is important for the placement team to have access to a variety of treatment options because vacancies and client needs fluctuate.

DHHS – Mental Health only places clients in locked Mental Health Rehabilitation Centers (“MHRC”) when the level of care provided thereby is necessary for the protection of the client and/or the community. DHHS – Mental Health clients are only placed at MHRCs for a brief amount of time, while less restrictive treatment alternatives are developed.

DHHS – Mental Health clients placed at MHRCs are monitored by the multi-disciplinary Strategic Assistance for Adult Recovery Interventions (“SAFARI”) committee. The SAFARI committee authorizes services, determines the appropriate level of care and monitors clients’ needs in the community upon discharge. Mental health services provided at MHRCs are delivered with a wellness focus, which includes concepts of recovery and resilience. When an initial MHRC placement occurs, client status is reviewed weekly and transition plans are developed for a less restrictive placement as soon as appropriate.

Mental Health Management 1, Inc., doing business as Canyon Manor, (“Canyon Manor”) operates a MHRC located in Novato, California, and is licensed to provide services to mentally ill clients in a locked residential setting. On May 24, 2016 (item C-13), the Board approved the current professional services agreement with Canyon Manor for the term of July 1, 2016 through June 30, 2019. The attached first amendment will increase the maximum amount payable thereunder and adjust the rates charged by Canyon Manor as of July 1, 2017.

Therefore, DHHS – Mental Health recommends the Board approve, and authorize the Board Chair to execute, the attached first amendment to the professional services agreement, regarding the provision of long-term residential treatment services, with Canyon Manor.

FINANCIAL IMPACT:

Approval of the attached first amendment to the professional services agreement with Canyon Manor will increase the maximum amount payable thereunder from Three Hundred Twenty-Six Thousand Five Hundred Fifty Dollars (\$326,550.00) to Three Hundred Thirty-Six Thousand Fifty-Six Dollars (\$336,056.00). In no event shall the maximum amount paid under the professional services agreement with Canyon Manor exceed One Hundred Thirteen Thousand Six Hundred Three Dollars (\$113,603.00) per fiscal year for fiscal years 2017-18 and 2018-19. The projected expenditure for placements at the Canyon Manor facility is Sixty-Seven Thousand Four Hundred Thirty Six Dollars (\$67,436.00) for fiscal year 2016-17. Expenditure appropriations related to the attached first amendment have been included in the approved budget for fiscal year 2016-17 budget for DHHS – Mental Health Adult Services budget unit 1170-496. There is no impact to the Humboldt County General Fund.

The recommended action supports the Board’s Strategic Framework by protecting vulnerable populations, supporting self-reliance of citizens and improving the safety and health of our communities.

OTHER AGENCY INVOLVEMENT:

None.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could choose not to approve the attached first amendment to the professional Services Agreement with Canyon Manor. DHHS – Mental Health does not recommend this alternative since doing so would require the County to place clients with chronic mental illnesses at inpatient facilities which will be more costly and may not provide the appropriate level of treatment for such clients.

1. SERVICES:

CONTRACTOR shall provide the Mental Health Rehabilitation Center ("MHRC") services described below in a manner consistent with the terms and provisions of this Agreement.

A. BASIC AND ENHANCED SERVICES TO BE PROVIDED:

1. It is agreed by COUNTY and CONTRACTOR that the basic service level (the minimum array of MHRC services) provided to clients by CONTRACTOR complies with respective California Code of Regulations defining the scope and responsibility of such facility-based services. The MHRC services as they currently exist or as they may be modified or added to during the term of this Agreement include, but are not limited to:
 - Provision of beds for adults (eighteen (18) years or older) as an alternative to State hospitalization or a higher level of care.
 - Services provided in a locked, twenty four (24) hour care facility.
 - Treatment plan development with assistance of COUNTY.
 - Utilization of resources available to both CONTRACTOR and COUNTY.
 - Life skills training.
 - Money management.
 - Training on accessing community resources and services.
 - Transitional programs.
 - Work activity and vocational counseling.
 - Discharge planning.
2. CONTRACTOR agrees to facilitate access to and utilization of Health Insurance Portability and Accountability act ("HIPAA") compatible web conferencing, video conferencing or telemedicine equipment to enable COUNTY to have a minimum of monthly joint conferences with client, COUNTY and CONTRACTOR's clinicians, and/or client's significant others in order to facilitate discharge planning processes. CONTRACTOR will be responsible to obtain informed consent(s) for telemedicine.
3. CONTRACTOR further agrees that basic services provided under this Agreement will also include reasonable access to medical treatment and up-to-date psychopharmacology including atypical anti-psychotics, transportation to essential offsite therapeutic services, and bilingual/bicultural programming.

4. For clients who require augmented supervision and specialized mental health Intervention, above the basic MHRC services due to specific identified behavioral and/or medical problems, CONTRACTOR shall provide enhanced services provided by technicians, vocational and rehabilitative counselors, and recreational therapists. CONTRACTOR's program shall target enhanced services delivery for those clients whose mental symptoms become so severe that they are at high risk of being discharged from the facility.
5. For enhanced services, the Enhanced Services Rate will apply for each individual resident needing enhanced service. The amount of the Enhanced Service Rate will be agreed upon in advance within the range specified in Exhibit B – Schedule of Rates.
6. Enhanced services will consist of intensive supervision and unique mental health treatment interventions which will augment the basic MHRC services provided. These are designed to meet the special needs of mentally disabled clients who have severe psychiatric illnesses and/or concurrent medical complications and whose adaptive functioning is so impaired that it prevents the individual from receiving treatment and care in the community in a less restrictive environment.

B. ADMISSION POLICY AND ADMITTING CRITERIA:

1. COUNTY and CONTRACTOR shall work cooperatively to admit clients to CONTRACTOR's facility(ies). All admissions shall be subject to screening procedures and standards mutually agreeable to CONTRACTOR and COUNTY. The admission of all persons receiving services under this Agreement must receive prior approval of the Humboldt County Deputy Director, Department of Health and Human Services Mental Health or her/his authorized representative.
2. CONTRACTOR shall admit clients with a DSM-IV TR diagnosis and ICD 10 codes. Individuals in need of twenty-four (24) hour nursing services within the scope of facility services, clients who have histories of or are currently displaying behavioral symptoms (such as combativeness, elopement risk, suicide risk, and excessive verbal abusiveness) which preclude them from being admitted into a lower level of care facility shall be considered for admission. The frequency, scope, and severity of these behaviors are determining factors for admission, which are negotiated between COUNTY and CONTRACTOR for each client admission. COUNTY may grant individual exception to the admission criteria.
3. If CONTRACTOR denies an admission, COUNTY's authorized representative shall be notified immediately and informed of the reasons for the denial. As appropriate, and with agreement, COUNTY and CONTRACTOR may hold a "case conference" to discuss the reasons for the denial and the options available in meeting the client's mental health treatment needs. However, the final decision on admission to the facility shall be the responsibility and fall within the authority of CONTRACTOR.
4. It is agreed by COUNTY and CONTRACTOR that individuals whose mental illness is deemed appropriate for acute care, as well as individuals suffering exclusively from development disability, mental retardation, or physical illnesses (without a psychiatric component) shall not be considered for admission.

Client's performance at CONTRACTOR facility will be reviewed based on performance indicators located in the California Data Collection Report.
