RE: Wildlife Services

Board of Supervisors,

I would like to express my support and the importance of Humboldt County continuing the contract with Wildlife Services. This is valuable service not only for the ag community but also the general public. I have worked very closely with Jared Comfort over the past years and find him very professional and responsive. I fully understand the issue going on in Mendocino County and have had dealings with Chris Brennan and what has occurred there is no representation of how Jared or Wildlife Services operates in Humboldt County.

Due to a prior obligation out of town today I am not able to attend today's meeting. I do urge the board to continue to support the Wildlife Services program in Humboldt County.

Sincerely,

Si

t Victorine
