Yes, the Coalition for Responsible Housing is agreeable to a continuance of our appeal hearing until a full board is present on 01/23/2024.

Hi Carol-

I am writing to follow up on our recent conversation concerning the upcoming hearing for the Valadao appeal.

To comply with the timing requirements of Humboldt [county code](#), we have scheduled the appeal hearing to occur at the [January 9, 2024](#) Board of Supervisors meeting.

However, as was noted during our conversation Wednesday, Supervisor Arroyo will not be able to attend this meeting.

During our conversation you indicated that you would prefer having the matter continued to a later board meeting to ensure that the full board would be present for the appeal hearing.

We've been told by the Clerk of the Board's office that the full board will be present for the January 23rd regular board meeting.

Can you confirm that the Coalition for Responsible Housing is agreeable to requesting that the appeal hearing not be conducted at the Board's 1/9 meeting and instead be held during the meeting on January 23rd?

If you have any questions about this matter, please don't hesitate to contact me.
