Subject: Humboldt County Fire Safe Council

Humboldt County Board of Supervisors;

The Humboldt County Fire Chiefs' Association wishes to inform the Board of Supervisors that Chief Lon Winburn has stepped down from his position on the Fire Safe Council. At the December 16, 2020 meeting of the Humboldt County Fire Chiefs' Association, the membership approved the nomination of Chief Justin McDonald of the Arcata Fire Protection District to represent the Association. The membership also approved that I should be listed as the alternate committee member to attend meetings and be granted the authority to vote in Chief McDonald's absence.

The Humboldt County Fire Chiefs' Association would like to express its support to the Board of Supervisors in appoint Chief McDonald to service on the Fire Safe Council as the Association's representative.

Thank you for your time and consideration.

Sincerely,

Chief Dale Unea, President
