Kelly,

Thank you again for a great meeting to discuss our partnership and work for the coming fiscal year. We are looking forward to continuing the work we do together to strengthen Humboldt County families and individuals.

As we discussed, enclosed please find an official request for **a total of \$1,212,627.00 for all 16 Resource Centers for Fiscal Year 2022-2023**. We have attached a list of the funding requests for all of the Humboldt Network of Family Resource Center members.

Please let us know if we can submit any additional information regarding this request.

Once again, thank you for your ongoing support of Family and Community Resource Centers. We are so proud of the impact we have on the lives of Humboldt County residents, and we know we could not do it without your generous support and partnership. In the past few years, the pandemic has only highlighted how important this partnership is in supporting families and individuals in Humboldt County.

Please call us at (707) 834-6460 if you have any questions or if we can provide any additional information. Thank you to you and your team at the County for your continued partnership with our Resource Centers.

Sincerely,

Taffy Stockton, HNFRC Coordinator
