- 10) Please write a brief statement describing why you are interested in serving on the Humboldt County Behavioral Health Board:

By accepting this position, please be aware that you are committing to attending 10 meetings per year and working on at least one subcommittee.

I'm passionate about people, recovery and community healing. With over 15 years of experience in the behavioral health and recovery field, I've seen how connection, compassion, and accountability can transform lives, I want to be a voice for those often unheard and help support systems that create real, lasting change, I believe in being part of the solution- and serving on this board would be an honor and a natural extension of the work I'm already doing in Humboldt County. I would be honored to commit to attending at least 10 meetings per year and would be excited to contribute as part of a subcommittee.
