10)Please write a brief statement describing why you are interested in serving on the Humboldt County Behavioral Health Board:

Hello, I work at the Jerold Phelps Hospital in Garberville, it is a private hospital (not county) and I also not considered a "provider." I am a substance use navigator, support staff. I have been passionate about behavioral health and substance use since childhood, due to my own family struggles growing up. I have a degree in Psychology and another degree in Chemistry; I have been working with the high risk population of Miami, FL for over 10 years (substance use, severe mental illness, legal involvement and homelessness), primary in an outpatient setting for group process facilitating/counseling and case management, helping them access resources. It is with these populations that I feel most fulfilled serving. I moved to Garberville at the end of September 2022 and I am looking to become involved in the Humboldt community.
