DISCUSSION:

The Humboldt County Department of Health and Human Services (DHHS) - Mental Health, in concert with the Public Guardian's Office, utilizes a variety of Mental Health Rehabilitation Centers (MHRC) and Institutes for Mental Diseases (IMD) to provide long term care to the chronically mentally ill patients requiring a secure setting. Crestwood Behavioral Health, Inc. has a variety of facilities throughout California designed to serve diverse client needs, including MHRCs, geriatric psychiatric facilities, non-IMD Skilled Nursing Facilities.

In Eureka, Crestwood offers an Adult Residential Facility (ARF), a Residential Care for the Elderly (RCFE) Program, and a secure Mental Health Recovery Center (MHRC). The Adult Residential Program serves as a sub-acute psychiatric residential facility, offering rehabilitative mental health services for severely and persistently mentally ill persons. This program focuses on client preparation to return to independence in their communities.

The second program, Residential Care for the Elderly, serves elderly clients age 60 and older. The services are designed to meet the special needs of older adults with psychiatric illnesses and/or concurrent medical complications and whose adaptive functioning is so impaired that it prevents them from receiving care in a less restrictive community setting.

The Mental Health Recovery Center (MHRC) on the Eureka campus serves clients who require care with 24-hour monitoring in a secure environment due to their symptoms.

Client placements are monitored by the Mental Health multi-disciplinary team, the "Strategic Assistance for Adult Recovery Interventions" (SAFARI). This team authorizes services, determines the appropriate level of care, and monitors clients' needs in the community upon discharge. When an initial MHRC placement occurs, transitional plans for a less restrictive placement are put into place and reviewed monthly to evaluate and plan for step-down to community living. All Mental Health services are delivered with a focus on recovery.

DHHS- Mental Health requests the Board to Approve the Agreement between the County of Humboldt and Crestwood Behavioral Health Inc. Placement Facilities for fiscal years 2014-16.

The Agreement with Crestwood Behavioral Health Inc. Placement Facilities for fiscal years 2014-16 is coming to the Board of Supervisors late due to unexpected last minute rate negotiations, but in anticipation of entering into this new Agreement, all parties executed a letter of intent effective as of July 1, 2014.

FINANCIAL IMPACT:

The maximum value of this Agreement is not to exceed Seven Hundred Ninety-Five Thousand, One Hundred Seventy-Four Dollars (\$795,174) per fiscal year. This expenditure has been included in the approved budget for FY 2014-15, DHHS-Mental Health Adult Services budget unit 1170-496. Funding for this Agreement is available through Mental Health Realignment and Mental Health Services Act revenues. There is no impact to County General Fund.

This Agreement supports the Board's Strategic Framework by protecting vulnerable populations, supporting the self reliance of citizens and improving the safety and health of our communities.

OTHER AGENCY INVOLVEMENT:

Public Guardian

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could choose to not approve this Agreement with Crestwood Behavioral Health, Inc. DHHS-Mental Health does not recommend this alternative because it would jeopardize the health and safety of the vulnerable population of chronically mentally ill adult patients, who require long term residential treatment, including elderly individuals with special needs,

Neither shall such payment impair or prejudice any remedy available to COUNTY with

respect to the breach or default. COUNTY shall have the right to demand of the CONTRACTOR the repayment of any funds disbursed to the CONTRACTOR under this Agreement, which in the judgment of COUNTY were not expended in accordance with the terms of this Agreement. ////

13. SUBCONTRACTING:

CONTRACTOR shall not subcontract services without prior written permission by COUNTY.

14. RELATIONSHIP OF PARTIES:

It is understood that this is an Agreement by and between two independent contractors and is not intended to, and shall not be construed to, create the relationship of agents, servant, employee, partnership, joint venture, or any other similar association. Both parties further agree that CONTRACTOR shall not be entitled to any benefits to which COUNTY employees are entitled, including but not limited to overtime, retirement benefits, worker's compensation and injury leave or other leave benefits.

