668, with the largest population being in Eureka. Efforts of Betty Kwan Chinn's Outreach team primarily address barriers related to food insecurity among the homeless. The requested funding supports critical components of the Foundation's endeavor to serve roughly 336,000 meals, distribute 1,000 informational CalFresh materials and has personally helped over 1,000 individuals receive appropriate benefits.

Proper nutrition is a key element to a healthy, productive lifestyle. Children and adults who maintain a balanced diet are more apt to meet the challenges of everyday life. Conversely, a poor nutrition is disabling and often affects children the most as they require a certain amount of nutrients to successfully develop both physically and cognitively.

According to the UNICEF report, 'Improving Child Nutrition,' conducted in 2013 – "Stunting, or low height for age, traps people into a lifelong cycle of poor nutrition, illness, poverty and inequality. The damage to physical and cognitive development, especially during the first two years of a child's life, is largely irreversible. A child's

poorer school performance results in future income reductions of up to 22% on average. As adults, they are also at an increased risk of obesity, diabetes and cardiovascular disease.” Twenty-five percent of the individuals who receive meal assistance from our program are under the age of 18 years old. As evidenced in numerous reports, nutrition is a determining factor of future success and can reduce the incidence of homelessness.

The Greater Eureka Community Outreach Project is a shelter program that provides emergency housing and case management to up to 40 of the most chronically homeless individuals in Humboldt County at any given time. The mission of GECOP is to fill a community gap by caring for the individuals with the least amount of secured resources and typically no amount of income. Services often begin with the procurement of basic documentation and foundational resources, but also include medical intervention, mental health and substance abuse services, and referral to the Betty Kwan Chinn Day Center.

The Betty Kwan Chinn Day Center provides emergency day shelter for homeless adults and children, transitional housing for 4-5 adult residents who obtain work experience assisting with Day Center operations, and comprehensive support services for people who are homeless or at risk of homelessness. Services at the Day Center include case management, housing search assistance, employment readiness training, life skills coaching, benefit enrollment assistance, after school and summer youth program to support safety and academic achievement, phones and computers for client use, and mail service. Through collaboration with partner agencies, additional services offered onsite include medical and dental care, emotional support and substance abuse services, continuing education support, and homeless court. CalFresh related activities and events will include:

- Benefits education - As part of the intake process, the Day Center provides all clients with basic information about CalFresh benefits using USDA approved outreach and educational materials.
- Nutrition education - Through periodic food sample demonstrations at the Day Center, staff and volunteers will provide information about how to make the best use of CalFresh benefits to extend purchasing power and make the most nutritious food selections. Information includes presentation of local sites accepting CalFresh. Food sample demonstrations and distributions emphasize easily portable foods with high nutrition value that can be purchased using the benefit.
- Initial Applications - Direct assistance with enrollment applications is provided by both staff and volunteers. The primary enrollment methodology is assistance with online applications using on-site client computers. In addition to helping clients complete the application form, the Day Center assists with obtaining required documentation such as identification and other household information. Special attention is paid to helping eligible clients access expedited benefits due to their homeless status.
- Retention and recertification - Case management services at the Day Center include assistance complying with any reporting required for clients to maintain their CalFresh benefits. This reporting may include provisions of updated information regarding income or changes to household status, which may increase or decrease a client's benefit. The Day Center also recently revised its intake process to ensure each individual is screened for recertification needs.

2. What are your expected outcomes? What difference will CalFresh funding make in your community or neighborhood and for the population you are serving? How will the proposed activities fit into or relate to other programs in your organization and community?

Individuals who are homeless face some of the most significant barriers to accessing and using public benefits. Common barriers include the lack of awareness of how benefits works, the misunderstanding of eligibility, or simply the feeling of being too overwhelmed to gather information and complete enrollment applications on their own. The requested CalFresh funding focuses, primarily, on reaching individuals who are homeless or at great risk of homelessness and helping overcome barriers in understanding and obtaining benefits.

In late 2016, the California Food Policy Advocates released its annual publication, *Lost Dollars, Empty Plates*.¹ According to most recent data (Nov 2016) an estimated 12,691 individuals in Humboldt are eligible for CalFresh benefits but are not enrolled. This translates to approximately \$28,624,612 worth of CalFresh benefits going unclaimed. With this grant we hope to increase the amount of CalFresh income available to but not accessed by Humboldt County residents.

The outreach, enrollment, and related nutrition education services to be funded by this CalFresh grant will increase the number of homeless children and adults in Humboldt County who access the critical benefit. We estimate the foundation will be able provide outreach and education to more than 800 individuals served by Betty Kwan Chinn Outreach, the Greater Eureka Community Outreach Project, and the Day Center and that over 30% of these individuals will engage in submission of initial benefit enrollment or retention activities.

As a result, clients will increase their financial stability by adding CalFresh to the limited financial resources available to them for nutrition, housing, transportation, and other basic living expenses. In addition, because of the nutrition education element of this proposal, client will be better prepared to make healthier choices in spending their CalFresh benefits, which contributes to longer-term improvements in their overall health and their prevention of chronic disease. Children will be better prepared to thrive in their physical, social, and academic development.

Our proposed activities for CalFresh outreach and enrollment assistance fit seamlessly with and will serve to strengthen the outcomes of the programs currently available through the Betty Kwan Chinn Homeless Foundation. Individuals are first exposed to messages regarding CalFresh benefits through Betty Kwan Chinn Outreach, the meal program directly operated by Betty. Her referrals to the Greater Eureka Community Outreach Project and the Day Center connect clients with the full spectrum of resources clients need in order to access CalFresh benefits and to complete periodic eligibility recertification once enrolled. Assisting clients in accessing all available public benefits is an integral component of the case management services the foundation provides through its programs.

3. Please describe your organization's capacity to succeed with the proposed project and your plans, if any, for continuing the work after the proposed project is complete.

For over 30 years, Betty Kwan Chinn has proven to be a leader in helping the most vulnerable members of our community meet basic needs by providing food, shelter, showers, and clothing. Betty has collaborated with local leaders in business, education and faith based organization to form a Board of Directors of the Betty Kwan Chinn Homeless Foundation which received a 501(c) 3 status in 2013.

The foundation values a person-centered approach to serving those in need and providing support that fits the multiple needs an individual might have. The foundation recognizes offering benefit access as a cornerstone in building a strong financial foundation from which clients can begin to plan for entry into housing, to seek paid employment, and to secure the support required to successfully address other core causes of housing instability.
