

HUMBOLDT COUNTY LAW LIBRARY

TO: Humboldt County Board of Supervisors
FROM: Board of Law Library Trustees, Humboldt County
DATE: December 18, 2023
SUBJECT: Law Library Board of Trustees – Appointments, 2024

We enter into this New Year with an acute awareness of the unfortunate ongoing financial situation faced by each and every public law library across our great state of California. As you know, the Humboldt County Law Library is funded entirely by users of the Humboldt County Superior Court system. Although this outdated funding structure is being addressed, the problem has proven to be slow and difficult to remedy. It is with this sentiment that we ask your Board to continue your 2023 appointments to the Board of Law Library Trustees for their 2024 term.

Your current appointments: Steven Loreus (*ex officio*), Cyndy Day-Wilson (President), and Dustin Owens (Vice President) are dedicated and competent contributors to the Humboldt County Law Library Board of Trustees. Together, they provide over 20 years of law library service in multiple counties. They have agreed to serve another year, and we respectfully request your favorable consideration so they may continue their statewide advocacy for the Humboldt County Law Library into 2024.
