As a County Supervisor, Coastal Commissioner, and environmental engineer, I'll bring local expertise, statewide perspective, and technical grounding to this role. I've been a trails advocate since 2005 and have extensive experience working with local communities, tribal governments and state agencies. I recognize challenges and opportunities this trail represents to connect our communities, strengthen the regional economy, and benefit residents and visitors alike. I'm committed to ensuring a diversity of local voices shape its development, and it would be an honor to represent Humboldt County on the GRTA.
