

State Waterboard Division of Water Rights - Cannabis Compliance Response Portal

You completed application 429927 on 12/21/2020 10:42:45

Welcome to the Division of Water Rights - Cannabis Compliance Response Portal

The State Water Resources Control Board (State Water Board) developed this portal for individuals who recently received a Notice of Violation from the Division of Water Rights regarding your unpermitted cannabis cultivation activities. The portal allows you to provide information in response to your notice and potentially avoid additional monetary penalties for continued non-compliance.

Please enter your Investigation ID below that was provided in your Notice of Violation:

Investigation ID:

Notice

Your response should take approximately 20 minutes and may require supporting documentation. Please have any photos or paper documents scanned and put on your desktop before continuing your response. Supporting documentation can be uploaded at the end of the survey.

The response is required to be made by either the property owner, tenant, or authorized third-party representative. Responses through this portal may not complete all of your compliance requirements and does not cover other agency violations that may exist. If you have questions about completing your response, please contact us at: 916-341-5362.

I am an authorized individual to submit information.

Individual Submitting Response Information

Provide the legal name, mailing address, and contact information of the person submitting this response.

Name (First):

Name (Last):

Above Ground Tanks	<input type="text" value="5"/>	<input type="text" value="19400"/>
Ponds or Reservoirs		
Bladders		
Other		

If you identified *Other*, describe the type of storage in the field below.

Response Information

How were you notified about your violation with the State Water Resources Control Board? 

- I received a notice of violation in the mail.
- I received a general notice letter in the mail informing me to seek regulatory coverage.
- A notice of violation was left at my property as a result of an inspection.

What was the date of your notice letter?

Cannabis Cultivation Activity

- I am cultivating commercial cannabis. (more than 6 plants)
- I have never cultivated cannabis and do not plan to cultivate cannabis in the near future.
- I plan to cultivate cannabis.
- I have cultivated cannabis in the past but I am no longer cultivating cannabis.

Compliance Status

Please select all that apply:

I have received my Small Irrigation User Registration (SIUR).

Date of Right: Registration ID:

I have submitted my SIUR but it has not been processed yet.

Date Submitted Registration ID

I have submitted another water right that supports my current water diversion and use but the water right has not been processed yet.

Date Submitted Application ID:

I no longer own or lease the property and did not cultivate cannabis on the property.

I am no longer diverting surface water for cannabis irrigation.

I am using one of the sources below for my property's cannabis cultivation.

Please select all that apply:

- Ground water
- Rain water catchment
- Purchased Water

Additional Information

Please provide any additional information regarding the property's water system, cannabis cultivation, or notice submitted by the State

Water Board Attached is the Well Completion Report for the well on the property used for cannabis irrigation. This is the sole source of water used for irrigation. No surface water diversions will occur for irrigation. An Initial Statement has been filed for the spring to be used as the domestic source of water as of 10/19/2020. The Division of Water Rights has not yet processed this Initial Statement even though it was submitted over 2 months ago. I have followed up a few times with the Division of Water Rights regarding this Initial Statement, but no WB representative has responded to my multiple requests of a status update. I tried submitting the Initial Statement submission email thread below, but the portal is not allowing any submission. I exported it to multiple file sources such as a PDF, JPG, TIFF, and as a Word Doc, but it will not accept the file. Please let me know via email if you would like to see the Initial Statement submission email, I am happy to provide it. If you have any questions, please let me know. Regards, Stephanie Bowler sbowler@timberlandresource.com

Please attach any documents or photos that support the information you have provided. Include date and location information with photos, either in the metadata of the photo from a smartphone or other means. Example of supporting documents include, but is not limited to, county abatement information, documentation of water source, purchased water receipts, cultivation site information, time schedules, and qualified professional reports.
