Public comment on AB 361 State of emergency

Laurie Birdsall
Arcata, Ca

Board of Supervisors,
As I work, I am not able to attend the meeting but am commenting as follows:

Addressing agenda item 8 state of emergency. I would like to contest the board's position on the declared state of emergency for Humboldt County.

We are past the state of emergency and continuing this position is an abuse of power. I'm calling on the board to act as the public servants that they are elected to be, and rescind this state of emergency for the good of the people.

Thank you
Laurie Birdsall
