Dear Humboldt County Supervisors,

According to the recent handout, the Humboldt County Sheriff's Office has transferred an individual to ICE custody. I would like to request that the name of this individual be released publicly, along with information on the qualifying offenses that allowed the Sheriff's Office to cooperate with ICE for the purpose of this transfer. Additionally, I would like to know the ultimate destination or status of this individual following their transfer to ICE.

Given the current climate surrounding ICE and the documented concerns about their willingness to disregard due process, transparency in this matter is crucial. Our community deserves to understand the circumstances and safeguards in place to ensure that constitutional rights are upheld in all such transfers.

Sincerely,  
Gordon Clatworthy
