Dear Chair, Vice Chair, CAO, Clerk of the Board and County Counsel:

Thank you for the privilege of your time. As a follow up to the Board's conversation from yesterday, I polled my statewide association to inquire about their respective agency's Board Meetings.

Not counting Humboldt County, 28 counties responded to the survey. Of these 28 counties, over 78.5% has been holding or will be resuming in-person meetings with a variety of hybrid options.

At this time, I respectfully share the survey for your planning purposes with respect to the board meeting management for your consideration.

Thank you for your time.
Linda
