plans and American Indian health services.

CCS is a statewide program that authorizes diagnosis and treatment for financially eligible children with certain physical limitations and chronic health conditions or diseases. In addition, CCS authorizes the purchase of specific medical services and equipment, and provides physical and occupational therapy through the Medical Therapy Program. These services are provided at the Medical Therapy Unit located at the Glen Paul School site in Eureka.

The State Department of Health Care Services – Children’s Medical Services Branch (CMS) requires an annual application process for the provision of CHDP and CCS services in Humboldt County with certification by the County Board of Supervisors. By signing these two Certification Statements, Humboldt County certifies that the CHDP and CCS programs will comply with the CMS Plan and Fiscal Guidelines for Fiscal Year 2014-15. The recommendations before your Board today will allow CCS and CHDP to continue to provide these services to the community and receive quarterly reimbursement.

FINANCIAL IMPACT:

The CHDP and CCS programs are funded by CMS each year through the combination of federal and state funds. The approved county budget for the CCS Program residing in Fund 1175, Budget Unit 493 has sufficient appropriations to cover the total allocation of \$782,768 for the 2014-15 fiscal year. The approved county budget for the CHDP program residing in Fund 1175, Budget unit 418 also has sufficient appropriations to cover the total allocation of \$424,931 for the 2014-15 fiscal year. Approval of the certification statements and submission of the CMS packet will enable reimbursement for CCS and CHDP services.

The recommendations before your Board today support the County’s strategic framework by providing services to vulnerable populations.

OTHER AGENCY INVOLVEMENT:

The CMS Branch of the State Department of Health Care Services funds the CCS and CHDP programs.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

Your Board could choose not to sign the certification statements. However, this would result in program elimination as Board certification is required to complete the CMS annual services plan and receive quarterly reimbursement for services provided.
