DISCUSSION:

In October 2001 Humboldt County invested in a computerized security system for the Jail. The original cost of the complete system was \$237,902. The current version of "Cimplicity" software running the Jail security system requires Windows 7 and Windows Server 2008 compatibility, however, the County's existing security system will not run on Windows 7 or Windows Server 2008 software and is no longer able to support the addition or replacement of any new computer units.

Upgrades to the existing system will not only modernize the system, it will allow for a spare touch screen and one spare work station as a contingency in case of a downed unit. The upgrade also includes a three-year warranty period in coordination with the Dell computers.

FINANCIAL IMPACT:

A budget adjustment in the amount of \$55,000 is requested to transfer funds already budgeted in the approved FY2015-16 budget for the Humboldt County Correctional Facility budget unit 243 under Maintenance – Equipment (1100-243-2112) to the fixed asset line item. This transfer will cover upgrades as described below and requires no additional contribution from the General Fund.

Item	Quantity	Rate	Amount
Touch Screen Servers	2	\$2,815.00	\$5,630.00
Touch Screen Work Stations	8	\$1,480.50	\$11,844.00
Touch Screen Monitors	8	910.00	\$7,280.00
Touch Screen Security Software Upgrade	1	\$25,325.00	\$25,325.00
California Sales Tax @ 8.75%		4,381.91	\$4,381.91
TOTAL			\$54,460.91

The budget adjustment meets the Board of Supervisors Strategic Framework Plan goal of providing community-appropriate levels of service.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board could deny the request to approve the budget adjustment request, however, this is not recommended as Budget Unit 243 for the Correctional Facility would be unable to upgrade the necessary computerized security equipment within the framework of the current budget.
