Re: Addendum for Consent Agenda Item #5, Klamath Cutters, Inc.

Addendum to the Conditions of Approval in the May 16, 2019 staff report. The proposed project site has a Design Review combining zoning designation and is located within the purview of the Big Lagoon Subdivision Design Review Committee (DRC). The DRC will be conducting a public meeting on Sunday May 19th at 11:00 AM at 416 Roundhouse Creek Road, Trinidad, to discuss the proposed project. The recommendations of the DRC will be incorporated, as appropriate, into the design of the project.

This addendum proposes to incorporate the recommendations of the DRC into the final project design following approval by the Zoning Administrator.
