DISCUSSION:

Changing Tides Family Services has served Humboldt County since 1975, growing from a small childcare initiative into a comprehensive support organization for children, families and individuals. Today, it provides childcare subsidies, behavioral health services, respite care, parent education, supervised visitation and workforce support. In Fiscal Year 2024-25 alone, it delivered thousands of service hours and distributed over \$11 million in childcare payments, while also bringing in more than \$48 million in non-county funds over the past three years.

This proclamation recognizes the organization's 50 years of partnership and dedication to strengthening the health and success of the community.
