Project Description

Per the Humboldt County General Plan, the conversion exemption area is zoned Timber Production (TPZ). Humboldt County's Grading and Open Space Ordinance does not apply to this project because the conversion exemption area is zoned TPZ. However, the County has reviewed the conversion exemption as required and Item 6 is signed by the County's designee.

Addendum 14CCR 1104.1(a)(1)(E)(1-4)

The timberland owner has certified via his signature, under penalty of perjury, that this is a one-time conversion to residential home site and new road construction. The timberland owner understands that a "Bona Fide Intention or bona fide intent" is a present, sincere intention of the applicant to conform with and successfully execute the conversion plan, as determined by the Director in accordance with provisions of Sec. 1105.2 (Ref.: Sec. 4623, PRC). The timberland owner, acting as an individual, acting as a member of a partnership, or acting as an officer or employee of a corporation or other legal entity, has not obtained an exemption pursuant to this section in the last five years.

Addendum 14CCR 1104.1(a)(2)(F)

The conversion area is not located within a WLPZ or Class III ELZ.

Addendum 14CCR 1104.1(a)(6)

The extent of the vegetation removal and site preparation required for the conversion;

The proposed conversion consists of new seasonal road construction and construction of two building sites, which will be used for future residential development. The conversion area consists of merchantable second growth redwood, Douglas-fir and tanoak, which will require timber harvesting and extensive site preparation. Excavation and grading will be necessary to successfully convert the sites; however, no significant excavation is needed.

The suitability of soils, slope, aspect, and microclimate for the stated non-timber use;

The conversion exemption area's soils, slope, aspect, and microclimate are favorable for residential use.
