**Dear Ms. Hayes: Please give this note to ALL the county supervisors BEFORE tomorrow's meeting.**

Dear County Supervisors: I read that Ms. Fennell has held secret meetings with Sonoma and Mendocino Supervisors in regard to keeping the Eel River Dams and continuing the diversion of water from the Eel to the Russian River without regard to the salmon and steelhead fisheries of the Eel River. Please be warned that if Ms. Fennell is successful, not only will she be voted out in coming elections, but all of you supervisors will be voted out also. We need our elected Supervisors to stand up for Humboldt Co. and its important salmon and steelhead fisheries, not the agricultural (wine) interests to our south. We will be watching how you all handle this situation and react to Ms. Fennell's SECRET meetings behind the people's backs. /s/ Ernie DeGraff,
