To Luther, Stephen

11/19/2020

Hello,

Just writing to say that when I visited Karen Ruth's property in Whitethorn over multiple years, I have observed hundreds of cannabis plants growing out in the orchard.

Kind regards,
Dinah Leffert

Karen Ruth's Whitethorn Property

To whom it may concern,

On many occasions over the past few years, I observed hundreds of cannabis plants growing in the orchard of Karen Ruth's property in Whitethorn, CA when visiting.

Best,
B. Victor
