10. Contractors/Consultants

The Recipient will give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining unit or other Agreement. The Recipient must include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.

California may pay any applicable sales and use tax imposed by another State.

13. Disputes

The Recipient must continue with the responsibilities under this Agreement during any dispute. In the event of a dispute, the Recipient must file a "Notice of Dispute" with the CDFA Agreement Manager, identified in Exhibit A, or designee within ten (10) calendar days of discovery of the problem. This Agreement may be terminated by either party upon written notice. Notice of termination must be delivered to the other party at least thirty (30) calendar days prior to the intended date of termination. Notice of termination does not nullify obligations already incurred prior to the date of termination. In the event of Termination for Convenience of this Agreement by CDFA, CDFA must pay all responsible costs and non-cancellable obligations incurred by the Recipient as of the date of termination.

15. Termination for Cause

Either party may terminate this Agreement for cause in the event of a material breach of this Agreement, provided that the non-breaching party provides written notice of the material breach. If the breach is not cured to the satisfaction of the non-breaching party, this Agreement shall automatically terminate and the CDFA shall reimburse the Recipient for all documented costs incurred up to the date of the notice of termination, including all non-cancellable obligations. Timelines associated with notice and curing of material breaches shall be consistent with the timelines outlined in paragraph 17.

16. Acceptable Failure to Perform

The Recipient shall not be liable for any failure to perform as required by this Agreement, to the extent such failure to perform is caused by any of the following: labor disturbances or disputes of any kind, accidents, the inability to obtain any required government approval to proceed, civil disorders, acts of aggression, acts of God, energy or other conservation measures, failure of utilities, mechanical breakdowns, materials shortages, disease, pandemics, or similar occurrences.

17. Breach

The parties may be in material breach under this Agreement if they fail to comply with any term of this Agreement, or a party determines that the other party is not implementing the Project in accordance with the provisions of this Agreement, or that a party has failed in any other respect to comply with the provisions of this Agreement. In the event of a material breach, the party identifying the breach shall provide a Notice of Material Breach to the breaching party within fifteen (15) calendar days upon discovery of breach. The breaching party shall have fifteen (15) calendar days from receipt of the notice to notify how it intends to cure the breach. Upon receipt of the proposed cure, the non-breaching party has fifteen (15) days to accept or reject the proposed cure. Upon the non-breaching party's approval of the cure, the breaching party has thirty (30) days to implement the cure. If the breaching party fails to cure the breach within thirty (30) days of the non-breaching party's approval of the cure, the non-breaching party may take the following respective actions:

- A. CDFA may suspend payments;
- B. CDFA may demand repayment of all funding;
- C. Either party may terminate the Agreement
- D. CDFA may debar Recipient; or
- E. Either party may take any other action deemed necessary to recover costs.

The non-breaching party shall send a Notice of Failure to Cure Material Breach upon its decision to carry out any of these actions. These actions are effective upon issuance of the Notice of Failure to Cure Material Breach, unless the Recipient appeals a Notice of Failure to Cure Material Breach, in which case the effective date falls on the issuance of a final decision on the appeal.

Where CDFA notifies the Recipient of its decision to demand repayment pursuant to this paragraph, the funds that are subject to the demand shall be repaid immediately. CDFA may consider the Recipient's refusal to repay the requested disbursed amount a material breach.

A Notification of Failure to Cure Material Breach may be appealed to CDFA. The appeal must be post marked within ten (10) calendar days of the date the Recipient received the Notice of Failure to Cure

and addressed to the CDFA Legal Office of Hearing and Appeals or emailed to CDFA.LegalOffice@cdfa.ca.gov.

If CDFA notifies the Recipient of its decision to withhold the entire funding amount from the Recipient pursuant to this paragraph, this Agreement shall terminate upon receipt of such notice by the Recipient and CDFA shall no longer be required to provide funds under this Agreement and the Agreement shall no longer be binding on either party.

18. Publicity and Acknowledgement

The Recipient agrees that it will acknowledge CDFA's support whenever projects funded, in whole or in part, by this Agreement are publicized in any news media, brochures, publications, audiovisuals, presentations or other types of promotional material and in accordance with the Grant Procedures Manual if incorporated by reference and attachment to the Agreement. The Recipients may not use the CDFA logo.

