Hello everyone,

Thank you for hearing me out . I'm going to be sending many pictures and videos demonstrating that we are attending to the issues that were sighted during our meeting.

They put a barrier around the soil piles.

Picked up the garbage that was by the small cabins

Took the netting that was mentioned off the property.

Cleaned up the hoop houses etc. There will be multiple emails showing the issues and how they have been resolved.

Thank you that's all we have for now. Notice no trellice on the property whatsoever. We need to get more erosion control over the beds that we're destroyed. That's tomorrow.

Best Wosjes,

Caleb O'Connor
