

Attachment 5

Thank you for your response to the request for proposals to provide Therapeutic Foster Care in Humboldt County. We would like to request clarifications to your cost proposal section as follows:

1. Attachment B – Cost Proposal

- a. What makes up the \$2,315,302 Costs and Expenses Related to Therapeutic FC Services? You reference AFDC Foster Care Payments (\$1,102,651) and Title IV E funds (\$110,900), but that adds to \$1,213,551.
- b. Is your ability to provide a TFC contract contingent on a SMH Contract? If so, please include a proposed scope of work and budget for the SMH contract.

2. Attachment B-3 – Cost Proposal / Additional Resources

- a. Humboldt County currently contracts with College of the Redwoods to provide training to foster parents. All TFC parents will be able to be trained through this contract. Is your provision of TFC contingent on a training contract? If so, what justification can you give for Humboldt County to have contracts with two providers for same service?

Please provide a response on or before March 28, 2017.