15. NUCLEAR FREE HUMBOLDT COUNTY ORDINANCE COMPLIANCE:

CONTRACTOR certifies by its signature below that CONTRACTOR is not a Nuclear Weapons Contractor, in that CONTRACTOR is not knowingly or intentionally engaged in the research, development, production, or testing of nuclear warheads, nuclear weapons systems, or nuclear weapons components as defined by the Nuclear Free Humboldt County Ordinance. CONTRACTOR agrees to notify COUNTY immediately if it becomes a Nuclear Weapons Contractor as defined above. COUNTY may immediately terminate this Agreement if it determines that the foregoing certification is false or if CONTRACTOR becomes a Nuclear Weapons Contractor.

16. COMPLIANCE WITH LAWS:

CONTRACTOR agrees to comply with all applicable local, State and Federal laws and regulations, including but not limited to the Americans with Disabilities Act. Compliance with the Americans with Disabilities Act, includes, but is not limited to, the following areas:

- A. Whatever written information is provided regarding its programs will also be provided in alternate formats, including Braille, large print audio recording, and electronic formats, upon request.
- B. Enter into contracts or make other arrangements with qualified sign language and oral interpreters to ensure their availability when required for effective communication with persons who are deaf or hard of hearing. The type of aid that will be required for effective communication will depend on the individual's usual method of communication, and the nature, importance, and duration of the communication at issue. In many circumstances, oral communication supplemented by gestures and visual aids, an exchange of written notes, use of a computer or typewriter, or use of an assistive listening device may be effective. In other circumstances, qualified sign language or oral interpreters are needed to communicate effectively with persons who are deaf or hard of hearing. The more lengthy, complex, and important the communication, the more likely it is that a qualified interpreter will be required for effective communication with a person whose primary means of communication is sign language or speech reading.
- C. If CONTRACTOR operates a hotline to take telephone calls of an emergency nature, the Contractor shall ensure that it provides equivalent service for persons who use TTY's including providing direct-connection service for TTY users with hotline operators, without requiring TTY users to call through a third party operator, such as through the State or local Telecommunication Relay procedures, and provide the training necessary to ensure effective communication by Hotline staff with direct-connection callers using TTY's, as well as the training necessary to respond to callers who use the Telecommunication Relay Services.

- D. Survey facilities used as shelters or designated as potential shelters – or for counseling, job training, education, clothing or household provisioning, or other aspects of programs- to ensure that adequate arrangements are available for potential clients and family members with disabilities, including adults and children who have mobility impairments, who are blind or have low vision, and who are deaf or hard of hearing.
- E. Have written procedures and modify, as appropriate, eligibility criteria, to ensure that no person with a disability is turned away from a shelter or otherwise denied the opportunity to benefit from the services of CONTRACTOR’S program on the basis of disability.
- F. Have written procedures to ensure that persons with disabilities who use service animals are not denied or discouraged from participating in CONTRACTOR’S program, are able to be housed and served in an integrated environment, and are not separated from their service animals while participating in the program even if pets are normally not permitted in the facilities where such programs are conducted. The procedures will not unnecessarily segregate persons who use service animals from others but may take into account the potential presence of persons who, for safety or health reasons, should not be in contact with certain types of animals.
- G. Have written procedures to ensure that reasonable modifications are made to the CONTRACTOR’S program when necessary for a client or family member with a disability to participate in such programs, unless doing so would fundamentally alter the nature of the program.
- H. Have written policies to ensure that despite any “drug-free” policy of the CONTRACTOR’S program, persons with disabilities who use medication

prescribed for their use are able to continue using such medication while participating in such Programs or being housed in a shelter.

CONTRACTOR agrees that all professional level persons employed by CONTRACTOR have met applicable professional licensure requirements pursuant to the Welfare and Institutions and Business and Professions Codes and will provide copies of licensure to COUNTY upon request. CONTRACTOR further agrees to comply with any applicable Federal, State or local licensing standards, any applicable accrediting standards and any other applicable standards or criteria established locally or by the State or Federal governments.

17. VENUE AND APPLICABLE LAW:

This Agreement shall be construed in accordance with the laws of the State of California and COUNTY's contractual obligations under any Mental Health Managed Care contract COUNTY has with the State Department of Health Care Services. Any dispute arising hereunder or relating to this Agreement shall be litigated in the State of California and venue shall lie in the County of Humboldt unless transferred by court order pursuant to Code of Civil Procedure Sections 394 and 395.