19. News Releases/Public Conferences

20. Scope of Work and Budget Changes

Changes to the Scope of Work, Budget, or the Project term, must be requested in writing to CDFA Grant Administrative Contact no less than thirty (30) days prior to the requested implementation date. Any changes to the Scope of Work and Budget are subject to CDFA approval and, at its discretion, CDFA may choose to accept or deny any changes. If accepted and after negotiations are concluded, the agreed upon changes will be made and become part of this Agreement. CDFA will respond in writing within ten (10) business days as to whether the proposed changes are accepted.

21. Reporting Requirements

The Recipient agrees to comply with all reporting requirements specified in Scope of Work and/or Grant Procedures Manual if incorporated by reference to this Agreement as an attachment.

22. Equipment

Purchase of equipment not included in the approved Budget requires prior approval. The Recipient must comply with state requirements regarding the use, maintenance, disposition, and reporting of equipment as contained in CCR, Title 3, Division 1, Chapter 5, sections 303, 311, 324.1 and 324.2.

23. Closeout

The Agreement will be closed out after the completion of the Project or project term, receipt and approval of the final invoice and final report, and resolution of any performance or compliance issues.

24. Confidential and Public Records

The Recipient and CDFA understand that each party may come into possession of information and/or data which may be deemed confidential or proprietary by the person or organization furnishing the information or data. Such information or data may be subject to disclosure under the California Public Records Act or the Public Contract Code. To the extent allowed by law, CDFA determines whether the information is releasable. Each party agrees to maintain such information as confidential and notify the other party of any requests for release of the information.

25. Amendments

Changes to funding amount or Agreement term require an amendment and must be requested in writing to the CDFA Agreement Manager or designee no later than sixty (60) calendar days prior to the requested implementation date. Amendments are subject to CDFA approval, and, at its discretion, may choose to accept or deny these changes. No amendments are possible if the Agreement is expired.

"Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate agreements with, and to refrain from entering any new agreements with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Recipient is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Recipient advance written notice of such termination, allowing Recipient at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

EXHIBIT C
PAYMENT AND BUDGET PROVISIONS

1. Invoicing and Payment

- A. - B. Invoices must include the Agreement Number, performance period, type of activities performed in accordance with this Agreement, and when applicable, a breakdown of the costs of parts and materials, labor charges, and any other relevant information required to ensure proper invoices are submitted for payment.
- C. Unless stated in the Scope of Work, quarterly invoices must be submitted to the CDFA Administrative Contact, within thirty (30) calendar days after the end of each quarter in which activities under this Agreement were performed.
- D. Unless stated in the Scope of Work, a final invoice will be submitted for payment no more than thirty (30) calendar days following the expiration date of this Agreement, or after project is complete, whichever comes first. The final invoice must be clearly marked "Final Invoice" thus indicating that all payment obligations of the CDFA under this Agreement have ceased and that no further payments are due or outstanding.

2. Allowable Expenses and Fiscal Documentation

- A. The Recipient must maintain adequate documentation for expenditures of this Agreement to permit the determination of the allowability of expenditures reimbursed by CDFA under this Agreement. If CDFA cannot determine if expenditures are allowable under the terms of this Agreement because records are nonexistent or inadequate according to Generally Accepted Accounting Principles, CDFA may disallow the expenditures.
- B. If mileage is a reimbursable expense, using a privately-owned vehicle will be at the standard mileage rate established by the United States (U.S.) Internal Revenue Service (IRS) and in effect at the time of travel. The standard mileage rate in effect at the time of travel can be found on IRS's website regardless of funding source/type.
- C. If domestic travel is a reimbursable expense, receipts must be maintained to support the claimed expenditures. The maximum rates allowable for travel within California are those established by the California Department of Human Resources (CalHR). The maximum rates allowable for domestic travel outside of California are those established by the United States General Services Administration (GSA).
- D. If foreign travel is a reimbursable expense, receipts must be maintained to support the claimed expenditures. The maximum rates allowable are those established in a per diem supplement to Section 925, Department of State Standardized Regulations.
- E. The Recipient will maintain and have available, upon request by CDFA, all financial records and documentation pertaining to this Agreement. These records and documentation will be kept for three (3) years after completion of the Agreement period or until final resolution of any performance/compliance review concerns or litigation claims.

3. Prompt Payment Clause

Payment will be made in accordance with, and within the time specified in, California Government Code Title 1, Division 3.6, Part 3, Chapter 4.5, commencing with Section 927 - The California Prompt Payment Act.

