To the Humboldt County Board of Supervisors,

I am asking you to waive the Measure S back taxes owed on the permit. The property was permitted in 2016 under the first ordinance and cannot be renewed under the current ordinance because the parcel size is too small. I need your support as someone who has participated in the making of the ordinance and a traditional cannabis farmer of the county and brings value with my brand recognition. My neighborhood has become fragmented with the passing of the ordinance and with a permit I would be the only holder who lives in the neighborhood. It would be unwise for me to transfer the permit and assume the liability of the back taxes with the cost of getting started while entering a treacherous cannabis market. The property is located across the street from my residence making it an ideal and much needed home for my genetics program. With federal legislation my future plan is to file as a nonprofit and make it an R and D Garden under the ordinance.

Thank you,

Sunshine Cereceda

Humboldt County Board of Supervisors, Regarding revocating the Special Permit for Cannabis cultivation located at 1625 Holmes Flat Rd., Redcrest, CA. Record Number Pln -10424 SP: I am in favor of having this cultivation permit issued to Kristin De La Cruz in 2016 transferred to Sunshine Cereceda. This is in favor of maintaining family cottage industry and can benefit Humboldt County, CA. I am the owner of the property, APN 209-321-007, Sunshine Cereceda is my Daughter.

Sincerely,
Richard Mansfield