18. REFERENCE TO LAWS AND RULES:

In the event any law, regulation or policy referred to in this Agreement is amended during the term hereof, the parties agree to comply with the amended provision as of the effective date of such amendment.

19. NONDISCRIMINATION:

A. Consistent with the requirements of applicable Federal or State law, CONTRACTOR will not engage in any unlawful discriminatory practices in the admission of patients, assignments of accommodations, treatment, evaluation, employment of personnel, or in any other respect on the basis of race, religion or

religious creed, color, age (over 40), sex (including gender identity and expression, pregnancy, childbirth and related medical conditions), sexual orientation (including heterosexuality, homosexuality and bisexuality), national origin, ancestry, marital status, medical condition (including cancer and genetic characteristics) mental or physical disability (including HIV status and AIDS), military service, or any other classifications protected by federal, state, or local laws or ordinances.

- B. During the performance of this Agreement, CONTRACTOR and its subcontractors will not unlawfully discriminate against any employee or applicant for employment because of race, religion or religious creed, color, age (over 40), sex (including gender identity and expression, pregnancy, childbirth and related medical conditions), sexual orientation (including heterosexuality, homosexuality and bisexuality), national origin, ancestry, marital status, medical condition (including cancer and genetic characteristics) mental or physical disability (including HIV status and AIDS), military service, or any other classifications protected by federal, state, or local laws or ordinances. This policy does not require the employment of unqualified persons. CONTRACTOR and its subcontractors will comply with the Disabilities Act of 1990, the Fair Employment and Housing Act (Government Code, Section 12900 et seq.) and the applicable regulations promulgated thereunder (Title 2, CCR, Section 7285 et seq.). CONTRACTOR will ensure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination. The applicable regulations of the Fair Employment and Housing Commission implementing Government Code, Section 12990, set forth in Chapter 5, Division 4 of Title 2, CCR, are incorporated into this Agreement by reference and made a

part hereof as if set forth in full. CONTRACTOR and its subcontractors will give written notice of their obligation under this clause to labor organizations with which they have a collective bargaining or other agreement.

- C. CONTRACTOR will comply with the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, pertaining to the prohibition of discrimination against qualified handicapped persons in all federally assisted programs or activities, as detailed in regulations signed by the Secretary of Health and Welfare Agency, effective June 2, 1977, and found in the Federal Register, Volume 42, No. 86, dated May 4, 1977.
- D. CONTRACTOR will include the nondiscrimination and compliance provisions of this Agreement in all subcontracts to perform work under this Agreement.

20. RECORDS:

CONTRACTOR shall maintain statistical, clinical and financial records in the manner provided by the State Health and Welfare Agency and make such records available to COUNTY as required by the Humboldt County Mental Health Director, and the California State Health and Welfare Agency.

- A. Fiscal Records -- if applicable, CONTRACTOR shall maintain accurate records of its costs and operating expenses. Such records of costs, expenditures and reimbursements shall be maintained for at least five (5) years from the close of the State's fiscal year during which services were provided, or until audit findings are resolved, whichever is later. Failure to comply with these requirements may result in suspension of payments under the Agreement or termination of the Agreement or both and CONTRACTOR may be ineligible for award of future State contracts if the Department determines that any of the following has occurred: (1) CONTRACTOR has made a false certification or, (2) violates the certification by failing to carry out the requirements as noted above.

27. PATIENTS' RIGHTS:

The parties to this Agreement shall comply with applicable laws, regulations and State policies relating to patients' rights.

28. CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE:

Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of eighteen (18), if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan or loan

guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated or maintained with such Federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable Federal funds is Medicare or Medicaid; or facilities where Women, Infants and Children Program (WIC) coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to One Thousand Dollars (\$1,000.00) for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing this Agreement, CONTRACTOR certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act.

31. COST REPORT:

CONTRACTOR shall submit an unaudited end of the fiscal year final cost report summarizing all costs incurred providing services for COUNTY-linked patients during the fiscal year. This will occur no later than ninety (90) days following the close of the fiscal year. Final Cost Report shall meet the specifications of the mandated cost

reporting requirements of COUNTY, pertaining to that fiscal year.