4. Budget Contingency Clause

If funding for any fiscal year is reduced or deleted for purposes of this program, the CDFA has the option to either cancel this Agreement with no liability occurring to the CDFA or offer to amend the Agreement to reflect the reduced amount.

SCOPE OF WORK

In the best interest of the state, under the authority of the Secretary of the California Department of Food and Agriculture (CDFA), and in accordance with the California Business and Professions Code (BPC), Section 13434, the Division of Measurement Standards (Division) and the county (County) agree to the conditions and requirements within this Scope of Work.

The Division will pay the County \$75.00 for each completed initial inspection of a business establishment selling or distributing petroleum and/or automotive products, provided the inspection is completed to determine compliance with BPC Chapters 14, 14.5 and 15. The total allocation to the County for these inspections shall not exceed this Agreement. For purposes of this Agreement, an initial inspection is the first physical inspection in the fiscal year of a business establishment where the **primary** business is selling fuels, lubricants, and automotive products, e.g., retail service stations, distributors of engine fuels, oils, and quick-lube shops. Inspections at equipment rentals, marinas, and/or aviation fuel locations will not be accepted. No compensation will be paid for duplicated site inspections at the same location anytime during the same fiscal year.

Inspection Requirements:

The County shall complete an initial inspection to verify compliance with the appropriate provisions of the BPC and the California Code of Regulations relating to the advertising and labeling of fuels, lubricants, and automotive products, and for compliance with the provisions of BPC Section 13660. Findings shall be recorded on the Petroleum Products Inspection Report (PPIR) Form # 41-011, supplied by, or approved by, the Division.

Within five (5) working days of conducting an inspection, the County shall submit a completed legible pink colored copy of the PPIR form to the Sacramento office. Electronic submission may be provided to the Fuels, Lubricants, and Automotive Products Program's e-mail address at cdfa.dms_petroleum@cdfa.ca.gov.

The assigned number of inspections at brake shops, quick-lube shops, and other retail establishments selling bulk lubricant products or automotive products shall not exceed 10% of the total annual initial inspections authorized. The Division reserves the right to, at its discretion, assign and direct the County to collect designated samples of bulk lubricants or automotive products for the purpose of conducting marketplace surveys and initial inspections at specific stations. The business establishments visited for the purpose of obtaining these designated samples shall be counted as inspections authorized under this Agreement and will be billable up to \$75.00 per location. Prior to being assigned sampling duties, the Division will provide training in the proper sampling and chain of evidence completion procedures. Unless otherwise directed, all samples are to be submitted to the Division's laboratory in Sacramento.

Sample containers will be provided by the Division. Payment for product samples and transportation of the sample to the Division's laboratory shall be the sole responsibility of

the County. The County will use the inspection and sampling procedures outlined in the Division of Measurement Standards' "Petroleum Products Program Manual." Off-sale of samples not meeting product specifications shall be the responsibility of the County, or the Division if requested to do so by the County, and will be processed in accordance with the guidelines established in the Division's "Citation Manual." Current versions of the "Petroleum Products Program Manual" and the "Citation Manual" are available on the DMS County Portal.

Nothing in this Agreement prevents or precludes Division staff from performing routine business establishment inspections within the County. The County will be notified when Division staff is performing these inspections within the County. The Division also reserves the right to re-inspect business establishments that were previously inspected and billed for by the County. These re-inspections are for the purpose of evaluating the work of the County. Enforcement action, if needed, will be taken by Division staff following the "Citation Manual" guidelines.

Per BPC Section 12015, the County agrees that appropriate enforcement action shall be taken upon discovery of violation(s) at the business establishment being inspected. The enforcement actions will be handled in accordance with the guidelines established in the Division's "Citation Manual." If the appropriate enforcement action is more than the issuance of a Notice of Violation (NOV), and if the County is unable or fails to take that action against the violator, the Division shall take the specified enforcement action and payment for the inspection will be withheld.

The original inspection report shall be maintained at the County Office of Weights and Measures for four (4) years and be made available to the CDFA upon request.

All requests for payment under this Agreement shall be made using the Fuels, Lubricants, and Automotive Products Agreement Invoice with the County's official letterhead. The invoice shall be submitted quarterly and include a summary sheet with the following information: the total number of initial inspections conducted; the name and address of the business establishment inspected or sampled; and the amount of money requested. Funds will be disbursed to the County on approval of the invoice submitted quarterly. If no work is carried out, an invoice is not required.
