By executing this Agreement, CONTRACTOR certifies that it will comply with the requirements of the Drug-Free Workplace Act of 1990 (California Government Code Sections 8350, et seq.) and will provide a drug-free workplace by doing all of the following:

14. INDEMNIFICATION:

- A. Hold Harmless, Defense and Indemnification. CONTRACTOR shall hold harmless, defend and indemnify COUNTY and its agents, officers, officials, employees and volunteers from and against any and all claims, demands, losses, damages, and liabilities of any kind or nature, including, without limitation, attorney fees and other costs of litigation, arising out of, or in connection with, CONTRACTOR's negligent performance of, or failure to comply with, any of

the duties and/or obligations contained herein, except such loss or damage which was caused by the sole negligence or willful misconduct of COUNTY.

- B. Effect of Insurance. Acceptance of insurance, if required by this Agreement, does not relieve CONTRACTOR from liability under this provision. This provision shall apply to all claims for damages related to the services performed by CONTRACTOR pursuant to the terms and conditions of this Agreement regardless if any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided by CONTRACTOR hereunder.

15. INSURANCE REQUIREMENTS:

This Agreement shall not be executed by COUNTY, and CONTRACTOR is not entitled to any rights hereunder, unless certificates of insurance or other sufficient proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.
2. Automobile/Motor Liability Insurance with a limit of liability not less than One Million Dollars (\$1,000,000.00) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles. Said coverage shall be at least as broad as Insurance Service Offices Form Code 1 (any auto).
3. Workers' Compensation Insurance, as required by the Labor Code of the State of California, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY, its agents, officers, officials, employees and volunteers.
4. Professional Liability Insurance – Error and Omission Coverage including coverage in an amount no less than Two Million Dollars (\$2,000,000.00) for each occurrence (Four Million Dollars (\$4,000,000.00) general aggregate). Said insurance shall be maintained for the statutory period during which CONTRACTOR may be exposed to liability. CONTRACTOR shall require that such coverage be incorporated into its professional services agreements with any other entities.

- B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:
1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by or on behalf of CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY, its agents, officers, officials, employees and volunteers.  2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice provisions set forth herein. It is further understood that CONTRACTOR shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
 3. The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the insurer's liability.
 4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.
 5. Any failure to comply with the provisions of this Agreement, including breach of warranties, shall not affect coverage provided to COUNTY, its agents, officers, officials, employees and volunteers.
 6. CONTRACTOR shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by the Humboldt County Risk Manager or County Counsel. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY. If CONTRACTOR does not keep all required policies in full force and effect, COUNTY may, in addition to other remedies under this Agreement, take out the necessary insurance, and CONTRACTOR agrees to pay the cost thereof. COUNTY is also hereby authorized with

the discretion to deduct the cost of said insurance from the monies owed to CONTRACTOR under this Agreement.

7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CONTRACTOR shall be required to purchase additional coverage to meet the above-referenced aggregate limits.

PROGRESSIVE DISCIPLINE POLICY & PROCEDURE
Redwood Community Action Agency (Contractor)
October 1, 2018 – September 30, 2019

In the unfortunate situation when coaching is not appropriate or adequate due to the severity or consistency of an AmeriCorps member's breach of program standards, progressive discipline may be called for. Always contact your project manager when faced with a progressive discipline situation. The objectives for using progressive discipline are to:

- 1) Establish requirements for behavior and performance;
- 2) Ensure the policies and procedures set forth by this program and the Service Sites are followed, including a uniform and fair level of consequences for failure to follow them;
- 3) Maintain communication between the AmeriCorps member, the Service Site Supervisor, CONTRACTOR, and PCA CA;
- 4) Create a "win-win" environment for both member and supervisor;
- 5) Establish timeframes for improvement of behavior and performance; and
- 6) Establish consequences for behavior and performance if there is no improvement and program standards are still not being met.

The PCA CA AmeriCorps Program may discipline members at will, through verbal warnings, written warnings, corrective action plans, or suspension without living allowance or credit for service hours missed. Supervisors may commence progressive discipline procedures for violations of AmeriCorps Member Requirements, rules of the Service Site, or the member's inability or unwillingness to follow through on Corrective Action Plans.

Members will be advised that if behaviors and/or performance do not improve to the degree of meeting the set standard, members are jeopardizing their position with the PCA CA AmeriCorps Program. In addition, members are jeopardizing their education award. It is the goal of the PCA CA AmeriCorps Program to provide clear communication with members so that each member can correct and thereby improve their behavior and/or performance.

Step 1: Verbal Warning

A verbal warning may or may not be applicable in all situations. A verbal warning may be appropriate for a first-time, minor infraction of a PCA CA AmeriCorps Program policy or procedure. The procedure for the verbal warning is:

- 1) State the unacceptable behavior or situation referring to the PCA CA AmeriCorps Member Handbook.
- 2) State how the behavior or situation is to be corrected, and give a time frame for improvement.
- 3) Advise the member of the consequences if the behavior or situation is not corrected.

Step 2: Written Warning Notification

If the behavior or situation becomes a pattern after at least one coaching session, a written warning is the next step in informing the member that this behavior/situation is unacceptable. CONTRACTOR and PCA CA will be notified and involved if a member is at the disciplinary level of a written warning. Service Sites must use the Corrective Action form provided in the PCA CA Program Operations Manual.

