RE: Board Vacancy Appointment

This letter shall serve as official notice that after a "Closed Session" of the Fortuna Fire Protection District Board of Commissioners on August 24, 2023 it is their unanimous recommendation that Dustin Rossman be appointed to fill the vacancy left upon the passing of beloved member Melvin Berti.

The Board believes that Mr. Rossman brings to the board the necessary qualifications and experience needed to effectively serve on the Fortuna Fire Protection Board. The Board is asking that the Humboldt County Board of Supervisors please accept this recommendation and officially appoint Mr. Rossman to fill the vacant seat.

If appointed the Board would like to swear Mr. Rossman in on September 11, 2023 immediately following the call to order of the regular meeting of the board.

Sincerely,

Robert Johnson
Chairman/Fortuna Fire Protection District