32. DETERMINATION OF ABILITY TO PAY:

If so directed by the DHHS-Mental Health Director, CONTRACTOR shall, determine client's share of cost using the State's Uniform Method of Determining the Ability to Pay, relaying to COUNTY the results of such determination. This shall be done any time there is a demonstrable change in client's financial status but no less than annually. CONTRACTOR avers that inability to pay shall be no bar to CONTRACTOR's services. However, CONTRACTOR further agrees that unwillingness to pay may bar services (except in emergencies) following consultation with COUNTY. COUNTY agrees to provide training in the determination of ability to pay.

33. AMENDMENT:

////

////

B. Service Authorization

- Services are pre-authorized in writing by the COUNTY. Persons receiving services under this Agreement must receive prior approval of the DHHS-Mental Health Deputy Director, or her/his authorized representative.

C. Admission Criteria

- Humboldt County residents receiving services from DHHS-Mental Health ages 18 and older, and diagnosed with a Serious Mental Illness.
- For the MHRC and ARF, CONTRACTOR shall admit clients and patients with a DSM-IV TR diagnosis. Individuals in need of 24-hour nursing services within the scope of facility services, clients and patients who have histories of or are currently displaying behavioral symptoms (such as combativeness, elopement risk, suicide risk, and excessive verbal abusiveness) which preclude them from being admitted into a lower level of care facility shall be considered for admission. The frequency, scope, and severity of these behaviors are determining factors for admission, which are negotiated between COUNTY and CONTRACTOR for each client or patient admission. The COUNTY may grant individual exception to the admission criteria.

- COUNTY and CONTRACTOR shall work cooperatively to admit clients or patients to CONTRACTOR'S facility(ies). All admissions shall be subject to screening procedures and standards mutually agreeable to CONTRACTOR and COUNTY.
- If the CONTRACTOR denies an admission, the COUNTY'S authorized representative shall be notified immediately and informed of the reasons for the denial. As appropriate, and with agreement, the COUNTY and CONTRACTOR may hold a "case conference" to discuss the reasons for the denial and the options available in meeting the client's or patient's mental health treatment needs. However, the final decision on admission to the facility shall be the responsibility and fall within the authority of the CONTRACTOR.
- It is agreed by the COUNTY and the CONTRACTOR that individuals whose mental illness is deemed appropriate for acute care, as well as individuals suffering exclusively from development disability, mental retardation, or physical illnesses (without a psychiatric component) shall not be considered for admission.

D. Service Goals

- To minimize inappropriate or unnecessary state and local acute hospitalization to the extent clinically appropriate by providing quality 24-hour services.
- To modify client's or patient's dysfunctional maladaptive behavior patterns and develop daily living skills which will enable them to live in less restrictive, more independent settings.

- CONTRACTOR shall adhere to COUNTY'S individualized client or patient plans to reduce the lengths of stay in order to transition clients or patients to less restrictive levels of care in a timely manner, as appropriate.

E. Discharge Criteria

- Client or patient has achieved level of recovery stability as determined by client or patient, caregiver/family member when appropriate, and provider as measured by and including symptom management, recognition of triggers of relapse, active participation in a wellness plan, and identification of a personal support system.
- If client or patient is admitted to a psychiatric Skilled Nursing Facility, Mental Health Rehabilitation Center (MHRC), psychiatric hospital, or other higher level of care, CONTRACTOR and COUNTY will cooperate to minimize Length of Stay. Disposition will be made on a case-by-case basis. Authorization for continued services or discharge from the program must be approved by the DHHS-Mental Health Deputy Director or her/his authorized representative.
- Client or patient formally declines services or becomes ineligible.

F. Performance Measures

- CONTRACTOR shall demonstrate collaboration with COUNTY in achieving goals of reduced re-hospitalizations and placement at lowest care level possible by communicating with COUNTY on a regular basis.
- CONTRACTOR shall communicate with COUNTY on a monthly basis and as needed to coordinate plans for discharge to a lower level of care. The goal of these efforts is to move 50% of clients from higher level of care to lower level of care within 90 days.
- Contractor shall notify COUNTY Mental Health Supervising clinician and/or assigned case manager as soon as any change in status occurs with clients.
