This provision shall apply to all claims for damages related to CONTRACTOR's performance hereunder, regardless of whether any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided hereunder.

16. INSURANCE REQUIREMENTS:

This Agreement shall not be executed by COUNTY, and CONTRACTOR is not entitled to any rights hereunder, unless certificates of insurance, or other proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

- A. General Insurance Requirements. Without limiting CONTRACTOR's indemnification obligations set forth herein, CONTRACTOR, and its subcontractors hereunder, shall take out and maintain, throughout the entire term of this Agreement, and any extensions thereof, the following policies of insurance, placed with insurers authorized to do business in the State of California with a current A.M. Bests rating of no less than A: VII or its equivalent against personal injury, death and property damage which may arise from, or in connection with, the activities of CONTRACTOR and its agents, officers, directors, employees, licensees, invitees, assignees or subcontractors:

If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.
 2. CONTRACTOR will not drive an automobile in the performance of the services provided pursuant to the terms and conditions of this Agreement. If CONTRACTOR's responsibilities are changed in such a way that driving will be required during the performance of the services set forth herein, CONTRACTOR shall take out and maintain Automobile/Motor Liability Insurance with a limit of liability not less than One Million Dollars (\$1,000,000.00) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles, and be at least as broad as Insurance Service Offices Form Code 1 (any auto).
 3. Workers' Compensation Insurance, as required by the California Labor Code, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY and its agents,

officers, officials, employees and volunteers.

4. Professional Liability Insurance – Error and Omission Coverage including coverage in an amount no less than One Million Dollars (\$1,000,000.00) for each occurrence (Two Million Dollars (\$2,000,000.00) general aggregate). Said insurance shall be maintained for the statutory period during which CONTRACTOR may be exposed to liability regarding the licenses and services provided pursuant to the terms and conditions of this Agreement. CONTRACTOR shall require that such coverage be incorporated into its professional services agreements with any other entities.

B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:

1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, and its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by, or on behalf of, CONTRACTOR. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice requirements set forth herein. It is further understood that CONTRACTOR shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
3. The inclusion of more than one (1) insured shall not operate to impair the rights of one (1) insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one (1) insured shall not operate to increase the limits of the insurer's liability.
4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.
5. Any failure to comply with the terms and conditions of this Agreement shall not affect the coverage provided to COUNTY or its agents, officers, officials, employees and volunteers.
6. CONTRACTOR shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by the Humboldt County Risk Manager. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be

disclosed to, and approved by, COUNTY. If CONTRACTOR does not keep all required policies in full force and effect, COUNTY may, in addition to any other available remedies, take out the necessary insurance and deduct the cost of said insurance from the monies owed to CONTRACTOR under this Agreement.

7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CONTRACTOR shall be required to purchase additional coverage to meet the above-referenced aggregate limits.

CONTRACTOR shall provide a custom web site to administer tax sales and collect deposits and payments associated with the tax sale on behalf of COUNTY. The term "web site" shall mean an Internet web site hosted by or at the expense of CONTRACTOR that will utilize CONTRACTOR's internet application to conduct online tax sales on behalf of COUNTY. The term "internet application" means the proprietary internet application software developed by CONTRACTOR to facilitate tax sales using a process that replicates a live, public outcry auction that can be accessed through the web site. The procedures and technical requirements of the tax sales shall be substantially as described herein.

Specific Actions to be Taken and Services to be Provided by CONTRACTOR:

1. CONTRACTOR will work with COUNTY to determine the development timeline of the web site and to gather information required to build the web site.
2. CONTRACTOR will build a tax sales web site that will utilize the internet application to make information available to third party users and to conduct online tax sales using a process that replicates a live, public outcry auction.
3. CONTRACTOR will populate the web site and internet application with data provided by COUNTY, including, but not limited to:
 - a. A list of properties with delinquent taxes (typically referred to as an advertising list);
 - b. Data on bidders who participated in previous auctions; and
 - c. Additional available data (tax records, pending tax liens on the property, appraiser's web site and links to Geographic Information Systems maps, if available).
4. CONTRACTOR will provide training for third party users including an online tax sale demonstration, practice tax sales and an on-site Bidder Orientation Session (at COUNTY's discretion).
5. CONTRACTOR shall provide a host server for the web site. The web site will utilize CONTRACTOR's internet application, which is capable of accepting and processing competitive bids from third party users for tax sales offered by COUNTY. COUNTY acknowledges that CONTRACTOR's server may not be dedicated exclusively to the web site. CONTRACTOR shall use its best efforts to make the web site available during all regular business hours during each tax sale conducted pursuant to this Agreement and shall not schedule planned maintenance downtime to occur during any such tax sale in normal business hours. During each such tax sale, CONTRACTOR shall provide Auction Administrator(s) and the technical support necessary to facilitate COUNTY's conduct of online tax sales.
6. CONTRACTOR will include on the web site terms and conditions, with appropriate disclaimers, to which third party users will be required to give assent. Each party will have the right to reasonably approve the terms and conditions or disclaimers that are included within the web site.

7. On the date when properties with delinquent taxes are advertised in local newspapers (the "advertising dates"), CONTRACTOR will post the same list on the web site. It will be at COUNTY's discretion to post such list solely on CONTRACTOR's website. The timing and frequency of tax sales conducted pursuant to this Agreement shall be determined by COUNTY in accordance with applicable law.
8. Each tax sale conducted by CONTRACTOR on behalf of COUNTY under this Agreement shall proceed as follows: On the date that COUNTY has determined that a tax sale will begin, at a time as instructed by COUNTY, and continuing from day to day until all parcels have been offered for sale, the delinquent tax properties shall be sold on CONTRACTOR's web site. Third party users can submit bids by using the web site to perform all tasks normally associated with the tax sale including: researching tax history; submitting registration forms and other information as specified by COUNTY; submitting bids; viewing; and downloading auction results.
9. CONTRACTOR will manage and maintain all tax sale proceeds, deposits, billing and fee payments internally. CONTRACTOR will be responsible for refunding all non-winning bidder deposits. CONTRACTOR will remit payment to COUNTY within ten(10) business days following the winning bidder payment the deadline.
10. CONTRACTOR will handle all bidder registrations/approvals on behalf of COUNTY under this agreement accompanying COUNTY's registration requirements.