The written warning instructs the member that the behavior or situation must be corrected within a designated timeframe. The procedure for the written warning is:

- 1) Establish the seriousness of the behavior or situation;

- 2) Provide verbal and written communication directly to the member;
- 3) State the unacceptable behavior or situation referring to the PCA CA AmeriCorps Member Handbook;
- 4) State how the behavior or situation is to be corrected, and give a time frame for improvement;
- 5) Advise the member of the consequences if the behavior or situation is not corrected; and the
- 6) Member must sign, date and receive a copy of the Written Warning Notification.

Step 3: Suspension

Depending on the nature of the situation, member suspension may be necessary. An individual may not receive a living allowance or other benefits during a period of suspension if it covers the time span of an entire living allowance period.

In all situations where suspension is likely to occur, the PCA CA Project Manager will be notified. The procedure for suspension is:

- 1) Establish the seriousness of the behavior or situation. Based on severity, the supervisor has the discretion to suspend the member from service until instruction has been obtained from PCA CA.
- 2) Contact PCA CA Project Manager for instruction.
- 3) Provide verbal and written communication directly to the member.
- 4) State the unacceptable behavior or situation referring to the PCA CA AmeriCorps Member Handbook.
- 5) State how the behavior or situation is to be corrected, and give a time frame for improvement.
- 6) Advise the member of the consequences if the behavior or situation is not corrected.
- 7) Initiate the suspension in the web based reporting system.

Step 4: Pre-Termination Notice

When a behavior or situation has not been corrected, or when a single breach of program standards is sufficiently serious, the Service Site Supervisor, with the CONTRACTOR, will issue a Pre-Termination Notice to the member verbally and in writing. PCA CA Project Managers will also be notified of the Pre-Termination Notice.

The procedure for the pre-termination notice is:

- 1) Describe the unacceptable behavior or situation;
- 2) Provide a time frame for results to be achieved in order for the member to continue as a member of the PCA CA AmeriCorps Program; and
- 3) Informing the member of the consequences if the member does not correct the behavior or situation set forth in the progressive discipline notice (including termination from the PCA CA AmeriCorps Program).
- 4) Sign and date the Pre-Termination Notice, obtain member signature and date, and give member a copy of the notice.
- 5) If attempts to contact the AmeriCorps member are unsuccessful, then the pre-termination letter will be sent certified mail/return receipt requested to the address on file for the AmeriCorps member.

Step 5: Termination Notice

When a behavior or performance situation has not been corrected in accordance with the Pre-Termination Notice, a member may receive a Termination Notice. The procedure for the termination notice is:

- 1) Obtain prior approval for the termination. This approval must be granted by authorized personnel of the CONTRACTOR and PCA CA.

- 2) A termination notice must describe the unacceptable behavior or situation, the attempts to provide coaching and progressive discipline, and state that the consequence is termination from the PCA CA AmeriCorps Program.
- 3) A meeting must be scheduled between the member, Service Site and CONTRACTOR to review the termination letter and for all parties to sign and receive a copy.
- 4) If attempts to contact the AmeriCorps member are unsuccessful, then the termination letter will be sent certified mail/return receipt requested to the address on file for the AmeriCorps member.
- 5) When the member has completed the termination paperwork, their final stipend check, if applicable, will be requested and forwarded to the member.

The above Progressive Discipline procedure and Corrective Action Plan should be used with members for most disciplinary matters. If a member is violent, endangers other members, staff, or service recipients, falsifies documents, or intentionally violates a prohibited activity, he/she may be suspended and/or terminated for cause, depending on the nature and severity of the behavior. CONTRACTOR should PCA CA Project Manager in all of these cases.

Release from Term of Service for Cause

The member may be suspended without pay until an investigation of the situation takes place and/or other progressive discipline methods have been explored. Depending on the individual situation, the Service Site Supervisor may need to take appropriate measures, including immediate action for safety purposes. The following is not an all-inclusive list, but a general guideline of unusual, grave, or dangerous situations which may necessitate terminating the member:

- 1) Actual or suspected behavior that results in concern about the safety of a child or other people in the service setting;
- 2) Not following the directions or instructions communicated by the Service Site supervisor or designated staff;
- 3) Verbal or written threats to anyone at the Service Site or while serving;
- 4) Fighting (physical or verbal) during service;
- 5) Falsification of employment and education verification and information;
- 6) Falsification on any and all records and documents used by the Lead Agency, Service Site, or in the PCA CA AmeriCorps Program, including, but not limited to: program documentation, child care documents, enrollment verification documents, medical releases/records, criminal background, service hour logs;
- 7) Use of abusive language;
- 8) Violation of safety rules;
- 9) Stealing/taking AmeriCorps of Service Site's property or property of another;
- 10) Breach of confidentiality;
- 11) Violation of rules of common decency, morality, or gross insubordination;
- 12) Being accused or under suspicion of child abuse;
- 13) Receipt of Subsequent Arrest Notification from the Department of Justice (DOJ);
- 14) Charged or convicted of a misdemeanor, or
- 15) Charged with a felony.

Members released for cause will not receive any portion of the education award.

Resuming Service after Release

Any individual released for cause who wishes to reapply to the program from which he/she was released, or to any other AmeriCorps program is required to disclose the release to that program. Failure to disclose to an AmeriCorps program will render the member ineligible to receive the AmeriCorps education award, even if the member has successfully completed the term of service.
