RE: Agenda Item G.1: Consider Sending Letter of Opposition to AB 1608 (Gipson & Weber) Related to Consolidation of Offices of the Sheriff, Coroner and Public Administrator.

To The Board of Supervisors,

The consolidation of the Sheriff and Coroner's office and the Public Administrator might have cost saving benefits, however it does not serve the community well. Remember this [incident](#) in 2017? Consolidating that much power does nothing to fight corruption, especially when the one investigating is an internal agency. Having an independant Coroner and Public Administrator is a key component for transparent government and being able to hold law enforcement accountable.

I would also like to mention the last time Supervisor Bohn wanted to send a letter to the San Francisco District Attorney's office. Did it ever materialize?

I question the intention behind this move and I encourage you to vote to support the separation of Sheriff, Coroner and Public Administrator.

Thank you,
