RESOLUTION NO. 25-174

RESOLUTION ADOPTING A RECRUITMENT AND RETENTION INCENTIVE PROGRAM FOR IDENTIFIED JOB CLASSIFICATIONS ASSIGNED TO THE DHHS BEHAVIORAL HEALTH PROGRAMS OF HUMBOLDT COUNTY CORRECTIONAL FACILITY (HCCF) AND DIVERSION

WHEREAS, Staffing levels continue to be a major issue in the Department of Health and Human Services' (DHHS) ability to appropriately serve community members, staff and partners; and

WHEREAS, DHHS has a total of 13 allocations in the DHHS Behavioral Health programs of Humboldt County Correctional Facility (HCCF) and Diversion, 5 of which are currently vacant; and

WHEREAS, The impacts of the staffing shortages in the above-referenced classifications can have drastic impacts on community members, staff and partners; and

WHEREAS, The California Department of State Hospitals (DSH) Felony Mental Health Diversion program, per Penal Code (PC) section 1001.36 and Welfare and Institutions Code (WIC) 4361, was funded as a program to allow felony IST defendants and felony defendants the courts deemed likely to be found IST on their current charges to be diverted into intensive community mental health treatment in lieu of inpatient DSH competency restoration treatment. The DSH Felony Mental Health Diversion program partners with counties, such as Humboldt, in order to connect individuals to long-term community treatment after the completion of diversion. The intended outcome of the program is to provide IST defendants with ongoing community supports and mental health treatment to prevent the circumstances that led to arrest; and

WHEREAS, grant funding is available to fund this incentive program through the Department of State Hospitals, which is intended to assist counties in supporting the work needed to provide Diversion services to justice involved clients found Incompetent to Stand Trial (IST); and

WHEREAS, In an effort to stimulate recruitment and retention of the above-referenced classifications in these programs, DHHS is proposing a recruitment and retention incentive program. The incentive program would provide a one-time recruitment and retention incentive of \$10,000 per eligible employee.

NOW, THEREFORE, IT IS HEREBY PROCLAIMED that this incentive program will provide a one-time recruitment and retention incentive of \$10,000 per eligible employee to be paid as follows: 1. Current employees assigned to the DHHS Behavioral Health programs of HCCF or Diversion AND that hold permanent status in classifications listed above at the time of adoption of this resolution: \$3,000 to be issued the pay period following Board approval of this resolution; AND \$7,000 to be issued 26 pay periods following issuance of the first payment. 2.
