DISCUSSION: Humboldt County Parks and Recreation Commission (PRC) requested the purchase of Assessor's Parcel Number (APN) 507-141-021 for increased recreational fishing access on the Mad River in 1969. The State conveyed this parcel to the County by Director's Deed on August 29, 1972.

McKinleyville Community Services District (MCSD) has purchased a neighboring parcel to the south of APN 507-141-021 and has requested to obtain the County's parcel in order to have direct access to the southerly parcel which would greatly increase recreational access along Mad River, for fishing or otherwise.

On July 19, 2016 your Board directed the Clerk of the Board to publish a Notice of Intention to Transfer Property to MCSD. The Notice was published in the Times Standard newspaper on July 24, 2016. (Attachment 1)

Government Code (GC) section 25365 authorizes your board to transfer property to any special district, such as MCSD, if the property is not required for County use. Such a transfer requires four-fifths vote of the Board of Supervisors. The property has not been improved during the time it has been in the County's possession for park and recreation purposes. While the County does not require the property for its operational use, it was obtained with the intent of park land use for fishing access.

The Public Park Preservation Act of 1971 states that if the transferred property is utilized for any nonpark purposes, MCSD would be required to pay sufficient compensation for the land, or transfer comparable property to the County in order to replace the park land lost to the change in land use. (Public Resources Code section 5401.) MCSD intends to use the property for park and recreation use, and has agreed to these conditions as stated in the Transfer Agreement (Attachment 4). It is by this Agreement that your Board may transfer the park property without abandonment, pursuant to GC section 25581.

Department of Public Works (Department) staff has prepared a resolution authorizing the property transfer to MCSD through supporting documents: the agreement for the transfer of the property, escrow instructions, and a Quitclaim Deed which includes reservations pursuant to both GC section 25581 and Public Resources Code section 5401. These are being presented here to your Board for approval and authorization. Escrow is being closed through Fidelity National Title as determined in the Transfer Agreement and Escrow Instructions for APN 507-141-021.

FINANCIAL IMPACT: There is no impact to the General Fund; MCSD is paying for all costs relative to the title transfer. The requested action conforms to the Board of Supervisors' core goal of creating opportunities for improved safety and health.

OTHER AGENCY INVOLVEMENT: None.

ALTERNATIVES TO STAFF RECOMMENDATIONS: The Board may decide not to transfer the property to MCSD. This action would then result in MCSD requesting an easement over the property for access to MCSD's park and recreation property immediately to the south.
